Birthing Fathers Richard K. Reed, 2005 In this unique study Richard Reed draws on

the feminist critique of professionalized medical birthing to argue that the clinical nature of medical intervention distances fathers from child delivery He explores men's roles in childbirth and the ways in which birth transforms a man's identity and his relations with his partner his new baby and society In other societies birth is recognized as an important rite of passage for fathers Yet in American culture despite the fact that fathers are admitted into delivery rooms little attention is given to their transition to fatherhood

Giving Birth With Confidence (Official Lamaze Guide, 3rd Edition) Judith

Lothian, Charlotte DeVries, 2017-03-28 For a Safe and Healthy Birth Your Way Giving Birth with Confidence will help take the mystery out of having a baby and help you better understand how your body works during pregnancy and childbirth giving you the confidence to make decisions that best ensure the safety and health of you and your baby Giving Birth with Confidence is the first and only pregnancy and childbirth guide written by Lamaze International the leading childbirth education organization in North America Written with a respectful positive tone this book presents information to help you choose your maternity care provider and place of birth Practical strategies to help you work effectively with your care provider Information on how pregnancy and birth progress naturally Steps you can take to alleviate fear and manage pain during labor The best available medical evidence to help you make informed decisions Previously titled The Official Lamaze Guide this 3rd edition has updated information on How vaginal birth keeping mother and baby together and breastfeeding help to build the baby's microbiome How hormones naturally start and regulate labor and release endorphins to help alleviate pain Maternity care practices that can disrupt the body's normal functioning The latest recommendations on lifestyle issues like alcohol vitamins and caffeine Room sharing and cosleeping the controversy recommendations and safety guidelines Out of hospital births are on the rise New research and advice on planned home birth including ACOG's revised guidelines which support women's choices and promote seamless transfer to hospital if needed The importance of avoiding unnecessary caesareans for mother and child Includes the new ACOG guidelines on inductions and active labor The research in support of the Lamaze International's Six Healthy Birth Practices which are Let labor begin on its own Walk move around and change positions throughout labor Bring a loved one friend or doula for continuous support Avoid interventions that aren't medically necessary Avoid giving birth on your back and follow your body's urges to push Keep mother and baby together it's best for mother baby and breastfeeding

Women, Power, and Therapy Marjorie Braude, 1988 The woman seriously interested in her personal growth and self awareness will find this volume indispensable reading She can learn how to assume power over her relationships mind body and positions in society Leading feminist therapists provide methods that can help women make their aspirations for power a reality in the workplace in social situations in intimate relationships Topics include black women and the politics of skin color and hair agoraphobic women and behavior change unlearning victim behavior decision making about contraception single mothers by choice female alcoholism and affiliation needs and much more This volume is on the cutting edge of the rapidly expanding body of literature and knowledge in women's studies

and describes new and frequently controversial ideas and programs It deals with issues of power over the intimacies of women s bodies and psyches as well as power in the workplace professional societies and the courts In order to help the reader understand these issues more fully this fine book also describes some of the historical and social contexts in which women have not had power or have gained power

Effectiveness and Satisfaction in Antenatal Care M. Enkin,I. Chalmers,1982-04-22 The potential contribution of antenatal care to health is enormous However if this potential is to be fully realised the content and organisation of that care must be more imaginatively conceived and realised and must take into account the uncomfortable paradox that antenatal care is a mixture of science and magic This book faces that paradox asking what in antenatal care has been shown by proper scientific method to work what is questionable dogma what is magic what should be done now This volume is intended not only for those professionals giving the care and for the potential mothers receiving it but also for all those who influence decisions concerning the future of antenatal care such as politicians researchers and the public in general
