Sin and Repentance of the End Times Archim. Lazar (Abashidze), Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> The train is our life lived in artificial conditions devoid of any living breath and true joy fenced off by various kinds of soft and hard partitions and double frames from the world of God We look at this world through glass admire its beauty but we preferred it to cramped plastic cabins foam rubber beds suitcases bales shaking to the silly grumbling of the radio And so just as for the completeness of reality a flat picture lacked spatial depth and this space itself would lack the passage of time so for all this world around us with all its beauty and wealth with all our many deeds searches in it requires one more dimension one direction movement one more essential depth this is the entry into the spiritual world the approach to God the union with Him by grace Without this deepening or rather elevation in the degrees of spirituality our life remains the same flat bright picture without space for life one dream Without this ascent into another world our being is just a frozen dead space devoid of life like a motionless sculpture again one illusion again just a landscape running through the glass at which we gaze with boredom from the cramped compartment of a passenger carriage A Christian does not quickly and easily achieve true love for God Here is what Saint Bishop Ignatius says about this Quite often we begin to serve God by means of such a method that is contrary to the ordinance of God forbidden by God which brings harm to our souls not good So some having read in the Holy Scriptures that love is the highest of virtues that it is God they begin and intensify immediately to develop in their hearts the feeling of love by them to dissolve their prayers divine contemplation all their actions God turns away from this unclean sacrifice It requires love from a person but true spiritual holy love not dreamy carnal defiled by pride and voluptuousness It is impossible to love God otherwise than with a heart purified and sanctified by Divine grace Love for God is a gift from God it is poured into the souls of God's true servants by the action of the Holy Spirit On the contrary that love which belongs to our natural properties is in sinful damage that encompasses the entire human race the entire being of every person all the properties of every person A Prayer to St Bishop Ignatius O Lord Grant us to see our sins so that our mind drawn fully to the attention of our own faults ceases to see the faults of our neighbors and would thus see all our neighbors as good Grant us to behold in the light of Thy Grace the various ailments living in us which destroy the spiritual movements in the heart and introduce into it blood and carnal movements hostile to the Kingdom of God Grant us the great gift of repentance preceded and born of the great gift of the seeing of our sins Protect us with these great gifts from the abysses of self delusion which opens in the soul from its unnoticed and incomprehensible sinfulness and is born of the action of voluptuousness and vanity the soul does not notice and does not understand Preserve us with these great gifts on our way to You and grant us to reach You who calls on sinners who are aware of being such and rejects those who recognize themselves

THE HARSH LANE Thomas Appleby,2012-08 This book is intended to make any reader firstly laugh then in no particular order flinch be jealous feel sick feel sorry angry and disgusted or just plain sad This is the original story of nobodies but the type of people a lot of people can relate to to some degree Events are sometimes in random order due to the author s sometimes random memory The main dilemma in writing a warts n all book is whilst it s fine to do so if you are famous on the other hand when even your wife can barely remember who you are it s a bit different Basically who gives a shit But going with the old clich Everyone has a book in them here s mine It is a book of many contrasts wild and excessive and funny to some but at some points it is balanced out with the tales of the complete opposite about family heartbreak and loss and has some pretty morbid moments I must admit but this is generally about the knowledge that you gain in this life I can t say I have learned completely yet who does But I m getting there and if I don t who really gives a toss anyway I didn t invent Penicillin or The Wheel or even American Idol I m just a regular guy in some respects There is a great quote out there which that wholeheartedly sums up my philosophy towards life Live as if you ll die tomorrow Dream as if you ll live forever There is also a historical element to some of the recollections relating to people and places just to try to make me look a bit more clever if possible well I need something As for writing about real life as a musician formerly I now understand when a band says you have your have the first part of your life to write your first album it s the same with writing about real life all your own experiences are exhausted after that As anyone who knows me I m one of the worst liars in the universe imagination I m crap at I do prefer real life So I won t be forging a career in Fiction anytime soon Anyway it s all academic I ll probably get banned from writing books ever again if anybody ever reads this Names have been changed to protect the slightly guilty the guilty and the really guilty I hope I ve not dropped anyone in this too much There are certain stories which I cannot and will not write about too sensitive for some people I know and are frankly a bit too harsh for this book and that s saying something
