Speaking Of Poetry:

The Speaking of Poetry Wallace Bertram Nichols, 1949 **The Speaking of English Verse** Elsie Fogerty, 1923

Sound Ideas B. Eugene McCarthy, Fran Quinn, 2013 Hearing and speaking are essential to making poems live Poems are a physical experience This book explains how to find your way to the heart of a poem by taking it off the page The authors have taught poetry successfully with this method for many years and now they share it beyond their own classrooms Taking poems off the page a teacher and a poet share their years of experience making poetry live Hard to believe that anyone serious about poetry either student or teacher wouldn't want to own this book Reading *Sound Ideas* is like being in a class with the best poet and teacher of your life McCarthy and Quinn are those poet teachers each having fallen in love with poetry each having given over their lives to its beauty and power And this book is that classroom one which comes alive with force and pleasure with their shared belief that poetry itself comes truly alive when one speaks and hears it when it enters the consciousness through that breath and release when it has the power to change lives This book offers something new and necessary in the study of poetry John Hogden Poetry weds the body to the soul and *Sound Ideas* is a superb introduction to the manifold ways in which poets touch us to the core of our being This should be required reading for anyone interested in poetry particularly for those who hope to make poems themselves A brilliant book Christopher Merrill *Poetry Review*

Stephen Phillips, Galloway Kyle, 1927 **Outspoken!** Sara Holbrook, Michael Salinger, 2006 In *Outspoken* poet educators Sara Holbrook and Michael Salinger take you through the process of developing implementing and assessing poetry performance and beyond Beginning with ideas for encouraging even the most reluctant students to speak clearly and write from the heart this handbook uses familiar workshop structures to guide young poets toward vibrant completed pieces and an exciting dynamic delivery **Performance**, 1996 *Twentieth-Century French Poetry* Hugues Azérad, Peter Collier, 2010-05-20 Modern French poetry is unique in the boldness and creativity of its experiments in form and genre from classical verse to vers libre from calligrammes to prose poems and po sie sonore This anthology includes 32 poems by French and francophone poets each followed by an accessibly written detailed commentary The different approaches adopted in the close readings by specialists in their field reflect the major trends in current literary criticism and theory A foreword by one of France's foremost poets Yves Bonnefoy a general introduction and an afterword provide a helpful theoretical framework for the study of modern poetry An extensive bibliography concise biographies of the poets and a glossary of literary terms are included Students of French and of comparative literature will gain a deeper understanding of the development of French verse and of the artistic movements especially in the visual arts which have shaped twentieth century French poetry

Speaking poetry Geoffrey H. Crump, 1976 *The Moment of Speech* Annie Morrison, 2021-11-18 Annie Morrison creator of the Morrison Bone Prop abandons the notion that language and thought are mainly processed in the left cerebral hemisphere and coaches the actor to speak from the heart Through this method words acquire physical properties such as

weight texture colour and kinetic force Think about Martin Luther King Mao Zedong or Malala Yousafzai potent speech impacts external events And internally it forms and shapes the world of the speaker Seeing articulation as a purely mechanical skill is detrimental to an actor's process it is crucial to understand what language is doing on a biological level This workbook is invaluable for actors both professional and in training and also for voice and speech teachers *Mute Poetry, Speaking Pictures* Leonard Barkan, 2013 No detailed description available for Mute Poetry Speaking Pictures

Peter B. Howarth, 2024-09-17 Live performance has changed poetry more than anything else in the last hundred years it has given poets new audiences and a new economy and it has generated new styles from Imagism to confessional to contemporary Spoken Word But the creative impact that public reading had right through the twentieth century has not been well understood Mixing close listening to archive performances with intimate histories of modernist venues and promoters The Poetry Circuit tells the story of how poets met their audience again and how the feedback loops between their voices the venues and the occasions turned poems into running dramas between poet and listener A nervous T S Eliot reveals himself to be anything but impersonal while Marianne Moore's accident-prone readings become subtle ways of keeping her poems in constant re-draft Robert Frost used his poems to spar with his fans and rivals while Langston Hughes wrote Ask Your Mama to expose the prejudice circulating in the room as he spoke it The Poetry Circuit also shows how the post-war reading boom

made new kinds of poetry involving their audience and setting in the performance such as John Ashbery's anti-charismatic Poets Theatre Amiri Baraka's documentary soundtracks of the streets or the confessional readings of Allen Ginsberg which shame the listeners more than the poet Covering the first seventy years of the poetry reading The Poetry Circuit demonstrates that there never were page and stage poets the reading simply changed what every modern poet could do

Women's Experimental Poetry in Britain 1970-2010 David Kennedy, Christine Kennedy, 2013-11-04 Women's Experimental Poetry in Britain 1970-2010 presents the history and current state of a critically neglected significant body of contemporary writing and places it within the wider social and political contexts of the period **no need to speak** Emily Pineau, 2013-03 Emily Pineau's poetry is honest exhibiting a wisdom beyond her age as a sophomore at Endicott College She promises a future in poetry that will enthrall readers Her relationship with an unnamed male in I would for you is one which many women have encountered but have not had the courage to enunciate Zvi A Sesling Muddy River Poetry Review author King of the Jungle **Voice And The Actor** Cicely Berry, 2011-05-31 Voice and the Actor is the first classic work by Cicely Berry Voice Director of the Royal Shakespeare Company and world famous voice teacher Encapsulating her renowned method of teaching voice production the exercises in this straightforward no nonsense guide will develop relaxation breathing and muscular control without which no actor or speaker can achieve their full potential Illustrated with passages used in Cicely Berry's own teaching Voice and the Actor is the essential first step towards speaking a text with truth and meaning Inspiring and practical her words will be a revelation for beginner and professional alike **Making Poetry Happen** Sue Dymoke, Myra Barrs, Andrew Lambirth, Anthony Wilson, 2015-01-29 UKLA Academic Book Award 2016 Highly Commended Making Poetry Happen provides a valuable resource for trainee and practicing teachers enabling them to become more confident and creative in teaching what is recognized as a very challenging aspect of the English curriculum The volume editors draw together a wide range of perspectives to provide support for development of creative practices across the age phases drawing on learners and teachers perceptions of what poetry teaching is like in all its forms and within a variety of contexts including inspiring young people to write poems engaging invisible pupils especially boys listening to poetry performing poetry Throughout the contributors include practical tried and tested materials including activities and draw on case studies This approach ensures that the theory is clearly linked to practice as they consider teaching and learning poetry to those aged between 5 and 19 from different perspectives looking at reading writing speaking and listening and transformative poetry cultures Each of the four parts includes teacher commentaries on how they have adapted and developed the poetry activities for use in their own classroom A History of Modern Poetry David Perkins, 1976 This book embraces an era of enormous creative variety the formative period during which the Romantic traditions of the past were abandoned or transformed and a major new literature created More than a hundred poets are treated in this volume and many more are noticed in passing Poetry Out Loud Robert Alden Rubin, 1995-01-01 Includes works by such poets as Walt

Whitman Langston Hughes Sylvia Plath and William Blake and offers tips on reading these pieces out loud **Philosophical Romanticism** Nikolas Kompridis, 2006-09-27 Philosophical Romanticism is one of the first books to address the relationship between philosophy and romanticism an area which is currently undergoing a major revival This collection of specially written articles by world class philosophers explores the contribution of romantic thought to topics such as freedom autonomy and subjectivity memory and imagination pluralism and practical reasoning modernism scepticism and irony art and ethics and cosmology time and technology While the roots of romanticism are to be found in early German idealism Philosophical Romanticism shows that it is not a purely European phenomenon the development of romanticism can be traced through to North American philosophy in the era of Emerson and Dewey and up to the current work of Stanley Cavell and Richard Rorty The articles in this collection suggest that philosophical romanticism offers a compelling alternative to both the reductionist tendencies of the naturalism in analytic philosophy and deconstruction and other forms of scepticism found in continental philosophy This outstanding collection will be of interest to those studying philosophy literature and nineteenth and twentieth century thought **The Speaker's Favorite** Frank H.
