Skilful Means A Concept In Mahayana Buddhism:

Skilful Means Michael Pye, 2003-01-01 A journey through inhospitable landscapes proves to be challenging in the extreme. While employed by the Cameroons Development Corporation CDC, the author who finds herself drawn to hot arid and sandy places cherishes a seemingly impossible ambition to return to Europe via the Sahara when her contract ends. As the fates would have it, a Dutch journalist materializes one day in this small close-knit Cameroons community. Named Pete, he has just traversed the Sahara in a southerly direction alone with a motor cycle with sidecar. Serious planning began and an apparently suitable pick-up truck became available in Douala.

Transforming Buddhism Andre Van Der Braak, Paul Van Der Velde, Tristan Letzer, 2021-11-30 The world of Buddhism has always been a dynamic one. There are endless developments and interactions as the dharma spread throughout Asia. In more recent times, Buddhism has even made a more global appeal. Dharma centers are everywhere nowadays. Transforming Buddhism presents a number of case studies of a group of scholars who each of them focus on the ways how Buddhism transforms and is transformed both in the past and in modernity. The book presents results of research performed in Asia for instance on women in the Buddhist monastic tradition of Thailand, foreigners living in the harsh conditions of specific Thai Theravada monasteries and child monks in Tibet. Other subjects are developments within Japanese Zen Buddhism in interaction with modern western philosophy and the Japanese Buddhism incited by K. b. Daishi 774-835. Next, there is the inspiration for modernity that can be found in the works of the Korean monk Chinul 1158-1210 and themes in Buddhist life histories, legendary, historical and personal. As such, Transforming Buddhism gives a broad view on a number of transformations of the Buddhist dharma from various perspectives.

Disputed Questions in Theology and the Philosophy of Religion J. Hick, 1997-04-23 Hick gives a personal account of how he has come to accept religious pluralism: that the major world faiths are different but equally valid responses to ultimate Reality. He considers how much Christians have to learn from Buddhism, discusses the ongoing dialogue among Jews, Christians and Muslims, and outlines a philosophy of religions, a conception of the relationship between world religions and between them and the ultimately Real. Finally, he turns to the mystery of death and, using the resources of the world religions and of parapsychology, suggests a possible conception of life after death.

Paul Tillich and Asian Religions Ka-fu Keith Chan, Yau-nang William Ng, 2017-08-21 This volume investigates Paul Tillich's relationship to Asian religions and locates Tillich in a global religious context. It appreciates Tillich's heritage within the western and eastern religious contexts and explores the possibility of global religious cultural understanding through the dialogue of Tillich's thought and East-West religious cultural matrix.

Buddhavadana and Dei Verbum Michael Fuss, 2023-08-07 Challenged by the teaching of Vatican II about the seeds of the Word in non-Christian religions, this book investigates the sacred character of the Saddharmapitakam and its relation to the fundamental theological category of scriptural inspiration. In applying the methods of modern exegesis, the Sutta in its ingenious composition is disclosed as a religious drama about the inspirational

experience of the Buddha The draft of a theology of inspiration along the guide lines of the Dogmatic Constitution Dei Verbum of Vatican II elaborates a christology of the Word as its core which allows an extension of inspiration in analogical manner to non Biblical scriptures The contrast of Christ the Word incarnate and Buddha the Inspired One offers a new contribution to an inter religious dialogue

Augustine and World Religions Brian Brown,John A. Doody,Kim Paffenroth,2008-05-30 Augustine and World Religions examines Augustine s thought for how it can inform modern inter religious dialogue Despite Augustine s reputation as the father of Christian intolerance one finds in his thought the surprising claim that within non Christian writings there are some truths in regard even to the worship of the One God This it seems hints at a deeper level of respect and dialogue between religions because one engages in such dialogue in order to better understand and worship God The essays here uncover provocative points of comparison and similarity between Christianity and other religions to further such an Augustinian dialogue

The Bodhisattva Path,2007-01-01 The Inquiry of Ugra Ugrapariprccha is one of the most influential Mahayana sutras preserved and transmitted in both India and China over many centuries and actively quoted in treatises on the bodhisattva path It is nevertheless one of the most neglected texts in Western treatments of Buddhism The Ugra appers to be one of the earliest bodhisattva scriptures to come down to us and as such it offers a particularly valuable window on the process by which the bodhisattva path came to be seen as a distinct vocational alternative within certain Indian Buddhist communities The Bodhisattva Path is a study and translation of the Ugra that will fundamentally alter previous perceptions of the way in which Mahayana was viewed and

practiced by its earliest adherents To achieve a better understanding of the universe of ideas activities and institutional structures within which early self proclaimed bodhisattvas lived the author first considers the Ugra as a literary document employing new methodological tools to examine the genre to which it belong the age of its extant versions and their relationships to one another She goes on to challenge the dominant notions that the Mahayana emerged as a reform of earlier Buddhism and offered lay people an easier option On the contrary the picture that emerges is of the early Mahayana as a more difficult and demanding vocation initially limited to a small contingent of monastic males Combining a detailed critical study and translation of an important Buddhist scripture with a sweeping re examination of the relationship between the Buddha and the practitioners alike and other interested in the history of Indian Buddhism and the formation of Mahayana
