Speaking Of The University Two Decades At Vanderbilt:

Speaking of the University Alexander Heard, 1995 A retrospective on the nature of university governance and leadership in a crucial era by a signal spokesman for higher education in our times

She Hath Been Reading Katherine West Scheil, 2012-05-08 In the late nineteenth century hundreds of clubs formed across the United States devoted to the reading of Shakespeare From Pasadena California to the seaside town of Camden Maine from the isolated farm town of Ottumwa Iowa to Mobile Alabama on the Gulf coast Americans were reading Shakespeare in astonishing numbers and in surprising places Composed mainly of women these clubs offered the opportunity for members not only to read and study Shakespeare but also to participate in public and civic activities outside the home In *She Hath Been Reading* Katherine West Scheil uncovers this hidden layer of intellectual activity that flourished in American society well into the twentieth century Shakespeare clubs were crucial for women s intellectual development because they provided a consistent intellectual stimulus more so than was the case with most general women s clubs and because women discovered a world of possibilities both public and private inspired by their reading of Shakespeare Indeed gathering to read and discuss Shakespeare often led women to actively improve their lot in life and make their society a better place Many clubs took action on larger social issues such as women s suffrage philanthropy and civil rights At the same time these efforts served to embed Shakespeare into American culture as a marker for learning self improvement civilization and entertainment for a broad array of populations varying in age race location and social standing Based on extensive research in the archives of the Folger Shakespeare Library and in dozens of local archives and private collections across America *She Hath Been Reading* shows the important role that literature can play in the lives of ordinary people As testament to this fact the book includes an appendix listing more than five hundred Shakespeare clubs across America

A Bibliography of Tennessee History, 1973-1996 W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries *A Bibliography of Tennessee History* will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee s rich and colorful past A sequel to Sam B Smith s invaluable 1973 work *Tennessee History A Bibliography* this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state s history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women s history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The

Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South Athens of the New South Mary Ellen Pethel,2024-01-12 A diverse and vibrant collection of colleges and universities has always set Nashville apart from other southern cities I m excited to see Mary Ellen Pethel exploring the history of a force for good that continues to inspire and shape our city Meagan Barry Mayor of Nashville In 2013 the New York Times identified Nashville as America s it city a leading hub of music culture technology food and business But long before the Tennessee capital was known as the Athens of the South as a reflection of the city s reputation for and investment in its institutions of higher education which especially blossomed after the end of the Civil War and through the New South Era from 1865 to 1930 This wide ranging book chronicles the founding and growth of Nashville s institutions of higher education and their impressive impact on the city region and nation at large Local colleges and universities also heavily influenced Nashville s brand of modernity as evidenced by the construction of a Parthenon replica the centerpiece of the 1897 Centennial Exposition By the turn of the twentieth century Vanderbilt University had become one of the country s premier private schools while nearby Peabody College was a leading teacher training institution Nashville also became known as a center for the education of African Americans Fisk University joined the ranks of the nation s most prestigious black liberal arts universities while Meharry Medical College emerged as one of the country s few training centers for African American medical professionals Following the agricultural industrial model Tennessee A David Lipscomb College the instructional arm of the Church of Christ and Roger Williams University which trained black men and women as teachers and preachers made important contributions to the higher educational landscape In sum Nashville was distinguished not only by the quantity of its schools but by their quality Linking these institutions to the progressive and educational reforms of the era Mary Ellen Pethel also explores their impact in shaping Nashville s expansion on changing gender roles and on leisure activity in the city which included the rise and popularity of collegiate sports In her conclusion she shows that Nashville s present day reputation as a dynamic place to live learn and work is due in no small part to the role that higher education continues to play in the city s growth and development MARY ELLEN PETHEL is the archivist and a member of the Social Science Department at Harpeth Hall School in Nashville At Belmont University also in Nashville Dr Pethel is a Global Leadership Studies Fellow and teaches in the Honors Department *Strong Inside (Young Readers Edition)* Andrew Maraniss,2017-12-26 The inspirational true story of the first African American to play college basketball in the deeply segregated Southeastern Conference a powerful moment in Black history Perry Wallace was born at an historic crossroads in U S history He entered kindergarten the year that the Brown v Board of Education decision led to integrated

schools allowing blacks and whites to learn side by side A week after Martin Luther King Jr s I Have a Dream speech Wallace enrolled in high school and his sensational jumping dunking and rebounding abilities quickly earned him the attention of college basketball recruiters from top schools across the nation In his senior year his Pearl High School basketball team won Tennessee s first racially integrated state tournament The world seemed to be opening up at just the right time and when Vanderbilt University recruited Wallace to play basketball he courageously accepted the assignment to desegregate the Southeastern Conference The hateful experiences he would endure on campus and in the hostile gymnasiums of the Deep South turned out to be the stuff of nightmares Yet Wallace persisted endured and met this unthinkable challenge head on This insightful biography digs deep beneath the surface to reveal a complicated profound and inspiring story of an athlete turned civil rights trailblazer Praise for Strong Inside This moving biography is thought provoking riveting and heart wrenching though it remains hopeful as it takes readers into the midst of the basketball and civil rights action Booklist STARRED review This portrait of the fortitude of a young athlete will make a huge impact on teens and is guaranteed to spark serious discussion School Library Journal Even if you re not a history buff this important story is worth your time Sports Illustrated Kids A fascinating very personal account of the effect that the civil rights movement had on one individual a must purchase for any middle school or high school library Miss Yingling Reads **Tennessee Historical Quarterly** ,1997 **Pediatric Cochlear Implantation** Nancy M. Young,Karen Iler Kirk,2024-12-27 This second edition text will provide updated information to professionals and students in fields relevant to cochlear implantation The main objective of this book is to provide the latest information about pediatric candidacy evaluation medical and vestibular evaluation surgery language and literacy outcomes habilitation spatial hearing influence of family dynamics and educational needs This text also expands upon newer indications including unilateral and asymmetric hearing loss management of children with residual hearing and management of children from families whose primary language is Spanish Additional important new topics discussed include the role of interprofessional training to better serve children the Australian hearing health care model to achieve early implantation and addressing global barriers to pediatric implantation Pediatric Cochlear Implantation is ideal for both trainees and practicing otolaryngologists otologists neurotologists audiologists speech language pathologists psychologists and educators who work with deaf and hard of hearing children Where We Stand Dan Carter,Leslie Dunbar,Gene Nichol,Daniel H. Pollitt,2004-01-01 This book contains essays from twelve leading Southern historians activists civil rights attorneys law professors and theologians They discuss militarism religion the environment voting rights the Patriot Act the economy prisons and crime and other subjects significant to the South and the Nation in the ongoing debate about the future of the United States The writers come from or have been active in the affairs of each of the former Confederate states BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Vanderbilt Alumnus* ,1919 **Higher Education Law** Klinton W. Alexander,Kern Alexander,2010-12-14 Higher

Education Law is a comprehensive and accessible guide to the law of higher education Drawing from real life cases on United States campuses the authors equip readers with the tools and knowledge to effectively respond in an environment of increasing litigation This textbook clearly explains the higher education law emanating from federal and state constitutions as well as the common law flowing from appellate courts throughout the US Addressing a clear gap in the literature currently available this text provides an explanation of the point of law case examples rules of law case notes context setting This innovative approach weaves law into its historical political and sociological context and is designed to help students and professors better understand the law as it applies to colleges and universities It also provides higher education administrators in student affairs development philanthropy and financial affairs with clear guidance on the legal responsibilities of their respective offices

Christian Advocate ,1907 *Encyclopedia of Political Communication* Lynda Lee Kaid,Christina Holtz-Bacha,2007-12-21 2008 Best Reference Library Journal Political communication began with the earliest studies of democratic discourse by Aristotle and Plato However modern political communication relies on an interdisciplinary base which draws on concepts from communication political science journalism sociology psychology history rhetoric and others This two volume resource considers political communication from a broad interdisciplinary perspective encompassing the many different roles that communication plays in political processes in the United States and around the world The Encyclopedia of Political Communication discusses the major theoretical approaches to the field including direct and limited effects theories agenda setting theories sociological theories framing and priming theories and other past and present conceptualizations With nearly 600 entries this resource pays considerable attention to important political messages such as political speeches televised political advertising political posters and print advertising televised political debates and Internet sites The audiences for political communications are also central necessitating concentration on citizen reactions to political messages how the general public and voters in democratic systems respond to political messages and the effects of all types of media and message types

Key Features Encompasses several channels of political communication including interpersonal and public communication radio television newspapers and the World Wide Web Provides news media coverage and journalistic analysis of politics political issues political figures and political institutions Concentrates on the field of political communication since the middle of the 20th century Emphasizes political communication from the point of view of the United States but there is substantial and important research and scholarship on political communication in international contexts Considers the role of communication in governing incorporating communication activities that influence the operation of executive legislative and judicial bodies political parties interest groups political action committees and other participants in political processes

Key Themes Biographies Books Films Journals Television Democracy Democratization Education and Nonprofit Organizations Elections Government Operations and Institutions Legal and Regulatory Media Events Media Outlets and Programs Role of Media in Political Systems News Media Coverage of Politics Political Affairs

Theoretical Approaches Types of Political Media Political Attitudes Political Campaigns Political Events Political Groups and Organizations Political Issues Political Journalism Theoretical Concepts Women in Politics The Encyclopedia of Political Communication is designed for libraries undergraduates and members of the public with an interest in political affairs Media and political professionals as well as government officials lobbyists and participants in independent political organizations will find these volumes useful in developing a better understanding of how the media and communication function in political settings
