Deppe, 2013-04 You will see the light when you read the revelations in Therapy with Light This enlightening book examines
the effects of light on mind and body using the writings of many researchers and practitioners to find common denominators
on the effects of coloured light ultraviolet light and infrared light Readers are given techniques for applying light
therapeutically and will learn in layman s terms the little known facts about secondary fields of light as well as light issued by
body cells and the cutting edge technology of photobiology After 18 years of research into the effects of light on mind and
body author Adolf Deppe explores the evidence and determines ways that light can be used to successfully treat ailments
such as depression anxiety migraine arthritis and more Coloured light was used by the early Greeks who suspended dyed
cloth over building apertures to cast coloured light on patients Coloured light ultraviolet light and infrared light all have
unique and powerful effects on our well being Many of these effects are explored in Therapy with Light A Practitioner s
