1979-1990 Henryk Sawoniak, 2012-02-14 No detailed description available for 1979 1990 Gigs, Hustles, & Temps Jason Foster, 2023-04-25 Precarious work contributes to rampant inequality increased insecurity and the crisis of public and mental health Gigs Hustles and Temps explains why In this profoundly troubling and incisive look at the state of work and welfare in Canada Jason Foster reveals the long often hidden process that has left our jobs less secure our livelihoods more uncertain and the pockets of Canada s wealthy fatter than ever This phenomenon the rise of precarious work touches the entire economy and contributes to levels of income inequality unseen since the early 20th century Our world is less secure than it has been in generations Gigs Hustles and Temps describes how we got here and why Jobs across the economy are increasingly more precarious and they share similar characteristics impermanence little to no benefits and no union representation Uber Starbucks and Amazon have led the way Governments are contracting out more labour than ever before Tech companies hire workers on flexible contracts without the prospect of long term employment Migrant workers too are working without a safety net figuratively and literally No matter where you fall on the socio economic ladder your life is probably more precarious than your parents once was Foster offers insights into the many consequences of our increasingly precarious world He also details some of the less obvious repercussions of precarious work including its contribution to the crisis of mental and public health across Canada Foster argues that the rise of precarious work is more a return to normal for capitalist economies But there is a flip side advances in worker welfare have come through solidarity struggle and negotiation with the forces currently promoting precarious work across Canada s economy Things don t have to be the way they are Gigs Hustles and Temps is a comprehensive accessible and essential guidebook on the road to a better world
