Sleepy Me:

Sleepy Stories Mario Levrero, 2021-07-06 A buoyant account of the nightly tug of war between a sleepy father and his son and the richly imaginative sleepy stories they create Each story told in *Sleepy Stories* drifts deeper into a beguiling dream world telling of an elastic gentleman who stretches his body across town to effortlessly slip into bed or of another sleepy young man who curls inside an upside down umbrella to take a snooze In Diego Bianki's magical universe the waking world is made small a French press and a red top hat shrink before our eyes while the dream world Levrero and his son Nicol's build together a land of sly frogs giant apes and smiling squids waltzes across the page On the last of Bianki's whimsical illustrations Nicol's holds the book over his father's nodding head and says Another This is a book to giggle with and curl up with to take on every sleepy adventure

Make Me Whole (An M/M Romance) S.E. Loveless, I took him in I helped to heal him But it was he who made me whole Dan and I were friends from work I never thought anything romantic could blossom between us We went to the movies as friends never as dates We went hiking together as friends never as a couple I knew I was missing something in my life I just didn't know what Or who Until one fateful hike Dan slipped and broke his leg I did the best I could administered what first aid I could and together we made it to the hospital But he was going to be immobile for a while and he needed someone to take care of him I volunteered I wanted to help my good friend heal I took him into my home And suddenly my life felt so much more complete as though until now I was not whole just one part But I don't know how Dan feels All I know is that I'll take care of him I'll help him heal I never expected that it would be him who made me feel whole I never expected that in his own way he would heal me

Conversations with my Son TerryAnn Fisher and Troy Michaels, 2010-07-13

A READER REVIEW AWESOME That is the only way I can describe your book, but I have to explain. It was hard to put down. I did not cry all the way through, either. There were times the tears welled up, but I did not need the box of Kleenex. I did not find it depressing, either. You were so very lucky to have that precious time. I do not get books often that hold me like this one. It was very well written. I hope that is a compliment, since I'm not a critic. Even though I knew what the end was going to be, the suspense was still there. I can't explain it, but it was like the book had a hold on me. I could visualize the house, even though I have never been there, including the cow in the yard. I could even visualize your husband leaving for work and just being there. Troy's image changed as he got sicker. I wish I would have known Troy. It would have been an honor. To care for a terminally ill person is a commitment, and one you never forget. But it does make you reflect on the good times shared. I can go on and on, but to sum it up, it is a GREAT book. I think everyone should read it.

The Silent Places Skyla Dawn Cameron, 2025-06-14

It's been nearly a year since Imogen Sharp's husband Nick went missing, and a year of everyone in the Yukon village of Red Fox Lake whispering that she killed him. With interest in the case rising again as the anniversary of his disappearance approaches, a journalist comes to town and sparks new rumours. Did Nick take his own life without leaving a note? Did he leave of his own volition? Or did his widow have something to do with it, as everyone believes? When the story reaches national news and Imogen's photo is plastered everywhere, something darker than local rumours comes to her door. Because five years ago, Imogen Sharp didn't exist, and now even the most remote place in Canada can no longer be her refuge.

The Syntax of Old Norse Jan Terje Faarlund, 2004-09-30

This is the first account of Old Norse syntax for almost a hundred years, and the first ever in a non-Scandinavian language. The language of the Vikings and of the Old Icelandic sagas is the best-documented medieval Germanic language; the author presents a full analysis of its syntax and overviews of its phonology and morphology. He includes a complete bibliography of Old Norse syntax.
