Slaves Into Workers Emancipation And Labor In Colonial Sudan Modern Middle East Ser:

Slaves Into Workers Ahmad Alawad Sikainga, 1996-01-01 Unlike African slavery in Europe and the Americas slavery in the Sudan and other parts of Africa persisted well into the twentieth century Sudanese slaves served Sudanese masters until the region was conquered by the Turks who continued the practice on a larger institutional scale When the British took over the Sudan in 1898 they officially emancipated the slaves yet found it impossible to replace the contribution of their labor to the country's economy This pathfinding study explores the process of emancipation and the development of wage labor in the Sudan under British colonial rule Ahmad Sikainga focuses on the fate of ex slaves and dislocated people in Khartoum and on the efforts of the colonial governments to transform them into wage laborers He probes into what the establishment of colonial rule and city life meant for slaves and ex slaves and what the city and its people meant for colonial officials This investigation sheds new light on the legacy of slavery the status of former slaves and their descendants in African and Middle Eastern societies and the fate of ex slaves in the cities It also reveals how the legacy of slavery underlies the current ethnic and regional conflicts in the Sudan in which thousands of people have died It will be vital reading for students of race relations and slavery colonialism and postcolonialism urbanization labor history and African and Middle Eastern studies

Slavery in the Sudan Asma Mohamed Abdel Halim, Mohamed Ibrahim Nugud, Sharon Barnes, 2013-08-20 This groundbreaking study offers a rare window into the history of slavery in the Sudan with particular attention to the relationships between slaves and masters Thoroughly documented it provides valuable context to current issues of global concern and combats persistent myths about African slavery Global Security Watch—Sudan Richard A. Lobban Jr., 2010-09-02 This book provides an overview of contemporary issues in Sudan Africa's largest nation examining the country's history and current scene to help readers develop a deeper understanding of how much Sudan matters in today's world With deep connections to the Sahel and savanna to the west the African world to the south the Horn of Africa to the east and the Middle East to the north Sudan is important strategically legally geopolitically and militarily but too often overlooked or underestimated Sudan the country of residence of Osama bin Laden for six years has played and will continue to play a significant role in worldwide security matters An analysis of the causes resolutions and implications of the ongoing Sudanese conflicts including the genocide in Darfur this book is essential reading for policymakers researchers and students alike This book considers Sudan's historical foundations examining how the agendas of countries to the south east and north have influenced Sudan's people and government The author also explains the origins and context of the Darfur conflict laying out possible steps toward a resolution Questions concerning Sudanese oil where is it how much is there to whom does it belong help focus any discussion of Sudan's emerging importance in the contemporary world Other issues such as the influence of Islamism or the Sudanese activities of the Arab League China or the African Union underline the uncertainties that confront the people of Sudan today West African Soldiers in Britain's Colonial Army (1860-1960) Timothy Stapleton, 2022 West

African Soldiers in Britain's Colonial Army 1860-1960 explores the history of Britain's West African colonial army based in Nigeria, Ghana, Sierra Leone and the Gambia, placing it within a broader social context and emphasizing as far as possible the experience of the ordinary soldier. The aim is not to describe the many battles and campaigns fought by this force but to look at the development of the West African colonial army as an institution over the course of about a century. In pursuing this goal, it is sometimes useful to employ the lens of military culture, defined differently by scholars but essentially meaning a set of shared ideas and behaviors that inform daily life in the military. While other locally recruited colonial militaries in Africa have attracted considerable attention from historians as they served as an essential pillar supporting European rule, this book represents the first comprehensive scholarly study of Britain's West African army, which was the largest such British-led force south of the Sahara. The study is based on extensive archival research conducted in nine archives located in five countries.

Contested Sudan Ibrahim Elnur, 2009-01-13 Since gaining independence in 1956, Sudan has endured a troubled history including the longest civil war in African history in Southern Sudan and more recent conflicts including the crisis in Darfur. This book explores this history of ensuing conflict and analyses the different attempts to achieve political and economic reconstruction.

Southern Sudan: Pt.1 V.1 Terje Tvedt, Kjell Hødnebo, 2004-08-27 This comprehensive bibliography presents researchers, consultants, planners, aid organizations and others with the most comprehensive overview of the literature on the Sudan. It covers all fields and disciplines and all types of literature. To facilitate ease of use, it is organized according to important topics of regional development, agriculture and pastoralism, anthropological, British and European colonialism, Christian mission and church-related studies, development issues, fisheries, health, pre-colonial history, language and language studies, natural sciences, politics, ethnic and religious strife, travel and geography, and water and climate.

Southern Sudan: V. 1&2 Terje Tvedt, 2004-08-27 This comprehensive bibliography presents researchers, consultants, planners, aid organizations and others with the most comprehensive overview of the literature on the Sudan. It covers all fields and disciplines and all types of literature. To facilitate ease of use, it is organized according to important topics of regional development, agriculture and pastoralism, anthropological, British and European colonialism, Christian mission and church-related studies, development issues, fisheries, health, pre-colonial history, language and language studies, natural sciences, politics, ethnic and religious strife, travel and geography, and water and climate. Volume two contains detailed reports produced by consultants, governments, NGOs and UN and International Aid Organizations. It also has an inventory of NGO and UN organizations working in the region and a chronology of events to put the bibliographical information in context.

Transforming Sudan Alden Young, 2018 This book traces the formation of the Sudanese state following the Second World War through a developmentalist ideology.
