Special Days to Celebrate Frances J. McAiley,2022-12-02 This book was written to help explain to preschoolers and primary school students why and how different holidays are celebrated As a nursery school teacher I found that three and four year olds were very aware of the decorations commercials and special foods associated with the holidays but they did not know the reason for the holiday The children had many questions about what they observed I couldn t find information written on their level to answer their questions so I wrote my own stories This book contains the stories I wrote I hope this book will help parents and teachers who find themselves in the same situation as I was in with explanations for their children
