**Speaking with Angels** Iris Paxino, 2023-05-15 If you wish to learn you may learn I go now and will come again And yet I am always with you This was the conclusion to a surprising message that psychologist Iris Paxino received from a bright angelic entity who appeared to her unannounced radiating a comforting warmth filled light The angel's words left her awestruck and deeply moved Paxino had long had the gift of knowing angels but it was immediately apparent to her that this special encounter marked a new beginning She was in no doubt that she did indeed want to learn and thus began a lively intense dialogue that offered an abundance of insights into the work of angels She discovered that in addition to our guardian angel each of us has a circle of twelve angels who accompany us throughout life and beyond death that we have double and shadow angels and that families communities and social groups have their own angels as do specific landscapes In a series of intimate and enlightening conversations Paxino relates knowledge about these and other types of spiritual beings Angels suffer in sympathy with the earth and stand by us in the dark times of human existence Despite everything they do not condemn but love us with such devotion that we can scarcely comprehend it      **Angelspeake** Barbara Mark, Trudy Griswold, 2014-09-16 Your angels want to speak to you It's important to them that you know who they are and that you receive their loving messages of guidance and support It's easy to communicate with them Now in this simple practical guide Barbara Mark and Trudy Griswold show you that the act of writing to your angels and receiving answers means that you can take the initiative and ask for help for understanding for love In Angelspeake you will learn how rewarding and helpful it is to meet your angels Barbara and Trudy give you clear step by step instructions on how to bring angelic teachings into your life using the Four Fundamentals for initiating spiritual assistance Ask for the angels to be with you Believe and trust that they will be there Let It Happen and begin writing It's the same loving voice you have heard many times before Finally Say Thank You It's that simple Angelspeake is filled with inspirational angel teachings and true stories of people whose lives have been changed by association with the angels Barbara and Trudy teach that you can receive helpful personal information by talking with your angels whether you are in a personal crisis looking for a new job or relationship or want to buy a house The angels will help      *How to Talk to Angels* Lucinda Gabriel, 2017-03-08 Invite divine beings into your daily life and benefit from their loving guidance with How to Talk to Angels Using easy to follow techniques and simple exercises this practical guide shows you how to develop your intuition and your clairs to better communicate with angels and receive their sacred messages Angels are more than willing to help improve your health and increase the love abundance and joy in your life Learn how to connect with them and see their angelic signs all around you Discover your heart's desires and how to attract what you want through meditation prayer and gratitude Explore ways to release fear raise your self esteem forgive yourself and others manifest money and take divinely guided actions With angels by your side you'll create a life beyond your wildest dreams      *Speaking of Angels* David T. St. Albans, 2000 Speaking of Angels is one author's journal of

of the world Milton's Angels The Early Modern Imagination explores the fate of angels in Reformation Britain and shows how and why Paradise Lost is a poem about angels that is both shockingly literal and sublimely imaginative

**Visitations to Heaven and Talking with Angels** Brenda J. Medley, 2019-02-05 Would God actually summon someone to Heaven far above the earth the sun the moon and all the constellations Prior to standing on a cloud and viewing all of Heaven's beauty and glory my answer would have been an emphatic no However I found myself standing on a fluffy impenetrable white cloud witnessing the beautiful holy city called Heaven and then I saw Him His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon There is no verbal vernacular to adequately describe the exquisite golden streets breathtaking jeweled walls fragrances incomparable to any on earth and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords There are nine classifications of Angels all having different assignments Some have four faces one resembling that of a man and the other three faces are the likenesses of animals Only the Angels assigned to mankind sent to provide assistance directions encouragement instructions or to reveal or fulfill the plan of God resemble human beings There is life after death and a Heavenly home where Yeshua Hamashia Jesus the Christ resides and where He has prepared a residence for all those who love Him Many personal visitations of Angels and that of Heaven are included in this writing In fact it was an Angel who prompted me to pen this book and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural
