Below you will find different types of information about the death penalty in the USA. Interpret and discuss the information and facts.

Definition

Capital punishment or the death penalty is a legal process whereby a person is put to death by the state as a punishment for a crime. The public often think execution is provided as the means to a death sentence, while the actual enforcement is an execution. Crimes that can result in a death penalty are known as capital crimes or capital offences. The term capital originates from the Latin capitalis, literally "regarding the head" (referring to execution by beheading).
