Sleeping Late On Judgment Day Poems:

Sleeping Late on Judgment Day Jane Mayhall, 2009-03-12 My heart is bursting with homage as I head off to a hostile eternity writes Jane Mayhall now eighty five who wrote most of these poems in an urgent outpouring over the last few years From the decades outdated subway token in the bottom of her shoulder bag which calls forth earlier days in New York City to the violin her father practiced among the pantry s jam jars in her Kentucky childhood Mayhall plucks small treasures that bespeak her fierce devotion to life with its clutter of memories and imperfections In her tightly knotted beautifully turned short poems she elegizes a world not quite gone and brings us into contact with some of her contemporaries from Lincoln Kirstein to Theodore Roethke Chief among her cherished memories is her long bohemian marriage which she recalls in a series of ravishing love poems to her late husband In lines saturated with feeling she describes how she accommodates her grief at losing him and as throughout this exquisite volume how we must continue to greet life in all its gorgeous strangeness

The Anthology of Black Mountain College Poetry Blake Hobby, Alessandro Porco, Joseph Bathanti, 2025-02-05 Founded in 1933 near Asheville North Carolina Black Mountain College fostered experimentation and interdisciplinary learning placing the arts at the heart of its curriculum As such the college was home to and served as inspiration for many modern and postmodern American poets Some of them including Charles Olson Robert Creeley and Denise Levertov appeared in Donald Allen s groundbreaking New American Poetry anthology published in 1960 later becoming part of the American poetry canon However many writers affiliated with Black Mountain College have been overlooked The Anthology of Black Mountain College Poetry features over fifty poets selected with an expansive historical and critical lens including those not typically considered as poets such as composer John Cage architect Buckminster Fuller and visual artist Josef Albers Many years in the making this book presents the clearest picture of the poetry and poetics of Black Mountain College yet **The Kentucky Anthology** Wade Hall, 2005-11-11 Long before the official establishment of the Commonwealth intrepid pioneers ventured west of the Allegheny Mountains into an expansive alluring wilderness that they began to call Kentucky After blazing trails clearing plots and surviving innumerable challenges a few adventurers found time to pen celebratory tributes to their new homeland In the two centuries that followed many of the world s finest writers both native Kentuckians and visitors have paid homage to the Bluegrass State with the written word In The Kentucky Anthology acclaimed author and literary historian Wade Hall has assembled an unprecedented and comprehensive compilation of writings pertaining to Kentucky and its land people and culture Hall s introductions to each author frame both popular and lesser known selections in a historical context He examines the major cultural and political developments in the history of the Commonwealth finding both parallels and marked distinctions between Kentucky and the rest of the United States While honoring the heritage of Kentucky in all its glory Hall does not blithely turn away from the state s most troubling episodes and institutions such as racism slavery and war Hall also builds the argument bolstered by the strength and significance of the collected writings that

Kentucky's best writers compare favorably with the finest in the world. Many of the authors presented here remain universally renowned and beloved while others have faded into the tides of time waiting for rediscovery. Together they guide the reader on a literary tour of Kentucky from the mines to the rivers and from the deepest hollows to the highest peaks. The Kentucky Anthology traces the interests and aspirations, the achievements and failures, and the comedies and tragedies that have filled the lives of generations of Kentuckians. These diaries, letters, speeches, essays, poems, and stories bring history brilliantly to life. Jesse Stuart once wrote, "If these United States can be called a body, Kentucky can be called its heart." The Kentucky Anthology captures the rhythm and spirit of that heart in the words of its most remarkable chroniclers.

Love in the Second Act Alison Leslie Gold, 2006-01-19 Inspiring stories of individuals aged 46 to 97 who experienced a resurgence of passion in their lives when they least expected it. F. Scott Fitzgerald believed there are no second acts in American lives. Yet at least as far as love is concerned, the statistics indicate otherwise. These days more and more people are falling in love and embarking on deep and fulfilling romantic relationships in the later part of their lives. At a time when the specter of spending one's final years alone can seem only slightly less intimidating than Internet dating, the subjects profiled in this book tossed their hearts up in the air with the hope that love just might spring eternal. And just how different is the game at age seventy-five than it was at age twenty-five. This book forms an engaging meditation on the ways that love itself alters and matures as we grow older. Organized around the distinct and often surprising themes that emerged from Gold's conversations with lovers from all walks of life, love suddenly appearing out of the shadows following a determination to find it at whatever cost, second act relationships that represent 180-degree turns for the parties involved, a sense of finally coming home to the one you were meant to be with in the final stages of life. *Love in the Second Act* will remind anyone young or old that the quest for love is never ending.

Poet's Choice Edward Hirsch, 2006 A collection of revised and expanded writings culled from the author's popular Washington Post Book World Poet's Choice column demonstrates how poetry responds to world challenges and introduces the work of more than 130 writers.

New Art City Jed Perl, 2009-06-03 In this landmark work Jed Perl captures the excitement of a generation of legendary artists: Jackson Pollack, Joseph Cornell, Robert Rauschenberg, and Ellsworth Kelly among them, who came to New York mingled in its lofts and bars and revolutionized American art. In a continuously arresting narrative, Perl also portrays such less well-known figures as the galvanic teacher Hans Hofmann, the lyric expressionist Joan Mitchell, and the adventuresome realist Fairfield Porter, as well as the writers, critics, and patrons who rounded out the artists' world. Brilliantly describing the intellectual crosscurrents of the time as well as the genius of dozens of artists, *New Art City* is indispensable for lovers of modern art and culture.

Widows' Words Nan Bauer-Maglin, 2019-05-03 Becoming a widow is one of the most traumatic life events that a woman can experience. Yet as this remarkable new collection reveals, each woman responds to that trauma differently. Here, forty-three widows tell their stories in their own words. Some were widowed young, while others were married for decades. Some cared for their late partners

through long terminal illnesses while others lost their partners suddenly Some had male partners while others had female partners Yet each of these women faced the same basic dilemma how to go on living when a part of you is gone Widows Words is arranged chronologically starting with stories of women preparing for their partners deaths followed by the experiences of recent widows still reeling from their fresh loss and culminating in the accounts of women who lost their partners many years ago but still experience waves of grief Their accounts deal honestly with feelings of pain sorrow and despair and yet there are also powerful expressions of strength hope and even joy Whether you are a widow yourself or have simply experienced loss you will be sure to find something moving and profound in these diverse tales of mourning remembrance and resilience

The Art of Losing Kevin Young, 2013-05-05 Kevin Young has thoughtfully gathered many of these sorrowful perambulations and grievous plummets Billy Collins The Art of Losing is the first anthology of its kind delivering poetry with a purpose Editor Kevin Young has introduced and selected 150 devastatingly beautiful poems that embrace the pain and heartbreak of mourning Divided into five sections Reckoning Remembrance Rituals Recovery and Redemption with poems by some of our most beloved poets as well as the best of the current generation of poets The Art of Losing is the ideal gift for a loved one in a time of need and for use by therapists ministers rabbis and palliative care workers who tend to those who are experiencing loss Among the poets included Elizabeth Alexander W H Auden Amy Clampitt Billy Collins Emily Dickinson Louise Glück Ted Hughes Galway Kinnell Kenneth Koch Philip Larkin Li Young Lee Philip Levine Marianne Moore Sharon Olds Mary Oliver Robert Pinsky Adrienne Rich Theodore Roethke Anne Sexton Wallace Stevens Dylan Thomas Derek Walcott and James Wright

I Speak of the City Stephen Wolf, 2007 I Speak of the City is the most extensive collection of poems ever assembled about New York Beginning with an early piece by Jacob Steendam from when the city was called New Amsterdam and continuing through poems written in the aftermath of 9 11 this anthology features voices from more than a dozen countries It includes two Nobel Prize recipients fifteen Pulitzer Prize winners and many other recognizable names but it also preserves the work of long neglected poets who celebrate the wild possibilities and colossal achievements of this epic city Poets capture New York's major moments and transformations writing of Hudson's arrival Stuyvesant's prejudice and the city's astonishing growth and gentrification They speak of the thrills of a skyscraper's observation deck and the privations of teeming tenements They portray the immigrant experience at Ellis Island and the decay fear and unexpected kindness on a subway ride They take place on sidewalks bridges and docks in taxis buses and ferries and even within nature The Brooklyn Bridge Times Square Broadway the Statue of Liberty and other familiar landmarks are recast through the prism of individual experience yet still reflect the seeming invincibility of New York and its status as a cultural magnet for the freethinking and experimental While certain subjects and themes can be found in all urban verse poems about New York have their own restless rhythm and ever changing style much like the city itself Whether writing sonnets epics or experimental or imagistic verse each of these poets has been inspired by the marvels and madness

humor and heartbreak of an enduring city *The Complete Works: Short Stories, Novels, Plays, Poetry, Memoirs and more* Guy de Maupassant, 2024-01-07 Guy de Maupassant's *The Complete Works: Short Stories, Novels, Plays, Poetry, Memoirs and more* stands as a definitive anthology encapsulating the breadth of his literary genius. Within its pages, readers will encounter Maupassant's masterful narratives that often explore the intricacies of human emotion and the societal mores of 19th-century France. His sharp naturalistic style is marked by a keen eye for detail and a clear, unadorned prose that effortlessly draws readers into the existential dilemmas faced by his characters. Set against the backdrop of post-Francophonic realism, his tales range from the poignant to the grotesque, providing an unflinching examination of the human condition. Born in 1850 in the Normandy region of France, Maupassant was greatly influenced by his tumultuous upbringing and the social upheavals of his time, including the Franco-Prussian War. His personal experiences, not least his struggles with mental health, infused his works with a sense of authenticity and urgency. Maupassant studied under the tutelage of Flaubert, and his literary career quickly flourished with contemporaneous relevance that continues to resonate today. This comprehensive collection is essential reading for both seasoned literature enthusiasts and newcomers. It offers unparalleled insight into Maupassant's explorations of love, loss, and human folly, making it a vital addition to any literary library. Readers seeking to navigate the complexities of human nature will find within these pages not just stories but profound reflections that endure across generations.

An Offspring of Jo's Gospel Spoken Word Poetry Book Marcus Williams, 2019-04-02 My book is for all and especially for those who feel down and out. For those that need their spirit lifted, I write for those who feel there's no more hope, feel left out, who feel all alone by themselves, for those that can't rest at night from the lack of peace, I write what God gives me to say, praying that my words, my spoken word gospel poetry, will help save lost souls and bring smiles to those that are blessed to read what God has given me to share with them. It's about time, it's time to give our lives to Jesus. Because tomorrow is not promised to anyone. We must quit putting Jesus off because time can run out before we know it. I've been searching for Jesus, can anyone tell where I can find him? I'm trapped. I just want to let people know about a friend of mine that can bring love, joy, peace, and happiness to all. May God continue to be a beacon of light that will forever shine and show you the way. **Poetry, Allouma, and short stories**

Guy de Maupassant, 1909 *Matthew Arnold & His Poetry* Francis Bickley, 1911 **American Book Publishing Record**, 2003 *Rebirth and Renewal* Harold Bloom, Blake Hobby, 2009 Provides an examination of the use of rebirth and renewal in classic literary works **The Letters of Thom Gunn** Thom Gunn, 2022-05-24 *The Letters of Thom Gunn* presents the first complete portrait of the private life, reflections, and relationships of a maverick figure in the history of British and American poetry. I write about love, I write about friendship, remarked Thom Gunn. I find that they are absolutely intertwined. These core values permeate his correspondence with friends, family, lovers, and fellow poets, and they shed new light on one of the most singular and compelling poets in English during the past half-century. Hugh Haughton, *The Times Literary Supplement*. *The Letters of Thom Gunn*, edited by August Kleinzahler, Michael Nott, and Clive Wilmer, reveals the

evolution of Gunn's work and illuminates the fascinating life that informed his poems his struggle to come to terms with his mother's suicide settling in San Francisco and his complex relationship with England his changing relationship with his life partner Mike Kitay the LSD trips that led to his celebrated collection *Moly* 1971 and the deaths of friends from AIDS that inspired the powerful unsparing elegies of *The Man with Night Sweats* 1992 **Routledge Revivals: English Poetry in the Later Nineteenth Century (1933)** B. Ifor Evans, 2017-11-30 First published in 1933 this study which underwent revision in the 1960s is a comprehensive survey of the verse of English nineteenth century poets whose work appeared after 1860 A special feature is the full and critical treatment of minor writers In no other book is their work so carefully evaluated There is a full account of the minor Pre Raphaelites of James Thomson the poet of *The City of Dreadful Night* of Henry Stevenson and George MacDonald John Davidson is the subject of a long and revealing study Evans suggests that poetry from the late nineteenth century is neglected in scholarly study and that Victorian Romanticism deserves more attention than it has recently received *Scientific Discourse in John Donne's Eschatological Poetry* Ludmila Makuchowska, 2014-10-16 *Scientific Discourse in John Donne's Eschatological Poetry* offers a compelling critique of John Donne's religious and erotic poetry focusing on the intersection of two seemingly antithetical discourses the language of the scientific revolution and of Christian eschatology Throughout its three chapters which correspond to three scientific disciplines cartography physics and alchemy the volume examines the ways in which the references to early modern and medieval science in Donne's poetry contribute to conceptualizing the Christian mystery of death **Orality and Literacy in Early Middle English** Herbert Pilch, 1996 **Anthology of Poems** Gracienda Coutinho,
