Sister Carrie Limited Edition:

Sister Carrie Theodore Dreiser, 1982-01-01 When a girl leaves home at eighteen she does one of two things Either she falls into saving hands and becomes better or she rapidly assumes the cosmopolitan standard of virtue and becomes worse With Sister Carrie first published in 1900 Theodore Dreiser transformed the conventional fallen woman story into a genuinely innovative and powerful work of fiction As he hurled his impressionable midwestern heroine into the throbbing amoral world of the big city he revealed with brilliant insight the deep and driving forces of American culture the restless idealism glamorous materialism and basic spiritual innocence Sister Carrie brought American literature into the twentieth century This volume which reprints the text Dreiser approved for publication during his lifetime and includes a special appendix discussing his earlier unedited manuscript is the original standard edition of one of the great masterpieces of literary realism

[A Theodore Dreiser Encyclopedia](#) Keith Newlin, 2003-07-30 For a century Theodore Dreiser has represented for many readers a rebellious modernism whose novels both critiqued the American dream and embodied a bleakly deterministic perception of life His first novel *Sister Carrie* 1900 was reluctantly published and then ignored by its publisher who thought the book immoral Another publisher withdrew his fifth novel *The Genius* 1915 rather than face prosecution on obscenity charges Dreiser did not enjoy widespread popularity and critical acclaim until his masterpiece *An American Tragedy* appeared in 1925 This reference is an authoritative guide to his life and works Included are several hundred entries on each of Dreiser s books and short stories as well as magazine and newspaper pieces he collected during his life Noteworthy uncollected and posthumously collected works are given separate entries as are major characters in the novels family members friends and other persons important to understanding his

writings There are also entries on Dreiser's publishers his major influences the places and events important to his life and the literary and social contexts of his works Expert contributors wrote each of the entries many of which cite works for further reading The volume closes with a selected bibliography of works by and about Dreiser
