Sky Blue Frame:

Seasons of the Mind Bernard S. Raskas, 2001-01-01 Rabbi Bernie Raskas has been living and teaching his faith for over 50 years He offers witty yet practical commentary on life faith and spirituality Verbal-Visual Configurations in Postcolonial Literature Birgit Neumann, Gabriele Rippl, 2020-04-23 Examining a range of contemporary Anglophone texts this book opens up postcolonial and transcultural studies for discussions of visibility and vision It argues that the preoccupation with visual practices in Anglophone literatures addresses the power of images vision and visual aesthetics to regulate cultural visibility and modes of identification in an unevenly structured world The representation of visual practices in the imaginative realm of fiction opens up a zone in which established orders of the sayable and visible may be revised and transformed In 12 chapters the book examines narrative fiction by writers such as Michael Ondaatje Derek Walcott Salman Rushdie David Dabydeen and NoViolet Bulawayo who employ word image relations to explore the historically fraught links between visual practices and the experience of modernity in a transcultural context Against this conceptual background the examination of verbal visual relations will illustrate how Anglophone fiction models alternative modes of representation that reflect critically on hegemonic visual regimes and reach out for new more pluralized forms of exchange **Parametric and Feature-Based CAD/CAM** Jami J. Shah, Martti Mäntylä, 1995-11-03 The book is the complete introduction and applications guide to this new technology This book introduces the reader to features and gives an overview of geometric modeling techniques discusses the conceptual development of features as modeling entities illustrates the use of features for a variety of engineering design applications and develops a set of broad functional requirements and addresses high level design issues The Modern Landscapes of Ted Smyth Rod Barnett, Jacqueline Margetts, 2017-01-06 The modern period in landscape architecture is enjoying the fascinated appreciation of scholars and historians in Europe and the Americas and new themes new subjects and new appraisals are appearing This book contributes to the conversation by focusing on the work of a singular designer who spent his entire career in a province of the North Island of New Zealand Ted Smyth practiced an assured landscape modernism without ever seeing the designs of his forebears or his contemporaries working in the UK Europe and the United States Designing in isolation from the mainstream of modernism and a little after its high tide Smyth produced a series of gardens that provoke a revaluation of the diffusionist model of influence The book explains and describes the evolution of Smyth's design vocabulary and relates it to the development of tropical landscape modernism in other Asia Pacific sites It shows how a culture of garden modernism can be generated from within a particular locale and highlights Smyth's engagement with Mori design traditions in search of a specific expression of the high modern essentialism of place **Anti-Imperial Choice** Yohanan Petrovsky-Shtern, 2009-04-28 Providing extensive historical background biographical detail and analysis of each writer's poetry and prose Petrovsky Shtern shows how a Ukrainian Jewish literary tradition emerged Along the way he challenges assumptions about modern Jewish acculturation and Ukrainian

[The Frame in Classical Art](#) Verity Platt,Michael Squire,2017-04-20 The frames of classical art are often seen as marginal to the images that they surround Traditional art history has tended to view framing devices as supplementary ornaments Likewise classical archaeologists have often treated them as tools for taxonomic analysis This book not only argues for the integral role of framing within Graeco Roman art but also explores the relationship between the frames of classical antiquity and those of more modern art and aesthetics Contributors combine close formal analysis with more theoretical approaches chapters examine framing devices across multiple media including vase and fresco painting relief and free standing sculpture mosaics manuscripts and inscriptions structuring analysis around the themes of framing pictorial space framing bodies framing the sacred and framing texts The result is a new cultural history of framing one that probes the sophisticated and playful ways in which frames could support delimit shape and even interrogate the images contained within

As the Cannon Roar Dwight Murray,2011 A glimpse inside the pages of As the Cannon Roar Hundreds upon hundreds of stories have been written about the American Civil War Although set in the Antebellum era of the Old South this story is not one of them This is an in depth study of a family s struggle to hold onto the only home and the only family they have ever known as the war rages all around them It is a gritty but true to life story It is both heartwarming and heartbreaking It is full of despicable men doing despicable things It is a story of love It is a story of a marriage that is in that time frowned upon Yet in order to tell this heart rending story of war and love and as a way to introduce the dreadfully wounded Confederate Artillery Captain Thaddeus Biggs and his love of a country girl one battle that known as Malvern Hill is used as a backdrop

Lillie Beth is the daughter of a poor dirt farmer Tink Strickland Tink is an evil man and void of all humanity His jealousy of the successes of his neighbors tears at him and he will stop at no depravity in his efforts to obtain similar wealth Therefore his family suffers greatly at his hands Wounded and near death a handsome young Confederate Artillery officer is brought to Lillie s father s log cabin which has recently been appropriated as a field hospital There she soothes the man s heated brow with a wet cloth and cool well water and appoints herself as his nurse Little does Lillie know the wounded man suffering on the tick mattress upon the floor is from the wealthiest family in all of North Carolina But knowing only poverty such wealth has no meaning to her Her life changes drastically when Captain Thaddeus Biggs father arrives to take his son home The Biggs family has nearly disintegrated upon learning their beloved son and brother has been wounded in battle while the Strickland family near the battle of Malvern Hill dissolves so completely it will never recover
