## **Speaking In Tongues Poetry By Linguists:**

**Speaking in Tongues** Bradley R. Strahan, Donna Jo Napoli, Emily Norwood Rando, 1994     The Cambridge Companion to the Poem Sean Pryor, 2024-06-06 What is a poem What ideas about the poem as such shape how readers and audiences encounter individual poems To explore these questions the first section of this Companion addresses key conceptual issues from singularity and genre to the poem's historical exchanges with the song and the novel The second section turns to issues of form focusing on voice rhythm image sound diction and style The third section considers the poem's social and cultural lives It examines the poem in the archive and in the digital sphere as well as in relation to decolonization and global capitalism The chapters in this volume range across both canonical and non canonical poems poems from the past and the present and poems by a diverse set of poets This book will be a key resource for students and scholars studying the poem

**Russian and American Poetry of Experiment** Vladimir Feshchenko, 2023-07-17 An experiment with language Is it an object cultivated in poetic laboratories where entry is locked for mere mortals And what do language scholars think about it Specialists in language and literature studies interested in linguistic innovation and experimental poetry will find answers to these questions in Vladimir Feshchenko's book The study investigates various strategies of radical linguistic creativity in Russian and American experimental writing of the 20th century and explores cases of contemporary language oriented and trans language poetry It is a comparative examination of two national avant garde cultures but also a juxtaposition of the relationships that Russian and American avant garde poetics had with linguistic ideas of their times The monograph may serve as a wonderful introduction to the entire field of linguistic poetics of the avant garde     *Charismatic Glossolalia* Mark J. Cartledge, 2017-05-15 What is the nature and function of the Pentecostal Charismatic gift of speaking in tongues

*Charismatic Glossolalia* aims to answer this question Drawing on detailed observations and interviews with people who themselves speak in tongues as well as survey data Cartledge presents explanations on the meaning of this gift for both the participants and their churches Cartledge argues that an understanding of the gift of speaking in tongues emerges as a symbol of divine human encounter especially associated with the context of prayer and worship and symbolising a sense of beauty awe power intimacy and faith building In theological terms speaking in tongues may be described as trinitarian sacramental and as demonstrating an important feature of the Kingdom of God An extensive literature review considers material from the New Testament Pentecostal and Charismatic theology and the behavioural and social sciences This book offers a unique contribution to Pentecostal and Charismatic scholarship as well as the emerging scholarly tradition of Practical Theology     **Contemporary Poetry** Nerys Williams, 2011-04-06 Discussing the work of more than 60 poets from the US UK Ireland Australia New Zealand and the Caribbean Nerys Williams guides students through the key ideas and movements in the study of poetry today

**The Linguistic Moment** Joseph Hillis Miller, 2014-07-14 This series of readings explores the functioning of moments in poems when the medium language becomes an issue Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*The Princeton Encyclopedia of Poetry and Poetics* Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, 2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades The Princeton Encyclopedia of Poetry and Poetics has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new

team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time

**Literature and the Senses** Annette Kern-Stähler, Elizabeth Robertson, 2023 This collection of essays breaks new ground in the field of sensory studies Organized around the five traditional senses followed by a section on multisensoriality the collection facilitates a dialogue between scholars working on literature written from the Middle Ages to the present day

**Psychology of Religion** Jacob A. van Belzen, 2012-01-14 In the past four decades or so the so called psychology of religion after having been deemed extinct impossible or unlikely has risen to prominence again the number of publications is rapidly growing an impressive secondary literature handbooks introductions etc is available already infrastructure has been developed a number of new journals devoted to the subject have been founded organizations have been established increasingly funding is going to the area attracting many new researchers Organizations like the American Psychological Association are now publishing in the field of psychology of religion and its Div 36 psych of rel with almost 3 000 members is already mid-sized among the APA divisions This book documents this re emergence and development

**Macmillan's Magazine** , 1887 *Language and Globalization* Maryam Borjian, 2017 Questions for Discussion Author Profile References Index [Language Through the Looking Glass](#) Marina Yaguello, 1998 To play with language is to break its rules disrupt its patterns exploit its weak points Thus paradoxically puns and spoonerisms neologisms and slogans reveal and highlight the patterns to which discourse conforms patterns which reflect the linguistic competence of language speakers Only those who have linguistics competence can play with it thus language games and the poetic use of language are underpinned by unconscious use of linguistic analysis Using Lewis Carroll's Alice as a starting point Marina Yaguello takes the reader on an unconventional voyage around language charting the major themes of linguistics on the way She shows that we can come to an understanding of language in general and of particular languages through exploring the devices of humour word games and poetry devices which reveal the unconscious linguist in all of us The result is an entertaining but rigorous introduction to language and linguistics for non specialists and students alike

**Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2009

**Library of Congress Subject Headings** Library of Congress, 2005      **Hölderlin's Dionysiac Poetry** Lucas

Murrey, 2014-12-08 This book casts new light on the work of the German poet Friedrich Hölderlin 1770-1843 and his translations of Greek tragedy. It shows Hölderlin's poetry is unique within Western literature and art as it retrieves the socio-politics of a Dionysiac space-time and language to challenge the estrangement of humans from nature and one another. In this book, author Lucas Murrey presents a new picture of ancient Greece, noting that money emerged and rapidly developed there in the sixth century B.C. This act of monetization brought with it a concept of tragedy: money tyrants struggling against the forces of earth and community who succumb to individual isolation, blindness, and death. As Murrey points out, Hölderlin unconsciously retrieves the battle between money, nature, and community and creatively applies its lessons to our time. But Hölderlin's poetry not only adapts tragedy to question the unlimited machine process of a clever race of money tyrants; it also draws attention to Greece's warnings about the mortal danger of the eyes in myth, cult, and theatre. This monograph thus introduces an urgently needed vision, not only of Hölderlin's hymns but also the relevance of disciplines as diverse as Literary Studies, Philosophy, Psychology, Psychoanalysis, as well as Religious and Visual Media Studies to our present predicament, where a dangerous visual culture through its support of the unlimitedness of money is harming our relation to nature and one another. Here triumphs a temperament guided by ancient religion and that excavates in Hölderlin's translations the central god Dionysus of Greek tragedy. Lucas Murrey shares with his subject Hölderlin a vision of the Greeks as bringing something vitally important into our poor world, a vision of which few classical scholars are now capable. Richard Seaford, author of *Money and the Early Greek Mind and Dionysus*: Here triumphs a temperament guided by ancient religion and that excavates in Hölderlin's translations the central god Dionysus of Greek tragedy. Bernhard B. Schenkein, author of *Frucht des Gewitters*: Zu Hölderlins Dionysos als Gott der Revolution and Paul Celan, *Der Meridian*. Lucas Murrey takes the god of tragedy Dionysus finally serious as a manifestation of the ecstatic scream of liberation and visual strategies of dissolution; he pleasantly portrays Hölderlin's idiosyncratic poetic sympathy. Anton Bierl, author of *Der Chor in der Alten Komödie*. Ritual and Performativität Hölderlin most surely deserved such a book. Jean-François Kervégan, author of *Que faire de Carl Schmitt*: fascinating material. Noam Chomsky, author of *Media Control and Nuclear War and Environmental Catastrophe*. *Science, Language, and Reform in Victorian Poetry* Barbara Barrow, 2019-05-29 Barrow's timely book is the first to examine the link between Victorian poetry, the study of language, and political reform. Focusing on a range of literary, scientific, and political texts, Barrow demonstrates that nineteenth-century debates about language played a key role in shaping emergent ideas about popular sovereignty. While Victorian scientists studied the origins of speech, the history of dialects, and the barrier between human and animal language, poets such as Elizabeth Barrett Browning, Alfred Tennyson, and Thomas Hardy drew on this research to explore social unrest, the expansion of the electorate, and the ever-widening boundaries of empire. *Science, Language, and Reform in Victorian Poetry* recovers unacknowledged links between poetry, philology, and political culture and

contributes to recent movements in literary studies that combine historicist and formalist approaches      Anthropology and Humanism ,1994      **Manual of Applied Romance Linguistics** Vera Mathieu,Julia Montemayor Gracia,Claudia Polzin-Haumann,2025-06-16 This handbook provides a systematic overview firstly of the basic concepts and secondly of current research topics and trends in Applied Romance Linguistics from a theoretical methodological and empirical perspective It takes account of both traditional and innovative research approaches Following a general introduction to the field and its major topics methods and objectives the presentation is divided into four thematic sections methods and methodology language society and knowledge language acquisition and language education specialised communication and transfer The volume is geared towards researchers teachers and students working in the fields of linguistic and communication studies but also addresses the general public It aims to provide useful information for anyone dealing with problems of language and communication in their professional or private lives and illustrates career options for graduates of Romance Linguistics      **MacMillan's Magazine** Sir George Grove,David Masson,John Morley,Mowbray Morris,1887
