

A photograph of a desert landscape. A paved road with double yellow lines runs from the bottom center towards the horizon. The road is flanked by sandy dunes and sparse, low-lying desert vegetation. The sky is a clear, pale blue. A large, semi-transparent red rectangular box is superimposed over the upper middle of the image, containing white text. Below the red box, centered on the road, is a small black rectangular box containing white text.

Hunter, 1936 **The sense of early modern writing** Mark Robson, 2018-09-30 In The sense of Early Modern writing Mark Robson pursues the relation between the concept of the early modern and modernity tracing the complex interactions of post Romantic philosophical aesthetics and early modern rhetoric and poetics The book therefore questions the status of what we now think of as literary texts in a period prior to the emergence of literature as a category In this way Robson argues for an attention to the classical notion of aisthesis that is for the crucial dimension of perception and response in reading and thinking and its rhetorical determination to be taken into account Robson's theoretically informed approach drawing in particular on the work of Jacques Derrida and Paul de Man fundamentally challenges the idea that critical theory is of little relevance in the reading of early modern texts The sense of Early Modern writing includes readings of both familiar and unfamiliar texts by Shakespeare Sidney Jonson Hester Pulter and others and considers topics such as ears eyes tongues hands and voices in order to ask How should we read early modern texts The book will therefore be of interest to all students and researchers in early modern or Renaissance studies as well as to those thinking through the

 events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a
 unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and
 the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of
 Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also
 real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the
 ears of spiritual seekers In Volume I of the 10 volume collected works of the Ante Nicenes first published between 1885 and
