When Marilyn Met the Queen Michelle Morgan,2022-05-03 In July 1956 Marilyn Monroe arrived in London on honeymoon with her husband Arthur Miller to make *The Prince and the Showgirl* with Sir Laurence Olivier It was meant to be a happy time I am dying to walk bare headed in the rain I think England sounds adorable Marilyn Monroe Marilyn would work during the day at Pinewood Studios in Iver Heath while Arthur would write Then in the evening the couple would be able to relax together in their private English country cottage But the cottage was a mansion in Englefield Green and Marilyn used to living in tiny hotel rooms and apartments felt herself being watched She was by several of owner Lord Drogheda s servants who were selling stories to the papers And when filming began all did not go as hoped Over time Marilyn grew to hate Olivier the feeling was mutual Marilyn found herself a curiosity for the frequently hostile British press She took solace in bike rides in Windsor Great Park in small acts of kindness from members of the public and in a growing fascination with Queen Elizabeth whom she longed to meet and eventually did

On Marilyn Monroe Richard Barrios,2023 She was born nearly a century ago and has been gone for well over half that time The body of work she left behind is of limited size and in some cases debatable quality The environment in which she thrived popular entertainment in the 1950s is a distant memory if that Those are indisputable facts Why is it then that they seem so immaterial How is it that the phenomenon continues unabated that the iconography and mythology only seem to increase Why all the interest and speculation and merchandising and why all the documentaries and miniseries about her Plus to cut a little closer all those shelves of books With Marilyn Monroe there is never one single answer To start with one of the most obvious some of it has to do with the element of tragedy the special kind that crashes in when a life of magnetic achievement and renown is cut short with miserable suddenness Alexander the Great Joan of Arc Byron and Keats Valentino Hank Williams James Dean the Kennedys Malcolm X Dr King Joplin and Hendrix and Morrison Elvis Princess Diana Michael Jackson How natural to mourn how easy to speculate on what could have been Monroe offers unusually ripe territory for this with her blatant rapid fire explosion into the world s consciousness the tumult and visibility of her private and professional paths and the sharply cut off way she died overlaid with just enough ambiguity to cause some people to wonder about the circumstances From there eventually and alas to an unseemly franchise based on conjecture about that death with most of the ruminations drenched in paranoia and personal agendas

The Life of the Buddha - Part One and Part Two REV.

SIRIDHAMMA, This short introduction of the Life of the Buddha rendered as Part I of a two volume work was compiled by the Rev Siri Dhamma when he was a novice monk in the Brickfields Buddhist Temple After the script had been completed the Venerable H Guna ratna and Mr Lim Eng Chuan went through the details and each gave suggestions and ideas which had since then been incorporated and used to complete this valuable booklet This publication meets a long felt need for a suitable text book for Lower Secondary School standards that deals particularly with the period of earthly existence of the Buddha Although the account of the Life in the book is set down very briefly I believe that this presentation offers a good deal of material for the study of our Great Master s Life Teachers of the Dhamma classes in the various Buddhist Sunday Schools and even other religious institutions may elaborate on certain lessons to their satisfaction in their classes when this booklet is used as a textbook Since the material dealt with is very fundamental and comprises the basic knowledge desired of a junior beginning the study of Buddhism it is recommended that teacher make sure the students have grasped the principles involved in each topic or lessons by getting the class to answer questions set down at the end of every chapter The omission of legend and the absence of accounts of miracles from the compilation is intended to indicate that the contribution of the Buddha to world Happiness and His Supreme Enlightenment when he was born a man had successfully bridged the gap between man and divinity is more than enough for anyone who seeks the Truth to appreciate and accept the Method of the Great Master without having to call on miracles and legends to highlight His life As a compensation for the many pages of words and words there are several good illustrations pertaining to the Life of the Buddha I believe our young readers will be pleased with these illustrations as they have been specially selected for the book having relevant bearing on the period the custom as well as the dignity of the occasion for each topic represented Many of the illustrations are by courtesy of the Buddhist Informa tion Centre Sri Lanka Thanks are due to the Buddhist Missionary Society for undertaking the publication of the two volumes and for meeting the cost of printing

Kenneth Tynan Dominic Shellard, 2003-01-01 Kenneth Tynan 1927 1980 lived one of the most intriguing theatre lives of the twentieth century A brilliant writer critic and agent provocateur he made friends or enemies of nearly every major actor playwright impresario and movie mogul of the 1950s 60s and 70s Working on each side of the Atlantic during various periods in his career Tynan wrote for the *Evening Standard* the *Observer* and the *New Yorker* was lured by Laurence Olivier in the early 1960s to become dramaturg of Britain s newly formed National Theatre and spent his final years in Los Angeles This biography offers the first complete appraisal of Tynan s powerful contribution to post war British theatre set against the context of the fifties sixties and seventies of his own turbulent life Shellard proves beneath the celebrity myths to uncover Tynan the private man

and theatre genius He draws on Tynan's own extensive personal papers and diaries taped interviews with theatre professionals who knew him and fascinating letters to such correspondents as Tennessee Williams Marlene Dietrich George Devine Peter Brook Alec Guinness and Terence Rattigan Shellard highlights Tynan's early writings when the brilliant young critic came to national prominence and discusses how Tynan gained a left wing readership took his place at the vanguard of the new realist movement and helped to establish subsidized theatre He shows how through indefatigable battles against theatre censorship and railings against the myopia of a politically and culturally insular Britain Tynan helped create some of the most controversial theatrical events of the 1960s and 70s including *Oh Calcutta* Exploring the public and private sides of Tynan Shellard reveals an outspoken explicit and sometimes savage critic who ranks among the most influential theatre figures of the twentieth century
