sensitivity to a universe of forbidden love and sex between a man in his early twenties and a boy of six and a half years The boy's age is used like a leitmotif recurring on nearly every page of the poem as though to remind the reader of how unique the experience is whether between straight persons or gay Because of the critical age difference between manhood and childhood it is not just another love story It is an epic melodrama of passion love betrayal and cruelty that is related here in obsessive often hallucinatory poetry but more importantly it is all seen through the eyes of a child who is not only a victim as we might readily suppose but an aggressor as well Gay literature will never be the same after this book Daniel Sloate **An Angel's Christmas Tale** Karen Brantley,2024-08-26 An Angel's Christmas Tale is a unique Christmas story told about angels This beautifully illustrated fiction chapter book by Karen Brantley aka Ayasta is an exciting and quick read It is an inspirational read for children and anyone who loves Jesus angels and Christmas Follow our narrator and angel Stanna as she travels through time and space to tell the untold story of a young angel Amanda She adventures into the world following her parents when they leave with a heavenly host of angels to protect and assist Mary and Joseph with the birth of Jesus Amanda's life takes an incredible turn when she is kidnapped swooping her into the future and back into the past She meets many surprising characters good and evil From the Tree of Life to a willow tree Amanda meets a boy Brendon Connor and together they discover the true meaning of Christmas Wishes come true as Amanda joins her parents at the manger But how will Brendon Connor get back home This intriguing Christmas story is also now a screenplay Join us on Facebook and celebrate the miracle of Christmas with us **The unnamed child** Adael Hazan,2019-08-23 First book of a mystical epic written in the form of a story which describes the extraordinary journey of the soul A child without a name that will become Akula a town that is destroyed by four calamities a magic flute a journey towards the Unknown in which Akula will discover the secrets of the Universe and will know himself *Boys of the Night* Darryl Wade,2002-11 **The Ultimate Guide to Celebrating Kids** Linda LaTourelle,2004-05 A collection of poems quotes and titles to celebrate the younger child on cards scrapbooks and creative projects **Beep Beep: On being a john** Henri Molineaux,2021-07-30 The author examines the controversial subject of the relationship between prostitutes and their customers from a different perspective from that of the john This book tells of how and why explorations lead to adventures that lead to drastic changes The telling is raw and vivid as the women conduct their business and the man ventures into their anomie world of sex drugs violence and homelessness As we dip into the lives of the women he dates the narrator's own troubled mind and history are revealed The buyer of the sex for hire service repeatedly follows his nature as he seeks to find love and romance there instead The otherwise intelligent and resilient man recognizes the folly in that and comes to think of these encounters as fantasy adventures separate and apart from the reality of his everyday life But he finds it increasingly difficult to keep fantasy separate from reality while the torment that ever permeates his being remains and travels with him as he ventures from one realm to the other The reader must always read between the lines to understand things that the narrator does not yet realize **A Selection from the**
