Speaking in Tongues Felicitas D. Goodman, 2008-04-15 Speaking in tongues or glossolalia is practiced in many different religions around the world. Dismissed as meaningless gibberish by some observers, it has been the subject of only a few fragmentary studies. The work of Felicitas D. Goodman represents the first cross-cultural analysis of this enigmatic behavior.

and she brings to her research an extensive background in linguistics and anthropology Dr Goodman s fieldwork included living with apostolic congregations in Mexico City in the Yucatan with Maya Indians and visits with a congregation in Hammond Indiana Her observations were preserved on a remarkable collection of sound recordings and films For this book she presents a selection of conversion stories that highlights the personality structure and experiences of the speakers A detailed analysis of the phonological and suprasegmental features of the recorded utterances show a surprising cross cultural agreement This led Goodman to believe that glossolalists speak the way they do because their speech behavior is modified in a particular mental state often termed trance into which they place themselves In this light the glossolalia utterance is seen as an artifact of a hyperaroused mental state or in Chomskyan terms as the surface structure of a nonlinguistic deep structure that of the altered state of consciousness Goodman describes the hyperaroused mental state as a neurophysiological phenomenon as well as the associated patterns of movement and the problems of waking from it Goodman s diachronic approach yielded equally surprising data about the changes and the waning of the behavior over time But as she observes we have barely touched the edge of a very large area of inquiry Her fascinating study opens a number of new avenues of research for anthropologists such as the study of physiological states accompanying linguistic and ritual behavior

Audacity of Speaking in Tongues Oppong Kyekyeku,2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus s prophecy Peter couldn t ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told

Speaking in Tongues: A Critical Historical Examination Philip E. Blosser,Charles A. Sullivan,2022-09-16 In three carefully researched volumes this ground breaking study examines the gift of tongues through 2 000 years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church s perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a foreign liturgical language Hebrew or Aramaic requiring bilingual interpreters In the first volume the authors establish that modern glossolalia far from being a supernatural gift enjoyed by certain believers since the

time of Pentecost and undergoing a resurgence in modern times has no precedent in church life prior to the nineteenth century. They discuss why German theologians responding to the Irvingite revival coined the term glossolalia in the 1830s, why Pentecostals between 1906-8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God instead of foreign languages useful for evangelism, why Protestant cessationists believed miraculous tongues had ceased, and why interpolated idioms like unknown tongues in Protestant Bibles were aimed originally at Rome's use of Latin.

The Gift of Speaking in Tongues Claire Robin, 2020-07-25. What do you know about speaking in tongues? A lot has been said about speaking in tongues, one of the most misunderstood and rarely used gifts in all Christianity. A huge percentage of Christians don't understand WHY they should speak in tongues. The rest don't think they have it in them to speak in tongues. Some Christians don't even believe in the gift of speaking in tongues. They are still stuck with the question: speaking in tongues really for me? The answer is a simple one: speaking in tongues is for every Christian filled with the Holy Spirit. Many Christians have received the gift of speaking in tongues, which has helped stimulate their faith, get their prayers answered, multiply God's love and power in their lives, and helped them receive healing and victory in their endeavors. For others, receiving the Holy Spirit's gift isn't the most exciting thing for them in today's world, but it is one of the most important gifts you can receive as a Christian today. You may be okay with the occasional prayers you say in the morning, at night, and in between your daily schedules. But when you really need to activate and pray from your spirit and not from your understanding, you realize that you can't. And what's a poor Christian like you to do? Here's what you shouldn't do: You shouldn't stop trying to receive the gift, that's why I have written this book to help you with one thing: receive the gift of speaking in tongues. This book explores various topics on how you can receive this gift, including: How to Pray in Tongues at Will. You will learn: What the Bible says about speaking in tongues; Being Saved and Being Filled with The Holy Spirit; Quality Prayer Points to Bring Up to Start Speaking in Tongues; The Basic Requirement for Speaking in Tongues; The Significance of the Manifestation of the Holy Spirit; How to Obtain the Holy Spirit and the Power to Speak in Tongues; How to Get Ready for the Baptism of the Holy Spirit; Speaking in Tongues and Staying with The Grace; How to Pray in Tongues at Will. If some or even all of the above are hindering you from claiming the gift the Holy Spirit is willing to give you today, then you should immerse yourself in the Heavenly nuggets you will find scattered in this book to help you unlock and have access to your gift.
