Speak Business English Like an American Amy Gillett, 2006 CD and book designed to teach idioms and expressions used in the American business world *Speak English like an american* Amy Gillett, 2005-12 **Speak English Like an American for Native Chinese Speakers** Amy Gillett, 2008-07 If you re a native Chinese speaker wanting to improve your conversational English this book and audio CD set is for you What s the secret to speaking English better It s mastery of those tricky idioms and phrases that are so common in English And learning these idioms and phrases will not only help you speak better it ll help you understand Americans better In this course you ll join an American family as they go about their day to day lives Along the way you will master over 300 of today s most common English idioms and expressions All idioms are defined in both English and Chinese Discover why thousands of students from around the world are turning to Speak English Like an American to improve their everyday English skills this book CD sets is a fun and effective way to improve your English *Speak English Like an American: Learn the Idioms & Expressions That Will Help You Speak Like a Native!* Amy Gillett, 2004 **Speak English Fluently Like a Native American in Just One Week** Shuchi Mishra, 2018-11-04 Book Description In this book I am talking about how to speak like a Native American in just one week short and simple Therefore if you wish to speak clear and confident English like an American even without visiting the United States you ll be able to achieve this by following the simple steps that are explained in detail in this book The goal of this book is for you to be understood and confident while you speak You have spent years and years studying and practicing the English language You are fluent in English but if your pronunciation is unclear then your message will not be heard or understood For you to be effective in your English pronunciation you must learn to speak English in a way that others will easily understand you I

firmly believe that anyone can learn to use fluent English pronunciation no matter your age or whether you live in the United States or in another country If you follow this book step by step you will be able to speak like a native American These days English is taught increasingly as an international language To use English as an international language the only real issues are those that affect intelligibility The important thing is to be able to communicate with others be they native or non native speakers Everybody has an accent although if you think that a person doesn't have an accent this could be because they have the same accent as you A person's accent is part of their history and their identity If you are working for any US client you might be in trouble if you don't speak like a native American American accent is the most popular accent in the world Spread around the world by American cinema music television etc this is the easiest accent for most people to understand whether native speakers or non native speakers This is understood by most people worldwide Most people expect to hear the accent they're familiar with Anything else stands out Speak English Like A Native American Will Help You in your career advancement look more professional boost your career tremendously Who This Book Is For If you are in the management role English clearly is important so that you don't feel hesitant to speak up or ask questions Otherwise you will feel like a bit of a second class citizen if you don't have a good accent If you are managing international meetings and need to be understood by a lot of different nationalities in the meetings If you are misunderstood by people around you and it's frustrating to have to repeat yourself again and again If you want to move to Australia England the U S This book will take your English to the next level You can start real conversations with native English speakers You have studied English for years and yet you still do not speak well When you speak English you make grammar mistakes Your pronunciation is not clear Worst of all you feel nervous and shy when you try to speak English You read English well but after all these years you still cannot speak well The problem is we learn traditional grammar in schools colleges With traditional grammar you can become a good writer but not a good fluent speaker You can read but still you feel shy to speak English English is not just a list of words and grammar rules Speaking fluent English is usually just about knowing the right thing to say in any given situation This book will tell you how to feel stronger calmer and more powerful when speaking English You may find it difficult to learn and speak English in the absence of right guidance This book provides a blueprint to practice everyday conversation Is it possible to learn a new language Can it be possible for you to speak like a true native American Of course the answer is yes And I will show you how enjoy

Speak Better Business English and Make More Money Amy Gillett, 2010-06-25 Talk English Ken Xiao, 2015-12-28 You have studied English for years yet you still don't speak English well You have tried many methods and you still make grammar mistakes you still can't speak English fluently and you still can't pronounce English words correctly You can read but you feel nervous to speak English or too shy to speak English The good news is this is very normal You have simply used ineffective methods to learn to speak English My name is Ken Xiao I was in your situation before but now I can speak English like a native and I accomplished that in six months I'm going to teach you how to completely get rid of your

accent and develop an American or British accent to speak English just like a native speaker and I ll teach you how to accomplish that in just six months In this book you ll learn How to speak like a native in six months or less How to do that effortlessly on a busy schedule How to speak English without translating it first How to learn grammar without memorizing grammar rules How to build a vocabulary that lasts How to make you pronounce English words like native American or native British How to speak English fluently correctly and naturally just like a native And more to make you speak English like a native speaker THIS is the book every English learner NEEDS to read Crystal F Canada I will recommend to my friends with broken English because I think your book is very helpful for me and other people like me to learn speak fluent English Thank you so much Farah A Iran There are so many books specifically help books out on the market that one can get so overwhelmed This book catering to the English language fluency is such a great book that there is no need to even scratch your head over the others Leona Y Czech Republic You have studied English for years yet you still can t speak English well The reason is simple The methods you used were ineffective Change your way of learning now Learn from a successful person who was in your situation before and is getting the result you want You can succeed by simply doing what I have done before Effortlessly follow the step by step instructions in the book to achieve the highest level of fluency to make you speak English like a native speaker Including one lesson with free audio and video **The Galaxy** William Conant Church,1870
