Speaking His Peace A Desk For Preachers:

Preacher's Peace William W. Johnstone, 2016-06-28 Long before there was a mountain man called Preacher a young adventurer set off with a team of fur traders from St Louis for the time of his life On a wild frontier he sought a fortune Instead he found blood betrayal and the beginning of a legend Armed only with a knife surrounded by a fierce Blackfoot war party the young man was forced to kill a warrior chief in an act of audacious courage But when a grizzly bear attack left him half dead he could no longer protect himself By the time the Blackfeet found him again he had been abandoned and doublecrossed with only one last trick up his sleeve the ability to talk himself out of an impossible situation and into a battle for his life So began William Johnstone's masterful saga of the courageous loner who would become known as Preacher Because when he was alone and desperate he drew on a preacher's skills and a mountain man's cunning to give his enemies hell
