Skills In Australian Geography:

Skills in Australian Geography Grant Kleeman, Andrew Peters, 2002 Skills in Australian Geography has been written by one of Australia's leading geography educators. It provides students in NSW with everything they need to practice the skills required by the new Geography Stages 4-5 syllabus and to prepare for the new School Certificate exam. Skills in Australian Geography is an attractive stimulus-based text. It has been written to help teachers respond to the shift in emphasis from a content-based approach to a skills-based approach to geography. It contains topographic map extracts, thematic maps, aerial and oblique photographs, graphs, tables, and a range of innovative support material including crosswords and wonderwords. The text is designed to ensure that students continue to enjoy geography as a mandatory subject as much as they did when it was an elective.

Skills in Australian Geography Grant Kleeman, Andrew Peters, 2007-07-01 Skills in Australian Geography is an up-to-date practical geography text designed for students in years 9-10. This second edition brings together a collection of topographic map extracts, exercises that enable students to understand geography through practice and supporting explanatory text. Accompanying each map extract is a set of graded questions that help students come to grips with the key geographic skills required at this level. Presented in large full-colour format, students and teachers will find this book easy to use and follow.

Skills in Geography Grant Kleeman, 2014 **Keys to Geography** AGTA, Australian Geography Teachers' Association, 2010 The second edition of this market-leading text will enrich all Geography classrooms. It is packed with updated facts and figures on maps, graphs, diagrams, statistics, and photographs and includes a significantly revised technology chapter that covers Google technologies and geographic information systems. The package contains student-friendly explanations, descriptions, and worked examples with skills being introduced sequentially. Published in conjunction with the Australian Geography Teacher's Association.

Keys to Fieldwork Grant Kleeman, 2008 A practical fieldwork manual for all Geography students. Written by some of Australia's leading Geography teachers, the manual provides comprehensive explanations of selected fieldwork activities and the geographical skills and tools needed to undertake them. The student-friendly method of step-by-step explanations and descriptions of fieldwork activities and techniques extend students' geographic skills beyond the classroom. A wealth of current Australian fieldwork examples are provided that
