Kolb, 1986 *The Whole Works of John Bunyan* John Bunyan, 1865 **The Works of John Bunyan. With an Introduction to Each Treatise, Notes, and a Sketch of His Life, Times, and Contemporaries. Edited by George Offor. [With Plates, Including Portraits.]** John Bunyan, 1853 **A popular commentary on the New Testament, by English and American scholars, ed. by P. Schaff** Philip Schaff, 1880 **A Popular Commentary on the New Testament** Philip Schaff, 1880 **The Gospel of John in Cultural and Rhetorical Perspective** Jerome H. Neyrey, 2009-11-10 Johns Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages Can anything more possibly be said Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context In order to find patterns and concepts that have a bearing on how to read John Neyrey examines the rhetoric of praise and blame described in the ancient encomium the Greek commonplace on noble death rules for rhetorical conclusions and Jewish background materials He then uses materials from cultural anthropology such as the effects of limited good and envy secrecy and brokerage Even innocent topics such as time and space have much to say about interpreting the figure of Jesus In viewing John through these two lenses *The Gospel of John in Cultural and Rhetorical Perspective* brings the book into clear focus as a truly maverick gospel **The Necessity of Witness** Ariaan Baan, 2015-08-17 The role of witness is a recurring theme in the work of Stanley Hauerwas it is through enacting the truth in a world of lies through seeking peace in a world of violence that witnesses show who God is who we are and what the world is like *The Necessity of Witness* is a study of Hauerwas and his fascinating but complex understanding of witness Ariaan W Baan argues that Hauerwas s approach makes a significant contribution to current debates in systematic theology on the relation between truth and life Reading Hauerwas can be a precarious adventure His rhetoric is overwhelming but his argument is not always crystal clear and carefully formulated With the help of semiotic and philosophical analysis and biblical exegesis Baan articulates Hauerwas s intuitions

fills some of the gaps in his argumentation and discloses hidden biases The results of this analysis sometimes surprise Baan notes that unexpected pericopes in Scripture such as Isaiah and Revelation support Hauerwas's account of witness and concludes that his work offers insight into how in our late modern society such diverse groups as martyrs and pop stars offer implicit witness through their lives

Reading in the Presence of Christ: A Study of Dietrich Bonhoeffer's Bibliology and Exegesis Joel Banman, 2021-02-11 Bonhoeffer's writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of Scripture have not been sufficiently explored This study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the Bible is determined by his theology of Scripture Through this analysis Joel Banman demonstrates that the uniting factor of Bonhoeffer's biblical interpretation is not methodological but bibliological he reads Scripture as the living word of the present Christ

The Oxford Magazine, 1884

Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon Ervin Budiselić, 2024-04-30 In an age of relativism tolerance and political correctness the church is called to walk in the footsteps of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture's emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke's writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus's kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ

The Cambridge Review, 1913

Systematic Theology, Volume One Morton H. Smith, 2019-09-10 Dr Smith's Systematic Theology is the culmination of several decades of teaching and demonstrates his familiarity with several streams of Reformed theology represented by such theologians as John Calvin James Henley Thornwell Charles Hodge B B Warfield Herman Bavinck John Murray and Cornelius Van Til It was his delight

to expose his students to the breadth of the Reformed tradition while celebrating its essential unity its thorough grounding in Scripture and its consistent focus on piety *Being an Intergenerational Church* Suzi Farrant, Darren Philip, 2023-08-31

There is a growing realisation across mainstream churches that age segregated models of connecting with children young people and families are not working Drawing on their extensive experience Suzi Farrant and Darren Philip set out a vision for bringing the generations back together to become the intergenerational church we are designed to be In conversation with the writings of Dietrich Bonhoeffer they develop a theological rationale for intentional intergenerational relationships of mutuality lived out within the core activities of the church Through an exploration of the Christian practices of humility hospitality participation discipleship joy worship discernment and testimony they call the church to re discover its DNA as an all age community of transformation *Witness to the Word* Karl Barth, 2003-06-03

Karl Barth s lectures on the first chapter of the Gospel of John delivered at Muenster in 1925 26 and at Bonn in 1933 came at an important time in his life when he was turning his attention more fully to dogmatics Theological interpretation was thus his primary concern especially the relation between revelation and the witness to revelation which helped to shape his formulation of the role of the written and spoken word vis a vis the incarnate Word The text is divided into three sections John 1 1 18 19 34 35 51 with the largest share of the book devoted to the first section Each section begins with Barth s own translation followed by verse by verse and phrase by phrase commentary on the Greek text Although Barth s interpretation is decidedly theological he does take up questions of philology and textual criticism more thoroughly than in his other works Much has happened in Johannine scholarship since these lectures were first delivered yet they remain valuable today 100 years after Barth s birth both for their insights into the gospel and into Karl Barth *The Whole Works of John Bunyan, Accurately Reprinted from the Author's Own Editions. With Editorial Prefaces, Notes, and Life of Bunyan. By George Offor ... Numerous Illustrative Engravings* John Bunyan, 1862
