Willimon,2010-09-01 One of today's greatest preacher-theologians engages one of the twentieth century's greatest teacher-theologians on the meaning of preaching Readers of William H. Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the *Church Dogmatics* and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well

Speak God's Language Crusita Sosa, 2017-12-10 God has given me a vision A study on The power of The Tongue or to be even more descriptive The Power of Blessing We are going to take a journey together that will help us to apply God's Word in our daily lives I have been walking with the Lord for forty five years Through those years Holy Spirit taught me to observe

what the affect of my words did to those around me and how they affect my environment either for the good or for the bad In reflecting on the consequences I began to write the results down and because of that the birth of this book came to fruition We have a God given power to either bless or curse our individual lives the lives of our children and others around us It is in hearing and Speaking God s Language that we can and will discover the greatest blessing of all His companionship

Speak Plainly God Arden Christopherson,2009 Originally I had planned on naming this book Ninety Days to Glory By revelation of the Holy Spirit I was told to name the book Speak Plainly God as God would use my book to answer the cry of many to learn how to hear Him speak plainly in their daily lives The greatest miracle I personally received was at the end of my own ninety day transformation A miracle occurred in heaven that was shared by others as a witness to God s commitment and love for those who overcome the obstacles of this world Jesus appeared to me in the form of the Morning Star The events that followed have led to the writing of this book If you seek Him with an open mind and heart He has promised through scripture to appear to you as well II Peter 1 19 21 Verse 19 And we have the word of the prophets made more certain and you will do well to pay attention to it as to a light shining in a dark place until the day dawns and The Morning Star rises in your hearts Verse 21 For prophecy never had its origin in the will of man but men spoke from God as they were carried along by the Holy Spirit Revelation 22 16 Verse 16 I Jesus have sent my angel to give you this testimony for the churches I am the Root and the Offspring of David and the Bright Morning Star Revelations 2 26 28 Verse 26 To him who overcomes and does my will to the end I will give authority over the nations Verse 28 I WILL ALSO GIVE HIM THE MORNING STAR *Speaking the Christian God* Alvin F. Kimel,1992 A collection of essays written by a wide diversity of scholars including Thomas F Torrance Geoffrey Wainwright Elizabeth Achtemeier Colin Gunton and Robert W Jenson that discuss and critically analyze the crucial theological issues at stake in the feminist theological agenda The first volume of its kind to offer an orthodox critical response to the proposals of contemporary feminist theology *Speak Lord, I'm Listening* Larry Kreider,2011-08-31 Jesus said My sheep hear My voice but many Christians do not know how to hear from God In this practical story rich guidebook international teacher Larry Kreider shows believers how to develop a listening relationship with the Lord *Speak Lord I m Listening* explores the multiple ways Christians can hear the voice of God in today s world It offers real life examples of how God teaches His followers to listen Contains tips in each chapter for distinguishing His voice from the noise of Satan s interference Christians across the denominational spectrum will develop a closer and deeper relationship with God as they learn fifty unique ways to listen to Him You will realize that God was speaking to you all along but like the disciples on the road to Emmaus you didn t know it was Him **Learning to Speak God from Scratch** Jonathan Merritt,2018-08-14 In a rapidly changing culture many of us struggle to talk about faith We can no longer assume our friends understand words such as grace or gospel Others like lost and sin have become so negative they are nearly conversation enders Jonathan Merritt knows this frustration well After moving from the Bible Belt to New York City he discovered that the sacred terms he

used to describe his spiritual life didn't connect as they had in the past. This launched him into an exploration of an increasing American reluctance to talk about faith and the data he uncovered revealed a quiet crisis of affecting millions. In this groundbreaking book, Jonathan revives ancient expressions through incisive cultural commentary, vulnerable personal narratives, and surprising biblical insights. Both provocative and liberating, *Learning to Speak God from Scratch* will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them.
