

## **King And Queen!**

**The lion and the lioness  
Were restful and serene  
And savouring how life can bless  
Each one as king and queen...  
Such that, adorned in glowing gold,  
Their love came shining through,  
As if their partnership took hold  
In all that they would do...**

**Thus neither needed to display  
Their status at that time,  
As both embraced life, come what may,  
While they were in their prime...  
For now, they ruled, that fact was plain,  
Though others sought a throne,  
The land was theirs, their sole domain,  
God's gift for them to own...**

**Yet God can give and God can take,  
Of that, there was no doubt,  
They must protect what stood at stake,  
With rivals still about...  
Yet they, together, set the stage,  
How royals should behave,  
When not locked up inside a cage,  
No longer strong and brave...**

**Denis Martindale May 2017.**

**A poem based on the magnificent Stephen Gayford  
wildlife painting. Google search phrases  
gayford prints and Stephen Gayford poetry  
and also for Heaven and Earth Designs...**

***Denis Martindale***
