*Migration and Literature* S. Frank, 2008-09-29 Migration and Literature offers a thought provoking analysis of the thematic and formal role of migration in four contemporary and canonized novelists **Günter Grass and His Critics** Siegfried Mews, 2008 A comprehensive narrative overview and analysis of the criticism of the controversial German author s works When the Swedish Academy announced that G nter Grass had been awarded the 1999 Nobel Prize for Literature it singled out his first novel *The Tin Drum* 1959 English translation 1963 as a seminal work that had signaled the postwar rebirth of German letters auguring a new beginning after decades of linguistic and moral destruction Nearly fifty years after its publication the novel s significance has been generally acknowledged it is the uncontested favorite among Grass s works of fiction on the part of reading public and critics alike yet its canonical status tends to obscure the decidedly mixed and even

hostile reactions it initially elicited Along with The Tin Drum Grass's impressive body of literary work since the 1950s has spawned a cottage industry of Grass criticism making a reliable guide through the thicket of sometimes contradictory readings a definite desideratum Siegfried Mews fills this lacuna in Grass scholarship by way of a detailed but succinct descriptive as well as analytical and evaluative overview of the scholarship from 1959 to 2005 Grass's politically motivated interventions in public discourse have kept him highly visible blurring the boundaries between politics and aesthetics Mews therefore examines not only academic criticism but also the daily and weekly press and other news media providing additional insight into the reception of Grass's works Siegfried Mews is Professor of German at the University of North Carolina at Chapel Hill **Literature of Europe and America in the 1960s** Spencer Pearce, Don Piper, 1989

Encyclopedia of German Literature Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings *Modern Drama in Theory and Practice: Volume 3, Expressionism and Epic Theatre* J. L. Styan, 1983-06-09 Modern drama in theory and J L Styan v 3 *Günter Grass* Ronald Hayman, 2024-11-01 Günter Grass is one of the writers who grew up in a Germany already in the grip of Nazism None of them has found better ways than his of translating the sordid history of the movement into fiction none has looked more critically at the denazification and reconstruction of Germany In this important study originally published in 1985 Ronald Hayman scrutinizes Grass's development and assesses his achievement He finds that Grass's more recent work does not fulfil the promise of the *The Tin Drum* and his other early novels While this study focuses mainly on the fiction it also takes into account the poetry plays political writing criticism and graphic work Grass is important not only as an exemplar of the guilt laden German conscience but as one of the most ambitious and accomplished living fabulists **Günter Grass** Richard H. Lawson, 1985 "The Fisherman and His Wife" Siegfried Mews, 1983 Grass said *The Flounder* is about women and food but it is also about women and war including what women have done against war unfortunately mostly silence Regarding his view on the human sexes and its influence on the novel Grass said Most women who read the book all the way through like it Those in the women's liberation movement who say there is no difference between men and women don't like it I like the difference I hate those who don't like the difference between men and women *Art, Nation and Gender* Síghle Bhreathnach-Lynch, 2018-01-18 This title was first published in 2003 The essay collection explores the conjunctions of nation gender and visual

representation in a number of countries including Ireland Scotland Britain Canada Finland Russia and Germany during the nineteenth and twentieth centuries The contributors show visual imagery to be a particularly productive focus for analysing the intersections of nation and gender since the nation and nationalism as abstract concepts have to be embodied in ways that make them imaginable especially through the means of art They explore how allegorical female figures personify the nation across a wide range of visual media from sculpture to political cartoons and how national architectures may also be gendered They show how through such representations art reveals the ethno cultural bases of nationalisms Through the study of such images the essays in this volume cast new light on the significance of gender in the construction of nationalist ideology and the constitution of the nation state In tackling the conjunctions of nation gender and visual representation the case studies presented in this publication can be seen to provide exciting new perspectives on the study of nations of gender and the history of art The range of countries chosen and the variety of images scrutinised create a broad arena for further debate

*Günter Grass* Julian Preece, 2018-02-15 Günter Grass was Germany's foremost writer for more than half a century and his books were and remain best sellers across the world *The Tin Drum* was made into an Oscar winning film in 1979 and the memoir *Peeling the Onion* astounded readers by revealing Grass had been drafted into the military wing of the SS a ruthless component of the Nazi war machine in the closing months of World War II Grass also wrote memorably about the German student movement feminism and German reunification and was a key influence on magical realist authors such as Gabriel García Márquez and Salman Rushdie as well as on the popular novelist John Irving Günter Grass is the first biography in English of this Nobel Prize winning writer Julian Preece introduces both Grass's key works and political activities chronicling his interaction with major figures from literary and public life like Holocaust poet Paul Celan Chancellor Helmut Kohl and cofounder of the Red Army Faction Ulrike Meinhof From Grass's campaigning as a citizen for the anti-Nazi resistor and Social Democrat leader Willy Brandt to his more recent invectives against free market capitalism Preece places Grass's fiction and public work in the context of Cold War European politics and post-unification Germany painting an indelible portrait of a writer who reinvented the postwar German novel and redefined the role of literary commitment
