Sitting Bull, Champion of the Sioux Walter Stanley Campbell, 1957

Sitting Bull, Champion of the Sioux, a Bio S. Vestal, Sitting Bull and the Paradox of Lakota Nationhood Gary C. Anderson, 2023-03-02 In this newly revised biography Sitting Bull and the Paradox of Lakota Nationhood Gary C Anderson offers a new interpretation of Sitting Bull s conflict with General George Custer at Little Big Horn and its aftermath and details the events and life experiences that ultimately led Sitting Bull into battle Incorporating the latest scholarship Anderson profiles this military and spiritual leader of the Lakota people a man who remained a staunch defender of his nation and way of life until his untimely death Sitting Bull and the Paradox of Lakota Nationhood explores the complexities and evolution of Lakota society and political culture within Sitting Bull s lifetime as the

Lakotas endured wave after wave of massive military and civilian intrusion into their lands For a people not accustomed to living under a centralized authority the Lakotas found themselves needing one to galvanize resistance against a relentless and rapidly expanding nation Despite tactical success on a number of battlefields Sitting Bull and the Lakotas lacked the military and political might to form an unyielding consensus on how to deal with the United States aggressive land seizures and military attacks Ultimately on the blood soaked ground at Wounded Knee amid the slaughter of noncombatants and aging warriors the Lakotas would see their independence broken and Sitting Bull s vision of a Lakota nation free of U S influence lost This edition features a new afterword **Hunkpapa Lakota Chief Sitting Bull** William R.

Sanford,2013-01-01 Read about how this great chief of the Sioux led them to their victory at the battle of Little Bighorn Provided by publisher **Geronimo and Sitting Bull** Bill Markley,2021-05-01 2022 Will Rogers Medallion Award Silver Winner for Western Biographies and Memoirs Two Native American leaders who left a lasting legacy Geronimo and Sitting Bull Most Americans and many people worldwide have heard these two famous names Today however the general public knows little about the lives of these great leaders During the second half of the nineteenth century when they opposed white intrusion and expansion into their territories just the mention of their names could spark fear or anger After they surrendered to the army and lived in captivity they evoked curiosity and sympathy for the plight of the American Indian Author Bill Markley offers a thoughtful and entertaining examination of these legendary lives in this new joint biography of these two great leaders The Plains Sioux and U.S. Colonialism from Lewis and Clark to Wounded Knee Jeffrey Ostler,2004-07-05 This volume first published in 2004 presents an overview of the history of the Plains Sioux as they became increasingly subject to the power of the United States in the 1800s Many aspects of this story the Oregon Trail military clashes the deaths of Crazy Horse and Sitting Bull and the Ghost Dance are well known Besides providing fresh insights into familiar events the book offers an in depth look at many lesser known facets of Sioux history and culture Drawing on theories of colonialism the book shows how the Sioux creatively responded to the challenges of US expansion and domination while at the same time revealing how US power increasingly limited the autonomy of Sioux communities as the century came to a close The concluding chapters of the book offer a compelling reinterpretation of the events that led to the Wounded Knee massacre of December 29 1890
