From Pop to Now

Sonnabend Gallery (New York, N.Y.), Rachel Haidu, 2002 Taking one of Andy Warhol's famous Campbell soup can paintings as its starting point *From Pop to Now* presents a definitive survey of works collected by international gallery owners Ileana and Michael Sonnabend over the last four decades For more than half a century the Sonnabends have been a seminal force in the contemporary art world often showing bold new work considered impossible to sell or too difficult for the times In Paris from 1962 to 1973 and in New York from 1970 to the present the Sonnabend galleries shows have showcased a virtual who's who of contemporary art spanning the full gamut of artistic exploration from Pop Art to Minimalism and Conceptualism from painting and sculpture to video and photography During the height of the Pop movement Ileana was dubbed the Mom of Pop Art and the impact made by her artists at the time among them Jasper Johns Robert Rauschenberg Cy Twombly Andy Warhol Roy Lichtenstein Claes Oldenburg and James Rosenquist is now as legendary as Sonnabend's passion for collecting contemporary art Committed to exposing audiences in Europe and the United States to the most exciting contemporary work on both continents the Sonnabends brought to New York the works of Italian Arte Povera artists Mario Merz Gilberto Zorio Jannis Kounellis and Pier Calzolari and other Europeans including Bernd and Hilla Becher Christian Boltanski and Anselm Kieffer More than a collection *From Pop to Now* looks at a pivotal time in contemporary art history bringing together not only the names that have made history but also the seminal artworks that have defined a generation *American Photo*, 1994-05

New York Magazine, 1992-08-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Photography Performing Humor* Liesbeth Decan, Mieke Bleyen, 2019-03-11 New perspectives on humor within photography Despite the ubiquitous presence of photographic humor in art and popular media the phenomenon has as yet received very little scholarly attention Focusing on staged humor rather than on comic effects of snapshot photography this volume brings together leading scholars in the field addressing humor performed in front of the camera often specifically created for the camera and the performative joke work done by the medium itself A first section explores how photography due to its shattering qualities turns into a privileged medium for eliciting humorous effects and how humor can be discerned within the photographic event A second section discusses the toolbox of photographic trickery photomontage double exposure and cinematic movement that allows photography to mock itself The book closes with a section on photographic wit in conceptual art both in canonized and more locally distinct practices With artists pages from Paulien Oltheten Lieven Segers and David Helbich *New York Magazine*, 1992-09-21 New York magazine was born in 1968 after a run as an insert

of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1992-08-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1992-10-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Documents of Doubt Heather Diack,2020-06-12 A major reassessment of photography s pivotal role in 1960s conceptual art Why do we continue to look to photographs for evidence despite our awareness of photography s potential for duplicity Documents of Doubt critically reassesses the truth claims surrounding photographs by looking at how conceptual artists creatively undermined them Studying the unique relationship between photography and conceptual art practices in the United States during the social and political instability of the late 1960s Heather Diack offers vital new perspectives on our post truth world and the importance of suspending easy conclusions in contemporary art Considering the work of four leading conceptual artists of the 1960s and 70s Diack looks at photographs as documents of doubt pushing the form beyond commonly assumed limits Through in depth and thorough reevaluations of early work by noted artists Mel Bochner Bruce Nauman Douglas Huebler and John Baldessari Diack advances the powerful thesis that photography provided a means of moving away from the object and toward performative effects playing a crucial role in the development of conceptual art as a medium of doubt and contingency Discussing how unexpected and contradictory meanings can exist in the guise of ordinary pictures Documents of Doubt offers evocative and original ideas on truth s connection to photography in the United States during the late 1960s and how conceptual art from that period anticipated our current era of alternative facts in contemporary politics and culture New York Magazine ,1992-08-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1992-08-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune

ideas around consumerism the facticity of reportage and visual culture's relationship to gender and identity politics. Embodying the evolution of contemporary art toward increasingly hybrid and conceptual approaches, his oeuvre includes examples of painting, sculpture, photomontage, performance, installation, time-based media, and artist's books, all of which collectively exploit photography's reproducibility to subvert society's dominant ideologies and stereotypical modes of representation. Author Matthew Biro presents an exhaustive look at Heineken's life and art, locating him within a lineage that encompasses the activities of the early twentieth-century avant-garde and the postmodern strategies of the Pictures Generation artists. Assessing his career within the specific political and historical contexts from which he gleaned his material and illustrated throughout with vibrant full-color reproductions of his art, this in-depth examination demonstrates Robert Heineken's significance as a key figure of twentieth-century art and an incisive commentator on modern life in America.
