major resorts in Spain and Andorra Just like here in the United States or Canada every European resort has its quirks and  
specialties notes Leocha Seasoned skiers know that some resorts are better for singles others better for families Some offer  
cozy chalets others feature modern hotels right on the slopes And while one resort may be heaven for beginning skiers it may  
be boring for the expert Ski Europe organizes all the necessary information to make intelligent choices and provides the  
phone numbers to make reservations and plans Over more than a decade Ski Europe has become known for its no holds  
barred brutally honest reports on reality at ski resorts Ski Europe takes no advertising has no ax to grind and like Ski  
America and Canada is written by Leocha together with an international team of prize winning ski and snowboard journalists
