**Henry Weibert, Don L. Weibert**

## **Sixty-six Years In Custer's Shadow:**

**Sixty-Six Years in Custer's Shadow** Henry Weibert, *Sixty-six Years in Custer's Shadow* Henry Weibert, Don L. Weibert, 1985-01-01      **Sixty-six Years in Custer's Shadow** Henry Weibert, 1985      **The Last Stand** Nathaniel Philbrick, 2023-01-03 An engrossing and tautly written account of a critical chapter in American history Los Angeles Times Nathaniel Philbrick author of *In the Hurricane's Eye* Pulitzer Prize finalist *Mayflower* and *Valiant Ambition* is a historian with a unique ability to bring history to life *The Last Stand* is Philbrick's monumental reappraisal of the epochal clash at the Little Bighorn in 1876 that gave birth to the legend of Custer's Last Stand Bringing a wealth of new information to his subject as well as his characteristic literary flair Philbrick details the collision between two American icons George Armstrong Custer and Sitting Bull that both parties wished to avoid and brilliantly explains how the battle that ensued has been shaped and reshaped by national myth      **They Died With Custer** Douglas D. Scott, P. Willey, Melissa A. Connor, 2013-07-10 Dead men tell no tales and the soldiers who rode and died with George Armstrong Custer at the Battle of the Little Bighorn have been silent statistics for more than a hundred years By blending historical sources archaeological evidence and painstaking analysis of the skeletal remains Douglas D Scott P Willey and Melissa A Connor reconstruct biographies of many of the individual soldiers identifying age height possible race state of health and the specific way each died They also link reactions to the battle over the years to shifts in American views regarding the appropriate treatment of the dead      *Custer's Last Campaign* John S. Gray, 1993-01-01 Easily the most significant book yet published on the Battle of the Little Bighorn Paul L Hedren *Western Historical Quarterly* Gray has applied rigorous analysis as no previous historian has done to these oft analyzed events His detailed time motion study of the movements of the various participants frankly boggles the mind of this reviewer No one will be able to write of this battle again without reckoning with Gray Thomas W Dunlay *Journal of American History* Gray challenges many time honored beliefs about the battle Perhaps most significantly he brings in as much as possible the testimony of the Indian witnesses especially that of the young scout Curley which generations of historians have dismissed for contradictions that Gray convincingly demonstrates were caused not by Curley but by the assumptions made by his questioners The contrasts in this book restate the basic components of what still attracts the imagination to the Little Bighorn Los Angeles Times Book Review Gray's analysis by and large is impressively drawn it is an immensely logical reconstruction that should stand the test of time As a contribution to Custer and Indian wars literature it is indeed masterful Jerome A Greene *New Mexico Historical Review* John S Gray was a distinguished historian whose books included the acclaimed *Centennial Campaign* *The Sioux War of 1876* *Custer's Last Campaign* is the winner of the Western Writers of America Spur award and the Little Bighorn Associates John M Carroll Literary Award      **Archaeology, History, and Custer's Last Battle** Richard A. Fox, 2015-02-16 On the afternoon of June 25 1867 an overwhelming force of Sioux and Cheyenne Indians quickly mounted a savage onslaught against General George Armstrong Custer's battalion driving the

doomed troopers of the U S Seventh Cavalry to a small hill overlooking the Little Bighorn River where Custer and his men bravely erected their heroic last stand So goes the myth of the Battle of the Little Bighorn a myth perpetuated and reinforced for over 100 years In truth however Custer s Last Stand was neither the last of the fighting nor a stand Using innovative and standard archaeological techniques combined with historical documents and Indian eyewitness accounts Richard Allan Fox Jr vividly replays this battle in astonishing detail Through bullets spent cartridges and other material data Fox identifies combat positions and tracks soldiers and Indians across the Battlefield Guided by the history beneath our feet and listening to the previously ignored Indian testimonies Fox reveals scenes of panic and collapse and ultimately a story of the Custer battle quite different from the fatalistic versions of history According to the author the five companies of the Seventh Cavalry entered the fray in good order following planned strategies and displaying tactical stability It was the sudden disintegration of this cohesion that caused the troopers defeat The end came quickly unexpectedly and largely amid terror and disarray Archaeological evidences show that there was no determined fighting and little firearm resistance The last soldiers to be killed had rushed from Custer Hill

**Lakota Recollections of the Custer Fight** Richard G. Hardorff,1997-01-01 The fifteen Sioux and one Cheyenne who speak in Lakota Recollections of the Custer Fight witnessed Custer s Last Stand Their testimony sheds light on what happened at the Little Bighorn on the bloodiest of Sundays June 25 1876 Flying Hawk Standing Bear He Dog Red Feather Moving Robe Woman Eagle Elk White Bull Hollow Horn Bear and other Indian survivors of the Custer fight were interviewed during the early decades of the twentieth century by men genuinely interested in the historical truth including Judge Eli S Ricker General Hugh L Scott John G Neihardt and Walter S Campbell The interviews are collected here with introductions and notes by the editor

Custer, the Seventh Cavalry, and the Little Big Horn Mike O'Keefe,2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry s disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer s tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer s experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876 77 and the Seventh Cavalry s pursuit of the Nez Perces in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and Custer enthusiasts
