Sir Alex United And Me:

Sir Alex, United and Me Andy Pacino, 2002-12 Manchester United fans have a fickle reputation Players are often singled out for criticism while others can get away with murder This was never truer than in the late 1980s when Ferguson following a stuttering start to his Old Trafford career was scapegoated by supporters In 1989 when United faced relegation and a take over bid the manager lived with the constant threat of the sack while on the terraces the Ferguson out brigade were prominent as the press spoke of a club in crisis Here the author one of the few to have actively supported United's manager during this bleak period details his remarkable relationship with United's legendary manager *Sir Alex* Harry Harris, 2021-10-14 A must read biography of one of the greatest football managers of all time Sir Alex Ferguson is a former Scottish football player and was manager of Manchester United from 1986 to 2013 During his 26 years in charge of United he won more trophies than any other manager in the history of football Packed with nearly 80 entertaining and exclusive interviews from those who know Ferguson best friends colleagues associates and those who worked with him at both Aberdeen and Manchester United share their unique insight into the innermost secrets of Ferguson's fascinating life and hugely successful career **Papers relating to the foreign relations of the United States**, 1864 **House**
