Winston Churchill Soldier Douglas S. Russell, 2012-11-19 As a young man Winston Churchill set out to become a hero to make a name for himself in the public eye as a soldier and so make possible a life of politics and statesmanship There were many chances to fail and many close calls in the face of sword spear and bullet along the way Yet Churchill survived and succeeded an early measure of his courage and stubborn will that the world would come to know so well in the Second World War This is the first full length fully researched biography of Churchill s colourful military career Using an unrivalled range of sources and with previously unpublished photographs and detailed maps by Sir Martin Gilbert it brings to life Churchill s motives abilities experiences successes and failures and his unswerving sense of destiny as an officer in the British Army The result is a story to echo the man himself rich in action courage charismatic self belief patriotism and humour Making extensive use of the contemporary accounts of Churchill and his fellow soldiers and archival documents from three continents illustrated with many maps and previously unpublished photographs Douglas S Russell vividly brings to life the military career of the vigorous young officer of hussars who later became the greatest Briton of the twentieth century From Sandhurst to the mountainous North West Frontier of India to the charge of the 21st Lancers at Omdurman from the South African veldt to the deadly trench warfare of

Kuefler, 2015-06-18 Commanding its own museum and over 200 years of examination observation and scholarship the monumental embroidery known popularly as the Bayeux Tapestry and documenting William the Conqueror's invasion of England in October 1066 is perhaps the most important surviving artifact of the Middle Ages This magnificent textile both celebrated and panned is both enigmatic artwork and confounding historical record With over 1780 entries Szabo and Kuefler offer the largest and most heavily annotated bibliography on the Tapestry ever written Notably the Bayeux Tapestry has produced some of the most compelling questions of the medieval period Who commissioned it and for what purpose What was the intended venue for its display Who was the designer and who executed the enormous task of its manufacture How does it inform our understanding of eleventh century life And who was the mysterious Aelfgyva depicted in the Tapestry's main register This book is an effort to capture and describe the scholarship that attempts to answer these questions But the bibliography also reflects the popularity of the Tapestry in literature covering a surprisingly broad array of subjects The inclusion of this material will assist future scholars who may study references to the work in contemporary non fiction and popular works as well as use of the Bayeux Tapestry as a primary and secondary source in the classroom The monographs articles and other works cited in this bibliography reflect dozens of research areas Major themes are the Tapestry as a source of information for eleventh century material culture its role in telling the story of the Battle of Hastings and events leading up to the invasion patronage of the Tapestry biographical detail on known historical figures in the Tapestry arms and armor medieval warfare strategy and techniques opus anglicanum the Anglo Saxon needlework tradition preservation and display of the artifact the Tapestry's place in medieval art the embroidery's depiction of medieval and Romanesque architecture and the life of the Bayeux Tapestry itself Budget Europe, 1991 - Fodor's Guides

Westminster Abbey Adam Fox, 1972 Bound for the East Indies Andrew Norman, 2020-10-04 The loss of East Indiaman HCS Halsewell on the coast of Dorset in southern England in January 1786 touched the very heart of the British nation Halsewell was just one of many hundreds of vessels which had been in the service of the Honourable East India Company since its foundation in the year 1600 In the normal course of events Halsewell would have been expected to serve out her working life before passing unnoticed into the history books However this was not to be Halsewell's loss was an event of such pathos as to inspire the greatest writer of the age Charles Dickens to put pen to paper the greatest painter of the age J M W Turner to apply brush to canvas and the King and Queen to pay homage at the very place where the catastrophe

occurred Artefacts from the wreck continue to be recovered to this very day which and for variety interest curiosity and exoticism rival those recovered from Spanish armada galleons wrecked off the west coast of Ireland two centuries previously Such artefacts shed further light both on Halsewell herself and on the extraordinary lives of those who sailed in her *In the Mind of Stalin* James Greensmith,2023-04-06 On 1 October 1939 Winston Churchill First Lord of the Admiralty and soon to be the UK's wartime leader described Russia as a riddle wrapped in a mystery inside an enigma The same can certainly be said of Stalin How can this paradox of a man who on the one hand had once exhibited great tenderness and kindness to his daughter Svetlana and on the other sent millions including members of his own family to their deaths be explained It is impossible to quantify the total number of deaths attributable to the policies of Stalin but the Excess Mortality i.e. deaths over and above what would normally have been expected during the period in question gives an approximate figure in excess of 40 million However this is only part of the story of the amount of misery inflicted by the Stalin regime through torture deliberate starvation neglect separation from loved ones cold and hypothermia e.g. in the prisons of Siberia which is unquantifiable and unimaginable Svetlana confessed that she would never undertake to explain what motivated all my father's actions simply because I do not possess the psychological genius of Russian novelist Dostoevsky who knew how to penetrate into another man's soul and examine it from within
