Slaughter In The Ring:

Chokehold: Pro Wrestling's Real Mayhem Outside the Ring Weldon T. Johnson, Jim Wilson, 2003-09-02 This meticulously crafted and searing critique of pro wrestling is unlike any wrestling book published. Chokehold is a penetrating description of pro wrestling's dark side: a secret underworld of deception, exploitation, and greed. The storyteller is Big Jim Wilson, All American football player and survivor of seven years in the NFL who was promised wealth and the world championship as pro wrestler. Instead, Jim Wilson found a surprisingly lucrative sports entertainment industry built on a pyramid of secrets that included abusive control of its performers and a long history of illegal business practices and corruption of politicians and state athletic commissions. Chokehold describes and documents the abuses that Jim Wilson witnessed and endured: blacklisting, strong arm tactics, homosexual blackmail, defiance of the U.S. Justice Department, and bribery of TV executives and arena managers. Chokehold is an explosive indictment of the pro wrestling industry's business practices as well as a thoughtful proposal for pro wrestling's reform. This book is not a conventional exposé of pro wrestling's orchestrated stunts, gimmicks, and blade jobs. Instead, it is an unprecedented examination of pro wrestling's less visible cons outside the ring: its hidden manipulation of wrestlers with broken promises and broken bones, and a backstage power of the pencil that writes scripts for wrestler stardom or extinction. Chokehold describes a secret slice of the wrestling life where traveling troupes of heels and babyfaces understand how they got into the game but cannot find a way up or out. This is the story of why and how the big guys almost always lose. Chokehold is part autobiography and part pro wrestling history. Written in wrestling speak, the industry's insider argot, it is dedicated to the memory of the older boys whose broken bodies and shattered lives should have taught us something. In addition to Jim Wilson's experiences in the business, this book reviews significant but forgotten episodes in the wrestling industry's long history of gangland tactics. The industry's infamous blacklist is revisited by revealing the dozens of wrestlers from the past whose names were on it. The industry's history of predatory promotional wars in California, Georgia, Texas, and Virginia is told with FBI reports obtained through a Freedom of Information Act request. From court documents, this book names compromised state athletic commissions, TV station managers, and local politicians from wrestling's viewpoint: the best that money could buy. There are many famous wrestling names in this book: Gorgeous George, Lou Thesz, Jack Brisco, the Funk Brothers, Dusty Rhodes, Bruiser Brody, Bill Watts, and others. Another is The Sheik, Eddie Farhat, who says, "There ain't no nice guys in this business. There ain't no people there's dollars." Another is Jim Wilson's tag team partner, Thunderbolt Patterson, who warned Jim, "The wrestling business takes advantage of anybody who has any notoriety or ability. You got to understand that wrestlers are worse than whores. They are pimped. They use you as long as they possibly can, or as long as you don't complain. When you complain, they get rid of you." Another is Jim Wilson's friend, The Magnificent Zulu, Ron Pope, who summarizes his career this way: "It's such a crooked business. The guys, the wrestlers, are a bunch of crooks. They steal from the marks, and the promoters steal from them. The guys

wrestlers want to be stars Theyll do anything theyll cut throats for it Actually wrestlers dont have to be paid All they need is a couple of six packs of beer a night and a nice looking ring rat with a good body Or drugs and a ring rat Its not the money Its being a star Its the glory and the pussy This book confronts the wrestling industrys traditional practice of punishing wrestlers who refuse

Slaughter In The Ring Introduction

In the digital age, access to information has become easier than ever before. The ability to download Slaughter In The Ring has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slaughter In The Ring has opened up a world of possibilities. Downloading Slaughter In The Ring provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slaughter In The Ring has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slaughter In The Ring. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slaughter In The Ring. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Slaughter In The Ring, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slaughter In The Ring has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
