21 | 19 Alexandra Manglis,Kristen Case,2019-08-13 Essays on the modern relevance of Thoreau Whitman Dickinson and more suggest the ways poetry might be both agitator and balm in times of social crisis Poets Writers The nineteenth century is often viewed as a golden age of American literature a historical moment when national identity was emergent and ideals such as freedom democracy and individual agency were promising even if belied in reality by violence and hypocrisy The writers of this American Renaissance Thoreau Fuller Whitman Emerson and Dickinson among many others produced a body of work that has been both celebrated and contested by following generations As the twenty first century unfolds in a United States characterized by deep divisions diminished democracy and dramatic transformation of identities the editors of this singular book approached a dozen North American poets asking them to engage with texts by their predecessors in a manner that avoids both aloofness from the past and too easy elegy The resulting essays delving into topics including race and gun violence dwell provocatively on the border between the lyrical and the scholarly casting fresh critical light on the golden age of American literature and exploring a handful of texts not commonly included in its canon A polyvocal collection that reflects the complexity of the cross temporal encounter it enacts

Cajun Literature and Cajun Collective Memory Mathilde Köstler,2022-12-19 How does Cajun literature emerging in the 1980s represent the dynamic processes of remembering in Cajun culture Known for its hybrid constitution and deeply ingrained oral traditions Cajun culture provides an ideal testing ground for investigating the collective memory of a group In particular francophone and anglophone Cajun texts by such writers as Jean Arceneaux Tim Gautreaux Jeanne Castille Zachary Richard Ron Thibodeaux Darrell Bourque and Kirby Jambon reveal not only a shift from an oral to a written tradition They also show hybrid perspectives on the Cajun collective memory Based on recurring references to place the texts also reflect on the Acadian past and reveal the innate
