Speaking The Word Fearlessly Boldness In The New Testament:

Speaking the Word Fearlessly Stanley B. Marrow,1982-01-01 **Homiletic** David G. Buttrick,1987-01-01 Buttrick presents a complete homiletic that focuses on how sermons form in consciousness and how the language of preaching functions in the communal consciousness of a congregation His phenomenological approach marks a sharp departure from older homiletics **Will's Commentary on the New Testament, Volume 8: Galatians - Colossians** Harold E. Will,1995-01-01 **Trajectories in the Book of Acts** Paul Alexander,Jordan Daniel May,Robert G. Reid,2010-01-08 The book of Acts has served as the foundational biblical text for the development of Pentecostal theology and biblical studies since the outpouring of the Spirit at the Azusa Street Revival in 1906 Now over one hundred years have past since the Azusa Street Revival and the book of Acts is still at the forefront of the Pentecostal dialogue Trajectories in Acts draws together the work of leading Pentecostal scholars each bringing their expertise to bear in tracing and developing trajectories in Acts These essays have been brought together as a Festschrift in order to celebrate the influence scholarship and teaching career of John Wesley Wyckoff a noted figure in the Assemblies of God and a known voice in the Pentecostal dialogue **Paroimia and Parrësia in the Gospel of John** Thomas Tops,2022-02-07 The language of the Gospel of John is known for its complexity On the basis of the modern standards of transparency and logic previous scholars have depicted this language as obscure confusing and mysterious Thomas Tops goes beyond these oversimplifications by providing an in depth historical study of John s characterisation of Jesus language with the terms paroimia and parr e sia By providing original insights in these terms the author offers a new perspective on the functioning of Johannine language As the Johannine Jesus teaches both through paroimia and parr e sia his language conceals and reveals at the same time His criticism is veiled and calls on its addressees to search for the hidden meanings of his words Veiled speech allows the Johannine Jesus to criticise his opponents and openly reveal his messianic identity to those who cannot accept the truth in any other way The Living Church ,1982 *The Eyes of Faith* Ormond Rush,2009 Winner of the 2010 Lynlea Rodger Australia Theological Form ATF Press Theological Book Prize The Eyes of Faith presents a systematic theology of the sense of the faithful sensus fidelium and shows the fundamental and necessary interrelationship between sensus fidelium tradition Scripture theology and the magisterium Ormond Rush provides fresh perspectives on a number of issues He proposes that tradition and Scripture are the products of the sensus fidelium and that the inspiration of Scripture is best understood in terms of the Holy Spirit working through the sensus fidelium In addressing the role of the sensus fidei in the lives of individual believers the book provides a unique approach to the way Christians make sense of their faith within the diverse contexts of daily life It shows how the imaginative capacity of the sensus fidei forms a foundational notion for understanding the diversity of spiritualities inculturations and contextualizations of the Gospel in the history of the church up to the present This ecclesial activity of interpreting the Christ event through the sensus fidelium enables the church to proclaim the Gospel in new times and

cultures throughout history The Eyes of Faith proposes that for an effective teaching of the faith to contemporary Christians the distinctive roles of the magisterium and of theology must be conceived primarily in terms of and in relationship to the ecclesial Spirit given capacity of the *sensus fidelium* ABOUT THE AUTHOR Ormond Rush is lecturer of theology and former president of St Paul's Theological College in Banyo Australia and is president of the Australian Catholic Theological Association He is the author of *Still Interpreting Vatican II Some Hermeneutical Principles and The Reception of Doctrine An Appropriation of Hans Robert Jauss Reception Aesthetics and Literary Hermeneutics* PRAISE FOR THE BOOK In addition to its internal argumentation the book's extensive footnotes Scriptural references and Church documents will make it a tremendously valuable tool for advanced researchers in several theological areas including pneumatology ecclesiology Scripture studies and hermeneutics Highly recommended C A Monteverchio *Choice* Some works of scholarship stand out providing a point of reference and showing the way forward Orm Rush's study is in this class and it is not surprising that its first release by CUA Press is a splendid hardback volume This work makes a significant contribution to Catholic Theology Rev John Thornhill SM *The Australasian Catholic Record* Rush provides a theologically perceptive panorama of the *sensus fidelium* at work in the church under the guidance of the Holy Spirit In addition to offering numerous insights usually beneficial and sometimes provocative Rush's study is extraordinarily well researched This volume is an outstandingly creative and comprehensive theological study of the grace of the Holy Spirit acting through the *sensus fidelium* in the reception of revelation in the church John Ford CSC *Theological Studies* Rush has here provided us with a sophisticated study of theological hermeneutics as well as a foundational work in ecclesiology Lawrence S Cunningham *Commonweal* This detailed and well argued book explores the phenomenon of reception in both the Bible and in contemporary Roman Catholic tradition An insightful study for those interested in the newest wave of Roman Catholic dogmatic theology which tends to draw deeply from biblical sources as well as Vatican teaching this book genuinely advances discussions of the doctrine of reception Aaron Klink *Religious Studies Review* [A Realist's Church](#) Christopher Denny, Patrick Hayes, Nicholas Rademacher, 2015-10-15 *Preaching Like Paul* James W. Thompson, 2000-01-01 In contrast with the widely popular interest in narrative styles Professor Thompson believes Paul's letters offer a different and valid model for preaching today He clearly demonstrates how the manner of preaching used in the pre-Christian culture of Paul is both appropriate and effective in our contemporary post-Christian culture Unlike most books on preaching this book does not focus on homiletic technique but on the goal of preaching a needed missing component in contemporary homiletic discussion [Sacra Pagina: Philippians and Philemon](#) Bonnie B. Thurston, Judith Ryan, 2023-06-13 Although relatively brief *Philippians* is one of the most interesting and beloved of Paul's undisputed epistles In *Philippians and Philemon* Bonnie Thurston makes a convincing case that canonical *Philippians* is as Paul wrote it one letter Although there is not enough specific evidence to name names she suggests a number of possible audiences A translation conforming as closely as possible to the original Greek is provided along with a

careful analysis of the language of the letter that yields insights into the context and theological underpinning of this epistle The apostle s very brief letter to Philemon stands solidly within the Pauline collection of authentic and canonical letters In this volume Judith Ryan argues that Philemon makes two specific appeals The first seeks to elicit Philemon s partnership and his community s support in welcoming Onesimus back as both beloved brother and honored guest The second requests that Onesimus be allowed to use the freedom he already has to serve Christ and his Gospel In this commentary Ryan provides a fresh translation critical notes for each verse and interpretation on defined sections She situates the letter in the historical context of slavery in the ancient world and shows how Paul combined his theology with contemporary rhetorical strategies to produce an effective challenge to his audience **Philippians and Philemon** Bonnie Bowman Thurston, Bonnie B.
