## **Spectacles Paperback:**

**In the Blink of an Eye** Stefana Sabin, 2021-09-27 From monocles to pince nez and goggle eyes a cultural and technological history of glasses in fact and fiction This book examines those who wore glasses through history art and literature from the green emerald through which Emperor Nero watched gladiator fights to Benjamin Franklin's homemade bifocals and from Marilyn Monroe's cat eye glasses to the famed four eyes of Emma Bovary and Harry Potter Spectacles are objects that seem commonplace but *In the Blink of an Eye* shows that because they fundamentally changed people's lives glasses were the wellspring of a quiet social cultural and economic revolution Indeed one can argue that modernity itself began with the paradigm shift that transformed poor eyesight from a severely limiting disease treated with pomades and tinctures into a minor impairment that can be remedied with mechanisms constructed from lenses and wire **Paperback**

**Joseph Smith and the Origins of The Book of Mormon, 2d ed.** David Persuitte, 2010-07-27 Just as a growing interest in millennialism at the turn of this century has rejuvenated religious debate and questions concerning the fate of the world so did Mormonism develop from millennial enthusiasm early in the nineteenth century Joseph Smith the founder of Mormonism and a provocative even controversial figure in history declared that he had been given the authority to restore the true church in the latter days The primary source of Smith's latter day revelation is The Book of Mormon and to fully understand his role as the founder of the Mormon faith one must also understand The Book of Mormon and how it came to be Unfortunately the literature about Joseph Smith and The Book of Mormon is permeated with contradiction and controversy In the first edition of this impressive work David Persuitte provided a significant amount of revealing biographical information about Smith that resolved many of the controversies concerning his character He also presented an extensive comparative analysis positing that the probable conceptual source for The Book of Mormon was a book entitled View of the Hebrews or the Tribes of Israel in America which was written by an early New England minister named Ethan Smith Now in an expanded and revised second edition incorporating many new findings relating to the origin of The Book of Mormon Mr Persuitte's book continues to shed much new light on the path Joseph Smith took toward founding the Church of Jesus Christ of Latter day Saints

**Catholic Spectacle and Rome's Jews** Emily Michelson, 2024-02-27 A new investigation that shows how conversionary preaching to Jews was essential to the early modern Catholic Church and the Roman religious landscape Starting in the sixteenth century Jews in Rome were forced every Saturday to attend a hostile sermon aimed at their conversion Harshly policed they were made to march en masse toward the sermon and sit through it all the while scrutinized by local Christians foreign visitors and potential converts In Catholic Spectacle and Rome's Jews Emily Michelson demonstrates how this display was vital to the development of early modern Catholicism Drawing from a trove of overlooked manuscripts Michelson reconstructs the dynamics of weekly forced preaching in Rome As the Catholic Church began to embark on worldwide missions sermons to Jews offered a unique opportunity to define and defend its new triumphalist global outlook They became a point of prestige in Rome The city's most important organizations invested in maintaining these spectacles and foreign tourists eagerly attended them The title of Preacher to the Jews could make a man's career The presence of Christian spectators Roman and foreign was integral to these sermons and preachers played to the gallery Conversionary sermons also provided an intellectual veneer to mask ongoing anti Jewish aggressions In response Jews mounted a campaign of resistance using any means available Examining the history and content of sermons to Jews over

two and a half centuries Catholic Spectacle and Rome's Jews argues that conversionary preaching to Jews played a fundamental role in forming early modern Catholic identity

**The Civic Spectacle** Mera J. Flaumenhaft, 1994-08-23 In this exploration of four plays by Aeschylus Euripides Machiavelli and Shakespeare Mera Flaumenhaft argues that by revising well known myths or histories each playwright reshapes the community for which he writes Emphasizing the context in which the plays have been read and performed she examines the moral and political effects of each drama and its production from the role of classical tragedy in MAINTaining the classical city to the role of the modern history play in forming and maintaining the nation state Flaumenhaft demonstrates how the playwright s presentation of political themes within each drama relates to his view of the broadly political function of theater in his society

**Comments on the Society of the Spectacle** Guy Debord, 1998 First published in 1967 Guy Debord s stinging revolutionary critique of contemporary society The Society of the Spectacle has since acquired a cult status Credited by many as being the inspiration for the ideas generated by the events of May 1968 in France Debord s pitiless attack on commodity fetishism and its incrustation in the practices of everyday life continues to btirn brightly in today s age of satellite television and the soundbite In Comments on the Society of the Spectacle published twenty years later Debord returned to the themes of his previous analysis and demonstrated how they were all the more relevant in a period when the integrated spectacle was dominant Resolutely refusing to be reconciled to the system Debord trenchantly slices through the doxa and mystification offered tip by journalists and pundits to show how aspects of reality as diverse as terrorism and the environment the Mafia and the media were caught in the logic of the spectacular society Pointing the finger clearly at those who benefit from the logic of domination Debord s Comments convey the revolutionary impulse at the heart of situationism

*A Spectacle of Corruption* David Liss, 2004-03-16 Benjamin Weaver

the quick witted pugilist turned private investigator returns in David Liss's sequel to the Edgar Award winning novel *A Conspiracy of Paper*. A wonderful book every bit as good as Liss's remarkable debut, easily one of the year's best. The Boston Globe Moments after his conviction for a murder he did not commit at a trial presided over by a judge determined to find him guilty, Benjamin Weaver is accosted by a stranger who cunningly slips a lockpick and a file into his hands. In an instant he understands two things: Someone wants him to hang, and another equally mysterious agent is determined to see him free. After a daring escape from eighteenth century London's most notorious prison, Weaver must face another challenge to prove himself innocent when the corrupt courts have shown they care nothing for justice. Unable to show his face in public, Weaver pursues his inquiry disguised as a wealthy merchant seeking to involve himself in the contentious world of politics. Desperately navigating a labyrinth of schemers, crime lords, assassins, and spies, Weaver learns that in an election year, little is what it seems, and the truth comes at a staggeringly high cost. Praise for *A Spectacle of Corruption*: A rousing sequel of historical intellectual suspense. *San Antonio Express News*: Liss is a superb writer who evokes the squalor of London with Hogarthian gusto. *People*: In *Benjamin Weaver*, Mr Liss has created a multifaceted character and a wonderful narrator. *The New York Sun*.
