Spending Time Alone With God:

Solitude Rob Fischer,2014-06-25 Jesus Christ provides us with the model for practicing solitude Of Jesus Luke writes Jesus often withdrew to lonely places and prayed Luke 5 16 Here's a simple definition of solitude getting alone with God in the absence of noise and distraction Solitude is getting alone with God Solitude is not simply getting alone. It's getting alone with God In solitude we go out to spend time with God alone Solitude is neither loneliness nor the hermit lifestyle of isolation Solitude only has meaning in the context of relationships. The deeper any relationship the greater our need is for alone time with that person. If you re married think back on the days when you were wooing your wife to be Remember all the time you spent alone with her When you were dating the woman you married you had a lot to talk about No doubt you held hands strolling through a park or on a beach simply enjoying each other's company alone. You continually sought time to spend with each other alone. In a healthy marriage we want to continue spending time alone with each other Also as a dad we need to spend time alone with each of our children. We can have meaningful conversations and establish a depth of relationship in those alone times that is not possible with others present. This same principle holds true in our relationship with God. We need solitude or alone time with God in order to deepen our relationship with him I would go so far as to say that without solitude with God our relationship with him will remain superficial. We will never know him to the extent that he wants us to

Spending Time Alone with God Barry St. Clair,1984 My Journey and Time Alone with God John R. Walden, 2015-05-14 My grandfather taught me many things as I sat and listened to him Most importantly I learned that he was a God fearing man I believe that God used my grandfather to instill hardworking values in me as well I miss him greatly and I miss the times I was able to learn from his ways of living As I grew I began to recognize the importance of being still and listening with all my being to him This has perhaps been one thing that God has used in my life to draw me to Him His Holy Word says for us to be still before Him and know that He is God So I was drawn by His Holy Spirit to listen with all my heart to His guidance And as I spent time before Him I learned to recognize the voice of God through His precious Holy Spirit within I could not get enough of His powerful presence so I sat long hours alone before Him and this book is the result In my time alone with God I asked a lot of questions about life and I have come to understand much more than I ever knew God says if you will seek Him you will find Him and if you call on Him He will answer you He will speak to you and through you by His Holy Spirit presence within Gods love is extended to us through His Son Jesus Christ who gave His very life to set us free from the bondages of sin What is a journey to you When you spend time with the Father He will take you on a journey of victory When you truly seek Him with all your heart He will give you His wisdom His knowledge and His understanding As you acknowledge His presence and power throughout life your journey has begun 15 Minutes Alone with God for Men Bob Barnes, 2014-09-01 Sporting a handsome new cover this popular guide more than 200 000 copies sold provides men with everything they need for daily spiritual refreshment and renewal Like an older brother Bob Barnes encourages men to
