

**SPEAKING IN TONGUES IS A GIFT  
THIS DOES NOT NECESSARILY  
MEAN THAT YOU ARE REBORN  
AND FILLED WITH THE HOLY SPIRIT**

**By: Tonida Cooper**

Pentecostal and Apostolic churches abruptly and sharply teaches unless one speaks in an unknown tongue, they are not filled with the Holy Spirit (**Ruach Ha Quodesh**), and that is simply incorrect. Leaders and members from this denomination are confusing being born of the spirit to mean you must speak in tongues first to be reborn of the spirit. Pushing this agenda will confuse many individuals that are really reborn of the spirit but have not necessarily received the gift of tongues and that will cause them to go into bondage and confusion. Yah is not the author of confusion so once confusion comes into the picture with pride to back it up, the finger points to the accuser and adversary Satan. The scripture those two denominations love to misinterpret is **Acts 2:1-3 (below)**, regarding the day of Pentecost. This scripture has been misunderstood for a while to be wrongly used as evidence that individuals are not reborn of the spirit and filled with the Holy Spirit unless they speak in an unknown tongue. Yes, scripture says that this is pieces of evidence that an individual is filled but that does not have anything to do with being reborn of the spirit and it does not mean that the individual is not filled with the spirit of Yah if they have not spoken in an unknown tongue. Everyone that has been called and anointed by Yah with a purpose in their life has not spoken in tongues and may never speak in tongues but that does not mean that they are not been filled with the set-apart spirit.

Do you really think that Yah would allow speaking in tongues as evidence of being reborn of the spirit knowing how people can get pumped up in themselves and become self-righteous? Remember once one has come to Yah through his son Yahshua they receive the Holy Spirit to help direct their path. Those that push this agenda that if you have not spoken in tongues the Holy Spirit is not leading individuals into righteousness and but they are in fact leading themselves? Not to mention that some churches call themselves teaching people to speak in an unknown tongue, which is blasphemous because no one can give the gift of an unknown tongue to individuals who accept the Ruach haQuodesh (**1 Corinthians 12:1,4**). Individuals that call themselves teaching the gift of tongues are in danger of Yah's judgment because they are acting as though they are the Holy Spirit. After all, no one can give gifts to people especially an unknown tongue but the Ruach haQuodesh. This goes to show how bad this narrative has gotten out of hand and

## Speaking In Tongues Revised:

**The First Epistle to the Corinthians, Revised Edition** Gordon D. Fee, 2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians. Writing primarily for pastors, teachers, and students, Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance. Fee's revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable scholarship on 1 Corinthians over the past twenty-five years. Fee has also eliminated chapter and verse language totally foreign to Paul's first century letter, relegating the necessary numbers for finding things to parentheses. *Student's Concordance to the Revised Version, 1881*
