Speaking Up:

Speaking Up in a Culture of Silence David Naylor, 2022-08-22 We know we should speak up and question what is being taken as normal in our work cultures to notice and call out bad behaviour and resist being silenced This book is a guide to what it takes to do this in a way that doesn't expose you to the countermeasures of people who do not like being questioned What is explored through case studies and personal experience are ideas about how to resist being silenced at work where there are competing demands on your time and energy and where people have learnt to tolerate bad and uncivil behaviours just to get the work done There are no magic solutions or calls for decisive action Just some modest ideas about what can help you hold onto your voice and your thinking so that when the time is right you can say something that just may help keep us all a bit safer

Speaking Up Anne Proffitt Dupre, 2010-05-01 Just how much freedom of speech should high school students have Does giving children and adolescents a far reaching right of expression without joining it to responsibility ultimately result in an asylum that is run by its inmates Since the late 1960s the United States Supreme Court has struggled to clarify the contours of constitutionally guaranteed freedom of speech rights for students But as this thought provoking book contends these court opinions have pitted students and their litigious parents against schools while undermining the schools necessary disciplinary authority In a clear and lively style sprinkled with wry humor Anne Proffitt Dupre examines the way courts have wrestled with student expression in school These fascinating cases deal with political protest speech codes student newspapers book banning in school libraries and the long standing struggle over school prayer Dupre also devotes an entire chapter to teacher speech rights In the final chapter on the 2007 *Bong Hits 4 Jesus* case she asks what many people probably wondered when the Supreme Court gave teenagers the right to wear black armbands in school to protest the Vietnam War just how far does this right go Did the Court also give students who just wanted to provoke their principal the right to post signs advocating drug use Each chapter is full of insight into famous decisions and the inner workings of the courts *Speaking Up* offers eye opening history for students teachers lawyers and parents seeking to understand how the law attempts to balance order and freedom in schools

Speaking up and Speaking Out Thomas L. Hughes, 2013-08-22 2014 will be the 50th anniversary of the landslide victory of Lyndon Johnson and Hubert Humphrey in the 1964 election This collection of speeches by my husband Thomas L Hughes displays one privileged insider's unusual role during LBJ's five years in office The political courage and literary merit of these speeches were highly praised the time Their targeted distribution usually carried a not for publication restriction Together they cover a variety of significant foreign policy topics from the 1964-69 years After graduating from Carleton College Oxford University and Yale Law School Tom served as Senator Humphrey's Legislative Counsel in the Senate from 1955-59 when Johnson was Majority Leader President Kennedy appointed him Director of Intelligence and Research in the State Department and he remained in that position until the summer of 1969 In fact Dean Rusk and Tom were the only presidential appointees to serve at State from the first day of Kennedy's administration to the last day of Johnson's Because of his long Humphrey association Tom was also regarded by many as the Vice President's man in the State Department Thus some of these speech themes were inevitably perceived rightly or wrongly as examples of what the Vice President himself might be thinking if he were not obliged to toe the official line on controversial issues like Vietnam China and Latin America What is unique about the speeches is that their various themes were topics deliberately chosen to influence policymakers inside the government as well as observers outside hence Speaking Up and Speaking Out
