Scott Fitzgerald Remembered** presents over sixty first hand accounts of Fitzgerald many of them previously unpublished by those who knew him at all stages of his life from his time as an adolescent in St Paul and an undergraduate at Princeton through his meeting and marrying Zelda Sayre and his first successes the high points and increasing dissipation of the 1920s in New York Paris and the Riviera and the 1930s in Baltimore and North Carolina to his final years in Hollywood The guiding principle is not to provide a single interpretation of Fitzgerald's life but to present these accounts in all their variety and even contradiction inviting the reader to form a biographical portrait based upon them Making these reminiscences available to scholars students and fans of Fitzgerald is particularly timely given the centenary of the publication of *The Great Gatsby* in 2025
