Sisters And Wives The Past And Future Of Sexual Equality

Vicki Cummings, Peter Jordan, Marek Zvelebil

Sisters And Wives The Past And Future Of Sexual Equality:

Sisters and Wives Karen Brodtkin,1979 A lively and well researched analysis of women s roles in the kinship systems of precapitalist African societies turns out to be pertinent to women s struggle for equality everywhere Ms For any theorist of social organization this is an important book American Anthropologist For anthropologists historians social theorists and

Sisters and Wives Karen Sacks,1982 *Sister or Wife?* J. Dorcas Gordon,1997-11-01 This work investigates the social dynamics within the Corinthian community and the function of Paul s argumentation in the light of those dynamics The models of Victor Turner and Mary Douglas cultural anthropologists guide the inquiry Gordon concludes that the conflict in 1 Corinthians 7 arose as the result of two antithetical views of the root metaphor In Christ all are children of God no male and female One group supported a kinship system based on patrilineal marriage and hierarchical community structures A second group demanded that an egalitarian sibling relationship should order the community Paul attempts to persuade both factions that their commitment to each other and to him is primary His arguments encourage each group to reconsider the absoluteness of its stance and to learn to live with ambiguity Emergentist Marxism Sean Creaven,2013-04-15 In tackling

emergentist Marxism in depth this well written volume demonstrates that critical realism and materialist dialectics are indispensable to theorizing the functioning of complex social and physical systems Author Sean Creaven investigates Marx s dialectics of being and consciousness forces and relations of production base and superstructure class structure and class conflict and demonstrates how they allow the social analyst to conceptualize geo history as embodying a tendential evolutionary directionality rather than as simply random or indeterminate in terms of its outcomes For those interested in social and political theory Marxism and communism and contemporary social theory this outstanding volume is an important read and a valuable resource **Women's Work, Men's Property** Stephanie Coontz,Peta Henderson,2016-03-01

To some a book on the origins of sexual inequality is absurd Male dominance seems to them a universal if not inevitable phenomenon that has been with us since the dawn of our species The essays in this volume offer differing perspectives on the development of sex role differentiation and sexual inequality but share a belief that these phenomena did have social origins origins that must be sought in sociohistorical events and processes In this way Stephanie Coontz and Peta Henderson introduce a book which fills a yawning gap in Marxist and feminist theory of recent years Women s Work Men s Property brings together specialist historical and anthropological skills of a group of American and French feminists to examine the origins of the sexual division of labor the nature of pre state kinship societies the position of women in slave based societies and the specific forms taken by the oppression of women in archaic Greece Men s Work Women s Property will be welcomed by teachers and students of women s studies and anyone with an interest in the biological psychological and historical roots of sexual inequality **Agency in Archaeology** Marcia-Anne Dobres,John Robb,2014-06-11 Agency in Archaeology is the

first critical volume to scrutinise the concept of agency and to examine in depth its potential to inform our understanding of

the past Theories of agency recognise that human beings make choices hold intentions and take action This offers archaeologists scope to move beyond looking at broad structural or environmental change and instead to consider the individual and the group Agency in Archaeology brings together nineteen internationally renowned scholars who have very different and often conflicting stances on the meaning and use of agency theory to archaeology The volume is composed of five theoretically based discussions and nine case studies drawing on regions from North America and Mesoamerica to Western and central Europe and ranging in subject from the late Pleistocene hunter gatherers to the restructuring of gender relations in the north eastern US

A History of African Motherhood Rhiannon Stephens,2015-08-06 This history of African motherhood over the longue dur e demonstrates that it was ideologically and practically central to social economic cultural and political life The book explores how people in the North Nyanzan societies of Uganda used an ideology of motherhood to shape their communities More than biology motherhood created essential social and political connections that cut across patrilineal and cultural linguistic divides The importance of motherhood as an ideology and a social institution meant that in chiefdoms and kingdoms queen mothers were powerful officials who legitimated the power of kings This was the case in Buganda the many kingdoms of Busoga and the polities of Bugwere By taking a long term perspective from c 700 to 1900 CE and using an interdisciplinary approach drawing on historical linguistics comparative ethnography and oral traditions and literature as well as archival sources this book shows the durability mutability and complexity of ideologies of motherhood in this region

A Millennium of Family Change Wally Seccombe,1992 How do changes in family form relate to changes in society as a whole In a work which combines theoretical rigour with historical scope Wally Seccombe provides a powerful study of the changing structure of families from the Middle Ages to the beginning of the Industrial Revolution Responding to feminist critiques of sex blind historical materialism Seccombe argues that family forms must be seen to be at the heart of modes of production He takes issue with the mainstream consensus in family history which argues that capitalism did not fundamentally alter the structure of the nuclear family and makes a controversial intervention in the long standing debate over European marriage patterns and their relation to industrialization Drawing on an astonishing range of studies in family history historical demography and economic history A Millennium of Family Change provides an integrated overview of the long transition from feudalism to capitalism illuminating the far reaching changes in familial relations from peasant subsistence to the making of the modern working class

Re-thinking Sexualities in Africa Signe Arnfred,2004 This volume sets out to investigate critically existing lines of thought about sexuality in Africa while also creating space for alternative approaches P 4 of cover

What is Masculinity? J. Arnold,S. Brady,2011-06-14 Across history the ideas and practices of male identity have varied much between time and place masculinity proves to be a slippery concept not available to all men sometimes even applied to women This book analyses the dynamics of masculinity as both an ideology and lived experience how men have tried and failed to be Real Men

Beyond the Second Sex Peggy Reeves Sanday,Ruth Gallagher

Goodenough,1990 Addresses the conflict contradictions and ambiguities that are often encountered in field research **The Oxford Handbook of the Archaeology and Anthropology of Hunter-Gatherers** Vicki Cummings,Peter Jordan,Marek Zvelebil,2014-04-24 For more than a century the study of hunting and gathering societies has been central to the development of both archaeology and anthropology as academic disciplines and has also generated widespread public interest and debate The Oxford Handbook of the Archaeology and Anthropology of Hunter Gatherers provides a comprehensive review of hunter gatherer studies to date including critical engagements with older debates new theoretical perspectives and renewed obligations for greater engagement between researchers and indigenous communities Chapters provide in depth archaeological historical and anthropological case studies and examine far reaching questions about human social relations attitudes to technology ecology and management of resources and the environment as well as issues of diet health and gender relations all central topics in hunter gatherer research but also themes that have great relevance for modern global society and its future challenges The Handbook also provides a strategic vision for how the integration of new methods approaches and study regions can ensure that future research into the archaeology and anthropology of hunter gatherers will continue to deliver penetrating insights into the factors that underlie all human diversity Routledge Library Editions: Women and Crime Various Authors,2022-07-30 This set reissues five books on the subject of women and crime The titles which were originally published between 1930 and 1996 include a book of case studies of female criminals a comprehensive annotated bibliography on the social conflict and change of women in crime and essays which examine the construction of women in criminology This set will be of particular interest to students of both criminology and women s studies **Marriage and Inequality in Chinese Society** Rubie S. Watson,Patricia Buckley Ebrey,1991-04-02 Marriage and mobility under rural collectivism William Lavelly Women property and law in the People s Republic of China Jonathan K Ocko Afterword marriage and gender inequality Rubie S Watson *Reader in Gender Archaeology* Kelley Hays-Gilpin,David S. Whitley,1998 This Reader in Gender Archaeology presents nineteen current controversial and highly influential articles which confront and illuminate issues of gender in prehistory The question of gender difference and whether it is natural or culturally constructed is a compelling one The articles here which draw on evidence from a wide range of geographic areas demonstrate how all archaeological investigation can benefit from an awareness of issues of gender They also show how the long term nature of archaeological research can inform the gender debate across the disciplines The volume organizes this complex area into seven sections on key themes in gender archaeology archaeological method and theory human origins division of labour the social construction of gender iconography and ideology power and social hierarchies and new forms of archaeological narrative includes section introductions which outline the history of research on each topic and present the key points of each article presents a balance of material which rewrites women into prehistory and articles which show how the concept of gender informs our understanding and interpretation of the past Women's Authority and Society in Early

East-Central Africa Christine Saidi, 2010 This study of more than two thousand years of African social history weaves together evidence from historical linguistics archaeology comparative ethnography oral tradition and art history to challenge the assumptions that all African societies were patriarchal and that the status of women in precolonial Africa is beyond the scope of historical research In East Central Africa women played key roles in technological and economic developments during the long precolonial period Female political leaders were as common as male rulers and women especially mothers were central to religious ceremonies and beliefs These conclusions contribute a new and critical element to our understanding of Africa s precolonial history Book Jacket

Gender at the Crossroads of Knowledge Micaela di Leonardo, 2023-09-01 Gender at the Crossroads of Knowledge brings feminist anthropology up to date highlighting the theoretical sophistication that characterizes recent research Twelve essays by outstanding scholars written with the volume s concerns specifically in mind range across the broadest anthropological terrain assessing and contributing to feminist work on biological anthropology primate studies global economy new reproductive technologies ethno linguistics race and gender and more The editor s introduction not only sets two decades of feminist anthropological work in the multiple contexts of changes in anthropological theory and practice political and economic developments and larger intellectual shifts but also lays out the central insights feminist anthropology has to offer us in the postmodern era The profound issues raised by the authors resonate with the basic interests of any discipline concerned with gender that is all of the social sciences and humanities Gender at the Crossroads of Knowledge brings feminist anthropology up to date highlighting the theoretical sophistication that characterizes recent research Twelve essays by outstanding scholars written with the volume s concerns specifically in

Readings in Sexualities from Africa Rachel Spronk, Thomas Hendriks, 2020-02-04 Images and stories about African sexuality abound in today s globalized media Frequently old stereotypes and popular opinion inform these stories and sex in the media is predominately approached as a problem in need of solutions and intervention The authors gathered here refuse an easy characterization of African sexuality and instead seek to understand the various erotic realities sexual practices and gendered changes taking place across the continent They present a nuanced and comprehensive overview of the field of sex and sexuality in Africa to serve as a guide through the quickly expanding literature This collection offers a set of texts that use sexuality as a prism for studying how communities coalesce against the canvas of larger political and economic contexts and how personal lives evolve therein Scholars working in Africa the U S and Europe reflect on issues of representation health and bio politics same sex relationships and identity transactional economies of sex religion and tradition and the importance of pleasure and agency This multidimensional reader provides a comprehensive view of sexuality from an African perspective

The Politics of Human Nature John H. Kautsky, 2017-09-04 The effort to understand human nature in a political context is a daunting challenge that has been undertaken in a variety of ways and by a myriad of disciplines through the ages From Plato to Hobbes and Burke to Wallas and Oakeschott in our era efforts have been made to provide some organic framework

for the political study of mankind What has added greatly to the complexity of the task is the increasing denial even rejection in the positivist and behaviorist traditions of the very notion of a human nature The work can be described as a series of interlocking propositions the proverbial view of human nature can be explained by evolutionary theory Biological differences between men and women are responsible for family community and group life Social evolution goes through stages which are recapitulated in the moral life of individuals A well defined federal system mirrors human development And finally for Fleming most problems in social and political life stem from violations of this federalist system Fleming s volume takes up a variety of issues sex and gender differences democracy and dictatorship individual and familial patterns of association He does so in the context of showing how forms of legitimate authority such as families communities and nations establish such authority by appeals to human nature and that these appeals while presumably resting on empirical evidence also confirm the existence of normative structures Fleming s work is an effort of synthesis that is sure to arouse discussion and debate It represents a serious addition to a literature retrieved from the historical dustbins to which it has been repeatedly consigned

Ethnographic Feminisms Sally Cole, 1995-05-15 This book is written by anthropologists who are currently engaged in research on gender The editors argue for the development of an ethnography based feminism that both pays heed to what women in specific circumstances identify as their concerns and recognizes the contradictions inherent in the goals of feminist anthropology The essays consider a range of awkward issues including feminism in international contexts the invisibility of women s working lives and the problems of voice and ethnographic representation Referring to a variety of ethnographic contexts and working from diverse perspectives the contributors examine the multiple dilemmas and conflicts of gender and power

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **Sisters And Wives The Past And Future Of Sexual Equality**

In a global inundated with displays and the cacophony of instantaneous transmission, the profound energy and psychological resonance of verbal beauty frequently diminish into obscurity, eclipsed by the constant onslaught of noise and distractions. Yet, situated within the musical pages of **Sisters And Wives The Past And Future Of Sexual Equality**, a interesting perform of fictional splendor that impulses with natural thoughts, lies an memorable trip waiting to be embarked upon. Composed with a virtuoso wordsmith, this enchanting opus manuals visitors on an emotional odyssey, softly revealing the latent potential and profound affect stuck within the complex web of language. Within the heart-wrenching expanse with this evocative examination, we can embark upon an introspective exploration of the book is key subjects, dissect its fascinating writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

Sisters And Wives The Past And Future Of Sexual Equality Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sisters And Wives The Past And Future Of Sexual Equality has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sisters And Wives The Past And Future Of Sexual Equality has opened up a world of possibilities. Downloading Sisters And Wives The Past And Future Of Sexual Equality provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sisters And Wives The Past And Future Of Sexual Equality has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sisters And Wives The Past And Future Of Sexual Equality. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sisters And Wives The Past And Future Of Sexual Equality. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sisters And Wives The Past And Future Of Sexual Equality, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sisters And Wives The Past And Future Of Sexual Equality has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sisters And Wives The Past And Future Of Sexual Equality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sisters And Wives The Past And Future Of Sexual Equality is one of the best book in our library for free trial. We provide copy of Sisters And Wives The Past And Future Of Sexual Equality in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sisters And Wives The Past And Future Of Sexual Equality. Where to download Sisters And Wives The Past And Future Of Sexual Equality online for free? Are you looking for Sisters And Wives The Past And Future Of Sexual Equality PDF? This is definitely going to save you time and cash in something you should think about.
