Speculative Contagion An Antidote For Speculative Epidemics:

Speculative Contagion Frank K. Martin, 2006 John Karras is sitting in his New York apartment on a steamy summer day in 1983 when he receives a special delivery letter summoning him to a law office There he is advised that he is the sole heir to the estate of a recently deceased woman named Helen Dukas someone totally unknown to him Upon the reading of the will he is handed a personal letter from the woman that explains that she was for many years the close personal assistant of Albert Einstein The letter reveals that he John Karras is the son of the great scientist Among Helen s personal effects he discovers a diary written by Einstein In the pages of the diary he learns the secret of Einstein s spiritual theory of relativity called the Unified Grace Theory which is the means for accessing the ultimate source of power Misapplied this power can lead to monumental tragedy as we learn when John Karras attempts to use it

A Decade of Delusions Frank K. Martin, 2011-05-03 The proven strategies rational investors require for success in an irrational market When the dot com and real estate bubbles of the 1990s and 2000s burst few were spared the financial fallout So how did an investment advisory firm located in Elkhart Indiana one of the cities hit hardest by the economic downturns not only survive but also thrive during the highly contagious speculative pandemics By remaining rational In *A Decade of Delusions From Speculative Contagion to the Great Recession* Frank Martin founder of Elkhart Indiana s Martin Capital Management offers a riveting and real time insider s look at the two bubbles and reflects on how investors can remain rational even when markets are anything but Outlines strategies the average investor can use to wade through the endless news information and investment advice that bombards them Describes the epidemic of market speculation that gradually infects feverish investors Details how investors can spare themselves the emotional devastation and accompanying paralysis resulting from shocking financial losses Investors are still reeling from the instability in the market *A Decade of Delusions From Speculative Contagion to the Great Recession* provides the information investors need to achieve safety liquidity and yield

The Rules of Contagion Adam Kucharski, 2021-02-04 Astonishingly bold Daily Mail It is hard to imagine a more timely book much of the modern world will make more sense having read it The Times We live in a world that s more interconnected than ever before Our lives are shaped by outbreaks of disease of misinformation even of violence that appear spread and fade away with bewildering speed To understand them we need to learn the hidden laws that govern them From superspreaders who might spark a pandemic or bring down a financial system to the social dynamics that make loneliness catch on *The Rules of Contagion* offers compelling insights into human behaviour and explains how we can get better at predicting what happens next Along the way Adam Kucharski explores how innovations spread

through friendship networks what links computer viruses with folk stories and why the most useful predictions aren't necessarily the ones that come true Now revised and updated with content on Covid 19 **Ending Epidemics** Richard Conniff, 2023 From the discovery of microorganisms to the end of smallpox the story of how we came to understand the infectious diseases that once killed us how we might escape such diseases in the future **A Short Discourse Concerning Pestilential Contagion** Richard Mead, 1722
