Never Give In! Winston Churchill, 2013-10-14 A great statesmen a masterful historian whose writings won him the Nobel Prize for literature and a war time leader with few peers Sir Winston Churchill is remembered perhaps most clearly today for the sheer power of his oratory the speeches that rallied a nation in its darkest hour and steeled that nation for victory against the might of the Fascist powers *Never Give In* celebrates this oratory by gathering together Churchill's most powerful speeches from throughout his public career Carefully selected by his grandson this collection includes all his best known speeches from his great war time broadcasts to the Iron Curtain speech that heralded the start of the Cold War and many lesser known but inspirational pieces In a single volume *Never Give In* provides a powerful testimony to one of the great public figures of the 20th century

A Harmony of Interests Manfred Weidhorn, 1992 Manfred Weidhorn explores this emerging conservatism through consideration of different Churchillian interests such as domestic issues and the concept of imperial mission The most complex aspect of Churchill's conservatism is his ambivalence to war A closer reading of his utterances and of the observations of those about him suggests a definite and idiosyncratic love of war Clear too says Weidhorn is that violence was a means not an end for Churchill A man of peace Churchill's extremity in posing issues sometimes made peace elusive But in the crunch of 1940 his eccentricity or obsession became Western Civilization's salvation During his years in the wilderness Churchill wrote a huge biography of his ancestor the Duke of Marlborough Besides presenting the Duke a brilliant general much maligned for avarice and warmongering in a favorable way his work sheds an interesting light on the imminent World War II
