Moles, 1997-08 Designed for easy use by school administrators and teachers this illustrated publication presents strategies to help in the involvement of parents and families

including single parents and those with limited English skills as more active participants in their children's education. The suggested strategies are appropriate for all students including those with special needs and focus on improved communication between educators and families in the areas of school programs, activities, and procedures, the progress of individual students, and home activities which can improve children's school learning. *Proceedings of the Unima International Conference on Social Sciences and Humanities (UNICSSH 2022)* Recky Harold Elby Sendouw, Theodorus Pangalila, Sjamsi Pasandaran, Vivi P. Rantung, 2023-01-24. This is an open access book. The Unima International Conference on Social Sciences and Humanity UNICSSH 2022 was conducted on October 11th-13th 2022 at The Grand Kawanua International City Manado, North Sulawesi, Indonesia. In 2022, Universitas Negeri Manado will host the Indonesian National Education Convention KONASPI X. Konaspi is a routine activity of the PPTKN which is held once every four years. The fourth industrial revolution 4.0 is marked by technological advances and supported by artificial intelligence that creates opportunities and challenges for the education system. University and vocational school graduates are facing a world transformed by technology which in turn is transforming the workplace from task-based to human-centered characteristics. Certain skills such as critical thinking, emotional intelligence, problem-solving, cognitive flexibility, and knowledge production are required. To answer this demand, the education system must put revolutionary innovation on its agenda. Scholars, researchers, and practitioners are invited to share ideas, research results, and best practices about education science and technology now and in the future at an international conference held by Universitas Negeri Manado as part of the Indonesian National Education Convention KONASPI. As part of KONASPI X activities, Universitas Negeri Manado is holding the 2022 International Conference on Education, Social Science, and Humanities ICESSHum. The topics in this international conference are Education, Law, Politics, and Social Sciences, Economics, Public Administration, and Humanities. Through these themes, it is expected to involve many professionals who have indirect roles in related fields. To enrich this event, the committee invites all national and international participants, including academics, researchers, professionals, and other relevant stakeholders, to send research papers or review papers to be presented at the conference.
