Skinhead Street Gangs:

Street Gangs Throughout the World Herbert C. Covey, 2010 This updated and expanded new edition continues the theme of the first edition of emphasizing the substantial growth of street gangs throughout the world Although a substantial amount of research on street gangs has been conducted in recent decades much of it has focused on the United States This book summarizes much of the research being conducted in many other countries where the street gang phenomenon is currently developing which includes poverty the retreat of the state increasing income inequality urbanization population growth exploitation marginalization underground economies

Skinhead Street Gangs Loren W. Christensen, 1994 This is a crash course in racist violence by Loren Christensen a police officer in Portland Oregon explaining who skinheads are why they are violent who their targets are how they operate what weapons they favour and what danger they pose to society and to police

Alt-Right Gangs Shannon E. Reid, Matthew Valasik, 2020-09-22 Alt Right Gangs provides a timely and necessary discussion of youth oriented groups within the white power movement Focusing on how these groups fit into the current research on street gangs Shannon E Reid and Matthew Valasik catalog the myths and realities around alt right gangs and their members illustrate how they use music social media space and violence and document the risk factors for joining an alt right gang as well as the mechanisms for leaving By presenting a way to understand the growth influence and everyday operations of these groups Alt Right Gangs informs students researchers law enforcement members and policy makers on this complex subject Most significantly the authors offer an extensively evaluated set of prevention and intervention strategies that can be incorporated into existing anti gang initiatives With a clear coherent point of view this book offers a contemporary synthesis that will appeal to students and scholars alike

Encyclopedia of Gangs Louis Kontos, David C. Brotherton, 2007-11-30 In light of Los Angeles gang state of emergency ethnic and minority gangs are arguably more high profile now than at any other time in our history News media typically focus on the crime and violence associated with gangs but not much else This encyclopedia seeks to illuminate the world of gangs including gang formations routine gang activities aberrations and current developments One hundred essay entries related to gangs in the United States and worldwide provide a diffuse overview of the gang phenomenon Each entry defines and explains the term provides an historical overview and explains its significance today As the following entries demonstrate gangs are part of the fabric of American society They are not only in our communities but also our schools and other social institutions Understanding the world of gangs is therefore needed to understand American society Entries include Bikers Bloods Cholas Crips gang mythology gang warfare graffiti Hell s Angels Hong Kong Triads Latin Kings law enforcement occultic gangs mafia media prison gangs rites Skinheads Streetgang Terrorism Omnibus Prevention Act tattoos trafficking Wambas West Side Story Witness Protection programs and youth gangs

The Re-Evolution of American Street Gangs Dale L. June, Mohamad Khatibloo, Gregorio Estevane, 2015-09-25 The problem of gangs and gang subculture is a growing threat to the stability of neighborhoods and

entire communities During the past two decades gang members have increasingly migrated from large urban centers to suburban areas and other countries This book addresses the intricacies and diversities of street gangs drawing on the expertise of high ranking law enforcement officials monitoring terrorist activity and gang related crimes as well as professional private investigators who have spent several decades investigating gangs and learning their subculture lifestyle motivations and relationships Ideal for supplemental reading in gang violence courses on criminal justice sociology law and psychology this comprehensive anthology presents thorough coverage of a notoriously difficult subject It explores the following key topics Social psychological and criminal impact of street gangs on juveniles Psychology of gang membership and the pathways that lead into and out of gang culture Relationship between religion and dangerous criminal gangs How U S based gangs are using technology to advance their operations Use of graffiti by street gangs Evolution of gangs and recommendations for preventing future growth Gang enhancement crimes and associated misconduct of police and prosecutors Like any type of crime street gang criminal activity cannot be totally eliminated This book aims to provide a better understanding of gangs so that we can influence today s potential gang members to make the right decisions for their sake and the sake of society

American Skinheads Mark S. Hamm, 1994-06-30 American Skinheads is the first criminological analysis of organized hate crime violence Mark Hamm presents historical specificity for a modern theory of hate crime then rigorously tests the theory with interview data derived from skinheads who have committed an array of violent acts against persons because of their race religion or sexual preference people who are members of the classic outgroups of American society Part One traces the roots of the Skinhead Nation through the Beats Mods Hippies and Punks in London and then examines the rise of the Neo Nazi Skinheads in the United States including a look at Neo Nazi offshoots Romantic Violence The Aryan Youth Movement recruiters Tom Metzger and recruitment tools W A R Magazine and Hotline electronic mail Race and Reason and appearances on the Oprah Winfrey and Geraldo Rivera shows In Part Two Hamm discusses the accepted sociological perspectives on terrorist youth subcultures not gangs then presents findings of his own study of 36 skinheads including social and economic characteristics psychological profiles the role of skinhead girls use of drugs and weapons satanism and neo fascism Part Three assesses the future for American Neo Nazism and recommends steps for preventing skinhead terrorism

Gangs in the Era of Internet and Social Media Chris Melde, Frank Weerman, 2020-08-13 The ubiquity of the internet and social media has influenced the lives of people across the globe including young people involved in street gangs and troublesome youth groups This development raises important questions about the causes features and consequences of online gang behavior as well as the consequences of this new phenomenon for gang prevention and intervention In this edited volume members of an international network of gang researchers the Eurogang Program of Research present findings and insights from recent academic gang studies focused on the use of internet and social media It focuses on online features of gangs and the consequences of social media for the study of these

groups The second section of the book focuses on the meaning of online media for the prevention monitoring and intervention of gangs and for gang disengagement processes This is the first volume focused on the role of internet and social media in the study of gangs Providing much needed insights into online gang processes it will appeal to students and researchers interested in gangs and juvenile delinquency and to professionals practitioners and policy makers working on preventing or reducing gang involvement and delinquent behavior *Skinheads* Tiffini Travis,Perry Hardy,2012-04-13 This book provides a fascinating examination of one of the most notorious countercultures in the United States *Skinheads A Guide to An American Subculture* is an insider s look at the history of skinheads in the United States from their emergence from the U S hardcore underground in the 1980s in New York City Chicago Washington DC and Los Angeles to the current scene that thrives in many major metropolitan areas today What makes this revelatory book so compelling is its one of a kind view of skinhead culture from the inside out Coauthor Perry Hardy is a skinhead bass player for the band The Templars and veteran member of the American skinhead scene since the onset of the movement Based on his experiences plus interviews with dozens of skinheads of all kinds *Skinheads* draws back the curtain to reveal a world that more often is simply a haven for those disaffected from society rather than a subculture of hatred or violence **A Dictionary of Gangs** Bill Sanders,2019-02-05 A worldwide fascination with gangs is evident they are a major focus of the criminal justice system and the object of much media attention This new Oxford Reference title of over 250 entries gives a concise overview of key terms used in the study and understanding of gangs the first dictionary of its kind to focus on gang vernacular Broad in scope it covers colloquialisms used in gang culture to describe certain behaviours common among gang members such as caught slipping and jumped in sociological and criminological terms in relation to gangs such as social disorganization and social learning as well as general academic concepts which apply to gangs including Critical Race Theory acculturation moral panic and identity It also includes entries on gangs both inside and outside of the United States and theories of key gang researchers *American Swastika* Pete Simi,Robert Futrell,2015-07-09 This second edition of *American Swastika* provides an up to date perspective on the white power movement in America Featuring powerful case studies interviews and first person accounts the book takes readers through hidden enclaves of hate exploring how white supremacy movements thrive nationwide and how we can work to prevent future violence **Electronic Tribes** Tyrone L. Adams,Stephen A. Smith,2009-06-03 Whether people want to play games and download music engage in social networking and professional collaboration or view pornography and incite terror the Internet provides myriad opportunities for people who share common interests to find each other The contributors to this book argue that these self selected online groups are best understood as tribes with many of the same ramifications both positive and negative that tribalism has in the non cyber world In *Electronic Tribes* the authors of sixteen competitively selected essays provide an up to the minute look at the social uses and occasional abuses of online communication in the new media era They explore many current Internet subcultures including MySpace

com craftster org massively multiplayer online role playing games MMORPGs such as World of Warcraft music downloading white supremacist and other counterculture groups and Nigerian e mail scams Their research raises compelling questions and some remarkable answers about the real life social consequences of participating in electronic tribes Collectively the contributors to this book capture a profound shift in the way people connect as communities formed by geographical proximity are giving way to communities both online and offline formed around ideas

Critical and Intersectional Gang Studies Jennifer M. Ortiz, 2023-04-13 This book offers a critical and empirical examination of gang life using an intersectional framework considering race class gender and other characteristics The book reexamines mainstream definitions of gangs identifies myths and misconceptions and presents the complex subcultural or countercultural realities of gang members and their associates Special attention is given to the importance of structural violence experienced by gang members and their communities This book also interrogates how mainstream gang research is complicit in the oppression of marginalized individuals who join gangs Assembling contributions from leading experts involved in gang research and the investigation of street gang culture this book provides a perspective often missing in the conversation around gangs Direct input from current and former gang members provides a window into the lived experiences of gang life a picture more accurate and useful than that afforded by the privileged lens often used in gang research Reliance on an intersectional approach fosters a non pathological and critical look at gangs and their members Critical and Intersectional Gang Studies is intended for students and scholars involved in the study of gangs delinquency and subcultural theory and will serve as a reference for researchers who wish to utilize a progressive critical and intersectional approach to study the impacts of gangs

Skinheads Shaved for Battle Jack B. Moore, 1993 Moore emphasizes throughout the American identity of skinheadism

Gangland Michael Johnstone, 2013-07-05 The colorful characters of the Cosa Nostra the ruthlessness of the Russian Mafia and the drive by shootings of the LA street gangs have all hit the headlines in recent times catching the public eye with lifestyles that appear at once exciting and menacing Gangland investigates the world's most notorious gangs and shines a light into the murky underworld that they inhabit to give an unflinching insight into organized crime and its perpetrators For anyone who has ever wanted to know what gangs are all about Gangland is a must

Delinquency and Juvenile Justice in American Society

Randall G. Shelden, 2011-08-08 Extensively revised the second edition blends theory research and applications into a superb overview of the complex issues surrounding juvenile delinquency and society's attempts to address juvenile crime After providing an excellent historical foundation Shelden presents the theories essential to understanding crime and delinquency He then explores the system and its effects on juveniles and society including comprehensive coverage of female delinquency The social legal and political influences on how the public perceives juveniles and the inequality in U S society that affects families communities and schools are highlighted throughout the book The concluding chapter looks at solutions that have worked and identifies trends in treating juvenile delinquency The authors almost four

decades of teaching about and researching juveniles and the system make him eminently qualified to offer readers the tools necessary to think critically about delinquency and to evaluate the policies enacted to manage the juveniles who violate the laws Delinquency and Juvenile Justice in American Society 2 E provides affordable up to date easily accessible and thorough analysis of a significant topic

Studying Youth Gangs James F. Short, Lorine A. Hughes, 2006-04-27 Provides an introduction to the study of gangs how we define them what we know and not know about gangs This title offers both a domestic and international view of processes of delinquency and gang formation and identity It is suitable for criminal justice sociology and social work parole practitioners and public defenders

Federal Probation, 1993

Gang Politics Kristian Williams, 2022-06-28 In three taut essays Kristian Williams examines our society's understanding of social and political violence what gets romanticized misunderstood or muddled He explores the complex intersections between gangs of all sorts cops and criminals Proud Boys and antifa Panthers and skinheads arguing that government and criminality are intimately related often sharing critical features As society becomes more polarized and the conviction that things are only going to get worse and more violent grows William's analysis is a crucial corrective to our simple unquestioned ideas about the role violence might or should play in our social struggles

[They Want to Kill Americans](#) Malcolm Nance, 2022-07-12 NOW A NEW YORK TIMES LOS ANGELES TIMES USA TODAY AND GREAT LAKES INDEPENDENT BOOKSELLER ASSOCIATION BESTSELLER New York Times bestselling author Malcolm Nance offers a chilling warning on a clear present and existential threat to our democracy our fellow Americans Malcolm Nance is one of the great unsung national security geniuses of the modern era Rachel Maddow To varying degrees as many as 74 million Americans have expressed hostility towards American democracy Their radicalization is increasingly visible in our day to day life in neighbor's or family member's open discussion of bizarre conspiracy theories reveling in the fantasy of mass murdering the liberals they believe are drinking the blood of children These are the results of the deranged series of lies stoked by former President Donald Trump made worse by the global pandemic The first steps of an American fracture were predicted by Malcolm Nance months before the January 6 2021 insurrection heralding the start of a generational terror threat greater than either al Qaeda or the Islamic State Nance calls this growing unrest the Trump Insurgency in the United States or TITUS The post 2020 election urge to return to a place of normalcy to forget is the worst response we can have American militiamen terrorists and radicalized political activists are already armed in mass numbers and regularly missed in the media principally because Trump's most loyal and violent foot soldiers benefit from the ultimate privilege being white They Want to Kill Americans is the first detailed look into the heart of the active Trump led insurgency setting the stage for a second nation wide rebellion on American soil This is a chilling and deeply researched early warning to the nation from a counterterrorism intelligence professional America is primed for a possible explosive wave of terrorist attacks and armed confrontations that aim to bring about a Donald Trump led dictatorship

Globalizing the Streets Fabiola Salek, David C. Brotherton, 2008-06-24 Not since the 1960s have the

activities of resistance among lower and working class youth caused such anxiety in the international community Yet today the dispossessed are responding to the challenges of globalization and its methods of social control The contributors to this volume examine the struggle for identity and interdependence of these youth their clashes with law enforcement and criminal codes their fight for social political and cultural capital and their efforts to achieve recognition and empowerment Essays adopt the vantage point of those whose struggle for social solidarity self respect and survival in criminalized or marginalized spaces In doing so they contextualize and humanize the seemingly senseless actions of these youths who make visible the class contradictions social exclusion and rituals of psychological humiliation that permeate their everyday lives
