Six Crises:

Six Crises Richard Nixon, 2013-01-08 For many years before he became President Richard Nixon's decisions vitally affected the well being of the nation Six of those decisions significantly shaped the man who would later become the 37th President of the United States Six Crises is a close up look at this dynamic man recalling the demands placed upon him the thinking behind his decisions and the pressures of political life

Six Crises Richard Milhous Nixon, 1962 His personal reactions to such political events as the Hiss case and the campaign of 1960 For contents see Author Catalog

Richard Nixon Paul Carter, 2023-09 2023 Foreword INDIES Gold Winner in Biography 2024 Eric Hoffer First Horizon Award Winner 2024 Eric Hoffer Reference Book Award Winner 2024 Eric Hoffer Grand Prize Short List 2024 Best Book Award Winner in Biography sponsored by American Book Fest Modern biographies of Richard Nixon have been consumed with Watergate All have missed arguably the most important perspective on Nixon as California's native son the only U S president born and raised in California In addition Nixon was also a son brother friend husband father uncle and grandfather By shifting the focus from Watergate and Washington to Nixon's deep defining roots in California Paul Carter boldly challenges common conceptions of the thirty seventh president of the United States More biographies have been written on Nixon than any other U S politician Yet the territory traversed by Carter is unexplored revealing for the first time the people places and experiences that shaped Richard Nixon and the qualities that garnered him respect from those who knew him well Born in Yorba Linda and raised in Whittier California Nixon succeeded early in life excelling in academics while enjoying athletics through high school At Whittier College he graduated at the top of his class and was voted Best Man on Campus During his career at Whittier's oldest law firm he was respected professionally and became a chief trial attorney As a military man in the South Pacific during World War II he was admired by his fellow servicemen Returning to his Quaker roots after the war he was elected to the U S House of Representatives the Senate and the vice presidency all within six short years After losing to John Kennedy in the 1960 presidential campaign Nixon returned to Southern California to practice law After losing his gubernatorial race he reinvented himself he moved to New York and was elected president of the United States in 1968 He returned to Southern California after Watergate and his resignation to heal before once again taking a place on the world stage Richard Nixon California's Native Son is the story of Nixon's Southern California journey from his birth in Yorba Linda to his final resting place just a few yards from the home in which he was born

Shame and Humiliation Blema S. Steinberg, 1996 Blema Steinberg adopts a psychoanalytical approach in her examination of the decision making of Lyndon Johnson Richard Nixon and Dwight Eisenhower during the Vietnam War She argues that personality traits such as narcissism influenced critical decisions they made about U S intervention in Vietnam

Television and the Making of Richard Nixon William T. Horner, 2022-07-28 While Richard Nixon's accomplishments and shortcomings are well documented one often ignored aspect of his career is his influence on the media conduct of politicians Nixon pioneered the use of visual media in

politics beginning in the 1940s during his Congressional service His historic Checkers speech was the first of its kind a politician using television to save his political career His appearances on entertainment television which are now a normal feature of most national political campaigns broke new ground as well This book details the blueprint Nixon set for using television to achieve political goals Presidents have often used innovative media as strategic methods of communication and public relations The author argues that Nixon pioneered television media using it consistently to connect with the American public *New York Magazine* ,1974-08-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Invincible Quest* Conrad Black,2009-02-24 The Invincible Quest is an authoritative biography of one of the most accomplished and controversial leaders of the twentieth century Beginning with Richard Nixon s birth to Quaker parents in 1913 and ending with his death in 1994 Conrad Black traces Nixon s career assessing both his achievements and the evolution of popular and historical thinking about him since his death Drawing on recently opened tapes and documents and on Black s personal interviews with many of the major players in Nixon s administration The Invincible Quest reveals a new side of Nixon a man who didn t have the advantage of charisma but was surprisingly self assured and effective a man dogged by political scandal yet seemingly unstoppable Opinionated balanced and perceptive The Invincible Quest makes a significant contribution to re evaluating the idiosyncratic president s entire eventful career **Red Scare** Clay Risen,2025-03-18 From an award winning historian and New York Times reporter comes the timely story about McCarthyism that both lays out the many mechanisms of repression that made the Red Scare possible and describes how something that once seemed so terrifying and interminable did in fact come to an end The New Yorker based in part on newly declassified sources Now for the first time in a generation Clay Risen delivers a narrative history of the anti Communist witch hunt that gripped America in the decade following World War II This period known as the Red Scare was an outgrowth of the conflict between social conservatives and New Deal progressives and the terrifying onset of the Cold War Marked by an unprecedented degree of political hysteria this was a defining moment in American history completely unlike any that preceded it Drawing upon newly declassified documents and with scenes are so vivid that you can almost feel yourself sweating along with the witnesses The New York Times Book Review journalist Clay Risen recounts how politicians like Joseph McCarthy with the help of an extended network of other government officials and organizations systematically ruined thousands of lives in their deluded pursuit of alleged Communist conspiracies Beginning with the origins of the era after WWI through to its conclusion in 1957 Risen brings to life the politics patriotism courage and delirium of those years Red Scare takes us beyond the familiar story of McCarthyism and the Hollywood blacklists and toward a fuller understanding of what

the country went through at a time of moral questioning and perceived threat from the Left and what we were capable of doing to each other as a result Thorough impassioned detailed and tension packed Los Angeles Times Red Scare reveals an all too familiar pattern of illiberal conspiracy mongering and political and cultural backlash that speaks directly to the antagonism and divisiveness of our contemporary moment *The Contender* Irwin F. Gellman, 2017-01-01 Cover Half Title Title Copyright Dedication Contents Preface to the Paperback Edition Acknowledgments Preface 1 The Prerequisites for a Congressional Candidate 2 Nixon's First Primary 3 Nixon Versus Voorhis 4 Learning the Congressional Routine 5 Nixon and HUAC 6 The Herter Committee 7 Sharpening Foreign and Domestic Priorities 8 Running for Reelection 9 Moving Onto the National Stage 10 Nixon Chambers Versus Hiss 11 The Pumpkin Father Cronin the FBI and Duggan 12 Nixon Communism and the Truman Triumph 13 Stepping Sideways to Move Up 14 The 1950 Primary 15 Douglas Versus Nixon The Issues 16 Fifty one Days in the Fall Nixon Versus Douglas Reality and Legend 17 Communism and Korea 18 Corruption in the Highest Places 19 Electability and Other Issues 20 The 1952 Convention Epilogue Nixon and His Detractors Whom Should We Believe Notes Bibliography Glossary of Characters Index A B C D E F G H I J K L M N O P Q R S T U V W Y Z *In Search of Nixon* Bruce Mazlish, 2017-07-05 Who was the real Richard Nixon and why did he behave the way he did In this innovative work a distinguished historian trained in psychoanalysis unravels the riddle of Nixon's singularly opaque political personality Neither a political biography nor a clinical psychoanalysis at the time of its initial publication *In Search of Nixon* launched a new genre of scholarship the psycho historical inquiry Mazlish offers insight into the subtle interplay between Nixon the man and Nixon the public figure Why for example did Nixon have such personal difficulties in making decisions Knowing how the young Nixon learned to cope with the problems of his childhood what can we infer about his unpredictable decisions on Communist China inflation and the Supreme Court Bruce Mazlish applies psychoanalysis to history in order to understand Nixon's behaviour decisions and political stance He explains why Nixon characteristically projected personal crises onto the political arena as for example in the famous Checkers speech or in the Haynsworth Carswell affair And he examines why conversely political questions such as pacifism abortion and subversion had such a peculiarly personal meaning for him

Reinventing Richard Nixon Daniel Frick, 2023-04-21 Nixon's the One proclaimed his campaign paraphernalia Tricky Dick retorted his detractors From presidential savior for conservative America to bête noire for the political Left the Richard Nixon persona has worn many masks and labels In fiction and poetry and pop songs in television and film no other national political figure has so thoroughly saturated our public consciousness with so many contrasting images Focusing on the process of Nixon's continuous reinvention Daniel Frick reveals a figure who continues to expose key fault lines in the nation's self definition Drawing on references ranging from *All in the Family* to Zappa and the Mothers of Invention he shows how Nixon has become one of America's most durable and multifaceted icons in the ongoing and fierce debates over the import and meaning of the last sixty years of national life Examining Nixon's autobiographies and political memorabilia Frick offers

far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently. He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques. And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God-fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president. With dozens of illustrations, Nixon posing with Elvis, the National Archives most requested photo, Nixonian cultural artifacts, classic editorial cartoons, no other book collects in one place such varied images of Nixon from so many diverse media. These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements. Whether your image of Nixon is shaped by his autobiography *Six Crises*, Oliver Stone's surprisingly sympathetic film *Nixon*, John Adams's landmark opera *Nixon in China* or by the saga of Watergate, *Reinventing Richard Nixon* expands on all perspectives. It shows how through these contradictory mythic stories we continue to reinvent much like Nixon himself our own sense of national identity. *1960: LBJ vs. JFK vs. Nixon* David

Pietrusza, 2018-09-04. *1960* aims to take us deeper into the campaign than Theodore White's famous *The Making of the President 1960*. And it does. *Chicago Sun Times*. This is award-winning historian David Pietrusza's hard-edged account of the 1960 presidential campaign, the election that ultimately gave America Camelot and its tragic aftermath. It is the story of the bare-knuckle politics of the primaries, the party conventions, backroom dealings, the unprecedented television debates, the hot-button issues of race, religion, and foreign policy, and at the center of it all three future presidents: Lyndon Johnson, John F. Kennedy, and Richard Nixon. Terrific. Robert A. Caro, winner of two Pulitzer Prizes and the National Book Award. A stirring, hard-edged political saga. An outstanding reexamination. *Booklist*. *1960* provides new insights into that year's hard-fought pivotal election, but more than that, *1960* is great storytelling, a fascinating can't-put-it-down account of how American politics really works. Former United States Attorney General Richard Thornburgh. Essential for understanding the political forces that in many ways shaped the world we live in today. David Mark, author of *Going Dirty: The Art of Negative Campaigning*. *Six Crises*. Richard M. Nixon, 2015-12-06. *Six Crises* is the first book written by Richard M. Nixon, the 37th President of the United States. This book was published in 1962. It recounts Nixon's recollections of six major political situations that required crisis management on his part. Why did Nixon write this book? Nixon was motivated to write this book in order to enhance his faltering public image, which sorely needed enhancement. In 1962, Nixon was at a low point in his life, yet he was planning a political comeback. His efforts were successful because of the intensity of his will and his dogged determination. In just six years, he became President of the United States and leader of the free world. Tragically, in another six years, his character flaws caused him to lose everything. His career started in 1946 when he was elected to the U.S. Congress and to the Senate. Four years later, President Eisenhower selected him to be Vice President. In 1960, he was doing well. Then, in 1960, he

lost the presidential election to John F Kennedy This blow seemed to end his public life The next January after his Vice Presidential term ended he returned home to California He intended to retire from politics and practice law *The Eighteen-Day Running Mate* Joshua M. Glasser,2012-07-31 No skeletons were rattling in his closet Thomas Eagleton assured George McGovern s political director But only eighteen days later after a series of damaging public revelations and feverish behind the scenes maneuverings McGovern rescinded his endorsement of his Democratic vice presidential running mate and Eagleton withdrew from the ticket This fascinating book is the first to uncover the full story behind Eagleton s rise and precipitous fall as a national candidate Within days of Eagleton s nomination a pair of anonymous phone calls brought to light his history of hospitalizations for nervous exhaustion and depression and past treatment with electroshock therapy The revelation rattled the campaign and placed McGovern s organization under intense public and media scrutiny Joshua M Glasser investigates a campaign in disarray and explores the perspectives of the campaign s key players how decisions were made and who made them how cultural attitudes toward mental illness informed the crisis and how Eagleton s and McGovern s personal ambitions shaped the course of events Drawing on personal interviews with McGovern campaign manager Gary Hart political director Frank Mankiewicz and dozens of other participants inside and outside the McGovern and Eagleton camps as well as extensive unpublished campaign records Glasser captures the political and human drama of Eagleton s brief candidacy Glasser also offers sharp insights into the America of 1972 mired in war and anxious about the economy a time with striking similarities to our own

One Lost Soul Daniel Silliman,2024-08-08 Impious and amoral petty and vindictive Richard Nixon is not the typical protagonist of a religious biography But spiritual drama is at the heart of this former president s tragic story The night before his resignation Richard Nixon wept and prayed Though his demanding parents had raised him Quaker he wasn t a regular churchgoer nor was he quick to express vulnerability As Henry Kissinger witnessed Nixon s loneliness and humiliation that night he remarked Can you imagine what this man would have been had somebody loved him In this provocative and riveting biography Daniel Silliman cuts to the heart of Nixon s tragedy Nixon wanted to be loved by God but couldn t figure out how This profound theological struggle underlay his successes and scandals his turbulent political career his history changing victories and his ultimate disgrace As Silliman narrates the arc of his subject s life and career he connects Nixon s character to religious influences in twentieth century America from Cold War Christianity to Chick tracts Silliman paints a nuanced spiritual portrait of the thirty seventh president just as he offers fresh insight into US political and religious history Readers who lived through Watergate will discover a new perspective on an infamous controversy A historical page turner **One Lost Soul** will surprise and absorb students scholars and anyone who likes a good story

Alger Hiss's Looking-Glass Wars G. Edward White,2004-03-11 For decades a great number of Americans saw Alger Hiss as an innocent victim of McCarthyism a distinguished diplomat railroaded by an ambitious Richard Nixon And even as the case against Hiss grew over time his dignified demeanor helped create an aura of innocence that outshone the

facts in many minds Now G Edward White deftly draws together the countless details of Hiss s life from his upper middle class childhood in Baltimore and his brilliant success at Harvard to his later career as a self made martyr to McCarthyism to paint a fascinating portrait of a man whose life was devoted to perpetuating a lie White catalogs the evidence that proved Hiss s guilt from Whittaker Chambers s famous testimony to copies of State Department documents typed on Hiss s typewriter to Allen Weinstein s groundbreaking investigation in the 1970s The author then explores the central conundrums of Hiss s life Why did this talented lawyer become a Communist and a Soviet spy Why did he devote so much of his life to an extensive public campaign to deny his espionage And how without producing any new evidence did he convince many people that he was innocent White offers a compelling analysis of Hiss s behavior in the face of growing evidence of his guilt revealing how this behavior fit into an ongoing pattern of denial and duplicity in his life The story of Alger Hiss is in part a reflection of Cold War America a time of ideological passions partisan battles and secret lives It is also a story that transcends a particular historical era a story about individuals who choose to engage in espionage for foreign powers and the secret worlds they choose to conceal In White s skilled hands the life of Alger Hiss comes to illuminate both of those themes

Campaign of the Century Irwin F. Gellman, 2022-01-04 Based on massive new research a compelling and surprising account of the twentieth century s closest election The 1960 presidential election between John F Kennedy and Richard Nixon is one of the most frequently described political events of the twentieth century yet the accounts to date have been remarkably unbalanced Far more attention is given to Kennedy s side than to Nixon s The imbalance began with the first book on that election Theodore White s *The Making of the President 1960* in which as he later admitted White deliberately cast Kennedy as the hero and Nixon as the villain and it has been perpetuated in almost every book since then Few historians have attempted an unbiased account of the election and none have done the archival research that Irwin F Gellman has done Based on previously unused sources such as the FBI s surveillance of JFK and the papers of Leon Jaworski vice presidential candidate Henry Cabot Lodge and many others this book presents the first even handed history of both the primary campaigns and the general election The result is a fresh engaging chronicle that shatters long held myths and reveals the strengths and weaknesses of both candidates Nixon Stephen E. Ambrose, 1987 Volume one of Nixon s biography

Nixon Volume I Stephen E. Ambrose, 2014-03-18 From acclaimed biographer Stephen E Ambrose comes the life of one of the most elusive and intriguing American political figures Richard M Nixon From his difficult boyhood and earnest youth to his ruthless political campaigns for Congress and Senate to his defeats in 60 and 62 Richard Nixon emerges life size in all his complexity New York Times bestselling author Stephen Ambrose charts the peaks and valleys of Nixon s first fifty years his critical support as a freshman congressman of the Truman Doctrine and the Marshall Plan his involvement in the House Committee on Un American Activities his aggressive pursuit of Alger Hiss his ambivalent relationship with Eisenhower and more It is the consummate biography and a stunning political odyssey *Just Plain Dick* Kevin Mattson, 2012-09-18 A behind

the scenes 60th anniversary commemoration of the 37th President s famous Checkers speech demonstrates how it salvaged a psychologically troubled Nixon s position on Eisenhower s Republican ticket set the tone for the 1952 campaign and reflected period politics and culture By the author of What the Heck Are You Up To Mr President

Six Crises Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the energy of words has be evident than ever. They have the capability to inspire, provoke, and ignite change. Six Crises Introduction

In the digital age, access to information has become easier than ever before. The ability to download Six Crises has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Six Crises has opened up a world of possibilities. Downloading Six Crises provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Six Crises has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Six Crises. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Six Crises. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Six Crises, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Six Crises has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Six Crises Books

1. Where can I buy Six Crises books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Six Crises book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Six Crises books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Six Crises audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or

community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Six Crises books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
