Spencer Holst Stories Spencer Holst, 1976-01-01 **The Zebra Storyteller** Spencer Holst, 1993 Fiction Holst has long been treasured in the underground New York literary scene His impish delivery is filled with a childlike delight in tale spinning and yet his work is recognized for its inscrutable mysteries Containing every story Holst has ever written nearly a third of them never before published this collection should establish Holst's reputation among a wider public If there is a single aesthetic preoccupation in these tales it is with storytelling itself In the title piece a Siamese cat speaks Zebraic bewitching zebras so that he is able to kill them until he meets the zebra storyteller who has already imagined a Siamese cat speaking Zebraic This allows him to kill the cat and that is the function of the storyteller Holst concludes Such postmodern concerns however do not become boorish Above all Holst seeks to entertain not lecture imagination and language receive no especial privilege here but humor always does In *The Language of Cats* at the end of one rather long and unsuccessful attempt to describe a confused state of mind the narrator resorts to imagine how the world would appear to a person after finishing such a ridiculously lengthy pointless sentence Such authorial winks give a hint of what it is like to be in the presence of this master of the told tale Publisher's Weekly **Brilliant Silence** Spencer Holst, 2000 A legendary storyteller and writer who has charmed New York audiences for decades Holst first evolved his oeuvre in the 1950s 60s milieu of Greenwich Village influenced as much by sophisticated poets writers e.g. Hart Crane Jorge Luis Borges as by fairy tales tall tales which his writings superficially resemble Each of his sentences paragraphs and very very short stories is a complete and independent act of narrative that delivers the very essence of narrative fiction In spite of their brevity these are works of great variety and complexity displaying a fine intelligence and an inexhaustible capacity for verbal surprise Holst breaks the very frame of what a story is and what language can do *The Language of Cats and Other Stories* Spencer Holst, 2019-02-21 Spencer Holst is a legendary underground storyteller He writes his stories by telling and retelling them until they are phrase perfect Collector's items his handcrafted books always sell out before publication Kirkus said reading the short stories in this book is like sitting at the knee of a delightfully demented fairy tale grandfather Holst's short stories are endlessly entertaining and always surprising *Spencer Holst, Story Telling*, 1959 *Short Story Index*, 1974 **True Stories** Garrick Beck, 2017-09-07 Part memoir part eyewitness history part storytelling this book takes you on a rollicksome ride through a generation of experiences True Stories traces the evolution of a New World Culture from the Beatnik 1950s through the passions and protests and psychedelics of the 1960s and onward into environmental and cross cultural arts and political movements which today are thriving around the world Told with humor and peppered with the author's philosophy these stories take the reader to party with author Jack Kerouac protest with the saintly Dorothy Day and drop acid with Merry Prankster Ken Kesey The history recounted here uncovers the origins of The Oregon Country Faire the Rainbow Gatherings and the infamous Vortex Festival The tales thread their way through the intimacies of America's West Coast
