Carr, 2005-03-10 This book explores a new model for the production revision and reception of Biblical texts as Scripture Building on recent studies of the oral written interface in medieval Greco Roman and ancient Near Eastern contexts David Carr argues that in ancient Israel Biblical texts and other texts emerged as a support for an educational process in which written and oral dimensions were integrally intertwined The point was not incising and reading texts on parchment or papyrus The point was to enculturate ancient Israelites particularly Israelite elites by training them to memorize and recite a wide range of traditional literature that was seen as the cultural bedrock of the people narrative prophecy prayer and wisdom **Diary of Heart** K. Family Secrets and Hidden Selves in the Work of Charlotte Mendelson* Elisa Valerie Thieme, 2015-02-18 Master's Thesis from the year 2015 in the subject Didactics for the subject English Literature Works grade 1-7 Johannes Gutenberg University Mainz DEL course British Studies language English abstract An analysis of genesis of Mendelson's writing with particular focus on her British Jewish background So far the British Jewish novelist Charlotte Mendelson has published four books namely Love in Idleness 2001 Daughters of Jerusalem 2003 When We Were Bad 2007 and Almost English 2013 which could all be typified as intercultural coming of age novels The main source of inspiration appears to be Mendelson's own multi-ethnic background She was born in London in 1972 and grew up in St John's College Oxford where her father taught public international law But even though she is English born and has a Cockney grandfather Mendelson identifies herself as not in the least English since her paternal grandmother stemmed from Latvia and Poland qtd in Westbrook and her maternal grandparents were Hungarian speaking Czech Ruthenian for about 10 minutes and also somewhat Carpathian mountainy qtd in Edemariam and came to England with the last train out of Prague Mendelson fleeing from the Nazis as Jewish refugees cf Mendelson Especially her maternal grandparents are a lasting inspiration for Mendelson Her Hungarian side is the side she likes showing off the most qtd in Westbrook and is repeatedly referred to in interviews Her hybrid background has enabled Mendelson to become an essentially diasporic writer Cheyette Diaspora and Multiculturalism 54 When reading Mendelson's novels in chronological order it seems as if her writing has undergone some development Recurring topics and tropes such as living in a supposedly cryptic family microcosm and the difficulties of finding one's identity in circumstances that resemble

exile are condensed deepened and shaped into more complex versions Hence her work seems to display a form of literary genesis with the latest publication the Booker nominated AE the climax of Mendelson s oeuvre so far True to the notion that a Jewish writer is not necessarily one who charts the word Jew in his writings but the one for whom the word Jew is contained in all the words of the dictionary Jab s qtd in Brauner 185 Mendelson repeatedly uses themes which are very characteristic in Jewish writing including problems in identity formation feeling left out and suffering from unspoken truths about the experiences of ancestors related to the Holocaust
