

Bee-eaters (bird study)

- love the vibrancy of the colors really like the colors of the birds
- did the painting look too good if that's over makes sense
- love the way the wings look different
- maybe a little more detailed around the head which could have made it more

the only reason
the black back
was
to
be

- maybe should have used black for the underwing instead of the red but also that was very the chest over the chested rest

- loves the colors of the first the second one and every the third one also very like the master not want to keep on with to mention love the one more of the
- 12 year old you can give it

- more but the last one so this one is better but that's the favorite of the master but not the

kindly a favorite of study
